Problem With The Start Gate Speakers At The 500m During The Regatta

As you will be aware, we lost the use of the PA speakers positions on the Start Gates at the 500m Starts during Saturday. This was caused by the speakers being hit by a rowing boat prior to the start of the regatta. The damage was investigated but could not be repaired without taking the gates out of the water, which couldn't be done during the regatta. For Sunday a mobile PA with speakers aimed across the course was in use, not ideal but better than

nothing. Apologies for all the difficulties this caused over the weekend.
