Regatta Merchandise

From now on you will be able to buy limited edition, custom made regatta merchandise. These are not shabby chic or vintage but are BRAND NEW and only available from the Regattas themselves or by order through the Regatta Committee.

To start off with this month you can be the proud owner of a very cute and snuggly teddy bear, proudly wearing his regatta tee-shirt, or a very stylish mug, in red, white and blue, it coordinates perfectly with whatever biscuit you choose to dunk in it!

Come and have a look and if you don't have the money this time you can order them for the next regatta.

More items will be added soon.
