PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

British Canoeing is committed to ensuring that all children and vulnerable adults enjoy Paddlesport in a safe environment in which they are protected from any form of poor practice or abuse. We continue to work towards and maintain the standards set for sport and to implement the requirements set within government guidelines and legislation.

Everyone in Paddlesport has a responsibility to help safeguard and protect those involved in the sport. Sometimes this can be a daunting prospect and to support everyone involved in our sport British Canoeing and the home nations have developed a range of policies, procedures and guidance. These can be found on www.britishcanoeing.org.uk and each home nation website. We ask that that club Secretaries/Welfare Officers know where to find the information and make sure it is shared and discussed at club executive and general meetings.

The procedures stem from the following principles:

- The child's welfare is paramount
- Anyone under the age of 18 is classed as a child
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
- Coaches, clubs and centres need to be provided with advice to raise awareness of best practice, guidance and support should they become involved in an abuse situation.

Safeguarding Support Officer - While the welfare of young people is the first consideration, British Canoeing recognise that coaches, volunteers and helpers may also require support if an allegation is made against them. In these cases individuals should contact the British Canoeing Safeguarding Support Officer whose role is to listen, support, help and provide advice (contact details below). They will not be involved in the case and will be completely independent of the investigation.

Event Management - Event organisers should take note that there is a requirement to provide a Welfare Officer at all events where children are participating. For further details refer to the guidance sheets on the website – Paddlesafe Events.

Good Practice Guidelines

By following these guidelines you will help to protect both the children/vulnerable adults in our sport and our coaches/helpers from wrongful allegations.

- Avoid situations where you are alone with one child/vulnerable adult. British Canoeing acknowledges that occasionally there may be no alternative, for example, where a child/vulnerable adult falls ill and has to be taken home. We would stress, however, that one to one contact must not be allowed to occur on a regular basis.
- If any form of physical support is required ask the paddler's permission, explain what you are doing and why to both the child/vulnerable adult and their parents/carers.
- Where possible ask parents/carers to be responsible for children/vulnerable adults in changing rooms. Always ensure that whoever supervises young people work in pairs.
- Where there are mixed teams/groups away from home, they should always be accompanied by an adult male and female coach/helper.
- Don't allow physically rough or sexually provocative games, or inappropriate talking or touching.
- Ensure that any claims of abuse by a child/vulnerable adult are taken seriously and that it is dealt with by people who know what to do.

PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

- Ensure that the nature and intensity of training does not exceed the capacity of a child's/vulnerable adult's immature growing body and ability.
- Follow the British Canoeing guidelines for photography and video use (see Guidelines for use of Photographic and Filming Equipment)

Ensure your club adheres to British Canoeing best practice guidelines and requirements with particular reference to:

- The British Canoeing Code of Ethics.
- The British Canoeing Child Protection Policy and Vulnerable Groups Policy.
- Safe recruitment and vetting practices including appropriate Disclosure checks, where eligible, in accordance with home nation and government guidelines.
- Individuals undertake safeguarding training when working with children and vulnerable groups.
- Club Welfare Officers attend specific training to support their role- Safeguarding and Protecting Children and Time to Listen workshop.
- Publicise your Club/ Event Welfare Officer contact details.
- Publicise the NSPCC Child Protection Helpline.

EQUITY AND PADDLE ABILITY

BRITISH CANOEING EQUITY STATEMENT

All competitions and representative selection will be held in accordance with the British Canoeing Equality Policy ensuring that everyone, including all protected characteristics under the Equality Act 2010, have a genuine and equal opportunity to participate in Paddlesport at all levels. Unlawful discrimination is unacceptable and will not be tolerated whether intentional or unintentional. Transsexual participation is permitted in domestic competitions subject to the criteria detailed within the British Canoeing Transgender and Transsexual Policy. International competition and selection for transsexual people is subject to eligibility defined by the IOC and is detailed in the British Canoeing policy.

PADDLE-ABILITY

Paddle-Ability is the term used by British Canoeing to describe all disabled Paddlesport activity. The term focuses on a person's ability to take part in Paddlesport rather than their disability. British Canoeing encourages and supports anyone with a disability to participate in competition in specific Paddle-Ability events and mainstream competition. Specific Paddle-Ability events are held at National Regattas in Nottingham from April to September.

Racing is based on ability (in time bands). Entries must be submitted, in advance, with other club entries via the Club Team Leaders. If your club does not already have an appointed team leader please contact Viv Kendrick on: Viv.Kendrick@kirklees.gov.uk

Entrants may have an escort boat to provide support to the starting posts; limited support is also permitted during races. Escort paddlers will be expected to wear yellow escort bibs, these can be obtained from the Paddle-Ability cabin.

The current Paddle-Ability events are available:

- K1: 200m, 500m
- K2: 200m, 500m
- V1: 200m, 500m

SPRINT RACING

Chairman's Foreword

The 2015 ACM saw a number of changes in the personnel of the committee.

For a start we say thanks to Peter Moule for his years as Chairman knowing he remains with us as a senior official both here and for the ICF regattas. Similarly to Mo Moule and Martin Brooks for their many years of excellent help.

Teresa Gregory and Tom Daniels have joined the 12-strong committee and already shown their strong work ethic.

It goes without saying, but it nevertheless is to be said again, that all the committee members give freely of their time and abilities and this is evident in the way the regattas and the discipline is run. Yes there is still work in progress but it is being tackled and the fruits of this work will become clear in due time.

The ACM saw a very calm debate on the relationship with the Performance Department and it is clear now following meetings with John Anderson that considerable progress has been made on the way the clubs and the PD relate to each other. Again this will become clear in the coming season.

Part of this progress is that there is a current review of the Talent programme and I look forward to seeing how this develops. As ever feedback is welcomed on this and indeed any other part of the sprint programme.

Coaching plays a major part in the development of the section and this has been strengthened with the appointment of Scott Simon to assist club coaches along with Mike Chandler. The SRC has included an amount of money to assist coaches with their qualification fees.

The regatta programme continues to be strengthened with a London Regional regatta put into the programme for Sunday 26th June. More details will be found in due course on the website. There is a strong request for more club and regional regattas and assistance is available with the use now of the computer based mobile timing system that has been purchased by the SRC and can be had by contacting the secretary.

Finally this is Olympic year and we wish the team and their entourage all the best for Rio.

Enjoy the new season.

Part IV - RACING REGULATIONS

24. Means of Propulsion

- 24.1 Kayaks shall be propelled solely by means of double-bladed paddles.
- 24.2 Canadian Canoes shall be propelled solely by means of single-bladed paddles.
- 24.3 The paddles may not be fixed on the boat in any way.

25. Start

- 25.1 Competitors shall be on the water at the starting area, not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line.
Two minutes before the defined starting time the competing boats have to take the lane determined in the programme.
- 25.2 Competitors shall be at the starting area in time to allow satisfactory preparation for the start.
- 25.5.1 The start shall be given without reference to absentees.
- 25.5.2 If the competitor does not start, and has no valid reason approved by the Competition Committee, (International event) he shall be disqualified for the whole regatta, (National regatta) penalty points will be awarded. A competitor, who arrives too late at the start, shall be considered to have voluntarily withdrawn and shall be disqualified under this rule.
- 25.6 When signalled by the Starter, the competitor will take the start position designated so that the bow of the boat is on the start line. In case of an automatic starting system the competitor will place himself/herself so that the bow of the boat is on the start line and thus in the start machine. When all boats are properly aligned, the aligner will then raise a white flag.
- 25.7 If the Starter is not satisfied with the line-up he/she will call "STOP", and hand over to the Aligner for repositioning.
- 25.8 The starting command will be "Ready – Set – Go" ("Go" can be a shot or strong signal). At the "Ready"

BRITISH CANOEING SPRINT RACING COMPETITION RULES

command the competitors begin their preparation to paddle. At the "Set" command the competitors place their paddle in the catch position. The competitor must not paddle forward or this action will be deemed to be a false Start. The boat must not move forward at this point in the starting procedure. The Starter when satisfied with the competitors positioning and attention will say "Go" (or shot or powerful sound). The competitors must only react to the start command/signal "Go" and are not permitted to anticipate it. The competitors can paddle only upon hearing the starting signal/command "Go".

- 25.9 In the event of a false start, the Starter must immediately give a powerful sound signal. On hearing this signal all competitors must stop paddling and follow the Starter's instructions for a new start. Before the new start, the Starter must identify the offending crew/s making the false start and give them a warning. In the event of a second false start by the same crew the boat will be disqualified from the race and must leave the starting area and the course immediately.
- 25.10 The Starter may also recall competitors for a new start in the event of any unforeseen circumstance – a malfunction of the starting equipment for example. In such a case the same powerful sound signal must be given. If a malfunction of the starting equipment was caused through a boat making a false start, as in 25.9 the crew must be given a warning, as in 25.10, even though that boat may not have crossed the start line. If the malfunction was not the cause of any competitor making a false start, no penalty shall be imposed.
- 25.11 The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any disqualification and forward it to the Chief Official.
- 25.12 In the long distance races the starter shall declare "START WITHIN ONE MINUTE" when he is satisfied he will give the starting signal by a shot or a short powerful sound. The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any disqualification and forward it to the Chief Official.

26. Paddling on the Course

- 26.1 In races up to 1000 metres, competitors must keep the whole of their boat within the four-metre wide central area of their lane from the start to the finish of the course. Upon any deviation, the boat must go back immediately to this central area of the lane. No boat must come nearer than five metres in any direction to the boat of another competitor – that is, gunwale to gunwale or bow to stern.
- 26.2 If a boat leaves the centre of the lane and does not return to it, the boat may be disqualified from the event.
- 26.3 A boat which leaves its allocated lane must be disqualified from the event.
- 26.4 If a race is declared null and void, no change of the composition of a crew is permitted at the new start.
- 26.5 If there is a capsized competitor or crew is eliminated from the race.
- 26.6 The Umpire has the right to interrupt a correctly started race if unforeseen hindrances arise. The course Umpires with a red flag and sound signal may effect such an interruption. Competitors must immediately stop paddling and await further instructions.
- 26.7 If a paddle is broken a competitor may not be provided with a new one by a supporter.
- 26.8 Paracanoe races only: Spray decks must not be used unless permitted by the Chief Official due to severe water condition

27. Pacing

- 27.1 Taking pace or receiving assistance from boats not in the race or by any other means is not permitted.

28. Competitions for Long Distance and Relay

- 28.1 Races of more than 1,000 metres, competitors may deviate from their lane providing they do not impede other competitors.
- 28.2 When a race is run on a course with turning points these shall be passed to port (i.e. in an anti-clockwise direction).
- 28.3 A competitor will not be disqualified for touching a turning buoy, unless, in the opinion of the Turning Point Umpires, an advantage has been gained there from. In making a turn, the boat shall follow as closely as possible the course as marked by the buoys at the turning points.
- 28.4 If there is a capsized competitor or crew is eliminated from the race if he/she or they are not able to get in the boat without outside help.
- 28.5 Any competitor who is responsible for a collision or who damages the canoe or kayak or paddle of another

BRITISH CANOEING SPRINT RACING COMPETITION RULES

28.6 Group Racing and Overtaking

- a) When a boat is overtaking another boat, it is the duty of the overtaking craft to keep clear of other competitors at all times.
- b) When a boat is racing in a group of competitors it is the duty of all competitors in the group to keep clear of other competitors at all times. This rule applies to any manoeuvring within the group.

28.7 Collision or damage

- a) Any competitor who is considered by the course umpire or race official, to have been responsible for a collision, or who damages the boat or paddle of another competitor or unnecessarily deviates from their course may be disqualified.

28.8 Lapped boats

- a) Lapped boats are disqualified and they should leave the course immediately (International events)

29. Finish

29.1 The boat has finished the race when its bow crosses the finish line with all crew members in it. The Finish Line Judges will determine the result of the competition based on the order of the boats arriving according to the rules.

29.2 If two or more boats reach the finishing line at the same time they are awarded the same classification in the final. In the case of a dead heat finish for any position, which determines the advance to the next level of the competition the following rules will apply:

- a) Wherever there are sufficient number of lanes available in the next level of the competitions, drawing of lots will determine to which race each boat will advance. If possible it may use also lane number 10.
- b) Wherever there are not enough lanes available there will be a re-race between the boats involved 30 minutes after the race (and for International Competitions after the last race of the day, or half day programme)
- c) In the case of a dead heat in the re-race, drawing of lots will determine the outcome.

30. Tasks of Competitors after the Race

30.1 The competitor must leave the course after the finish of the race and cannot disturb the next race.

30.2 The crews selected by the Competition Committee for boat control must immediately contact the place allocated for the post race boat control.

30.3 If selected for doping control, the competitor must comply with the obligations stipulated by the BC Anti-Doping policy.

30.4 Before the award ceremony the top three crews of the final must be present at the location and time indicated.

30.5 At National Championships, competitors must wear club, team/squad Racing Colours or Tracksuit at the award ceremony.

31.2 Should a competitor have completed a race in a kayak or canoe which is shown upon inspection not to conform with the classifications (see Rules 9 to 12), he/she shall be disqualified from the race in question.

31.3 It is prohibited to receive external assistance during a race.

31.4 No crew may be accompanied along and adjacent to the racecourse by other boats while the race is in progress.

31.5 No crew may receive assistance by using objects thrown into the course.

Any of the above infractions will result in the disqualification of the competitor(s) concerned.

31.6 All disqualifications by the Competition Committee may be confirmed in writing immediately with the reasons. The Team Leader has to acknowledge the receipt on a copy with the exact time, which is the start of the protest time.

Failure to deliver the copy confirmation of the disqualification to the team leader does not invalidate the disqualification.

31.7 The Competition Committee may discipline any competitor or Official whose behaviour is detrimental to the good order and conduct of the competition. The Competition Committee may after repeated action by the offender disqualify him/her for that competition.

BRITISH CANOEING SPRINT RACING COMPETITION RULES

Notes to the British Canoeing Sprint Racing Competition Rules

Races Exceeding 1,000 Metres at the National Water Sports Centre Nottingham, Rules 21.4 and 21.5

Because of limitations at the National Water Sports Centre - mainly the start pontoon being fixed for the Start of two 5000 metre and one 2500 metre events - it is not possible to comply with the Rule and provide the three courses required. The 2nd leg under the Rule is 47.75 metres too long. The requirements given in the Rule are those of the ICF, which the BC must shadow in its own Rules.

NATIONAL SPRINT REGATTAS 2016

National Federation Membership: Competitors **must be current members of their National Federation i.e British Canoeing**, WCA SCA or CANI. The only exceptions are BC Mini Sprint or junior D youngsters who are members of BC affiliated clubs with a registered junior section. The number used for these juniors will be the club's affiliation number followed by their own individual club number.

When juniors are promoted to division 'C' or above, they must become a full member of British Canoeing in their own right. **Team Leaders must inform** the Registration Officer of the new B.C number for the promoted junior within a month of the promotion.

The Sprint Registration Scheme

The Sprint Registration Number is a unique numerical identification for each paddler and is used for National Sprint entries. Only Registered Paddlers can compete in a British Canoeing National Sprint Regatta.

Paddler Registration will close 10 days before the regatta entry deadline

Entries submitted without a Registration Number will not be accepted.

No Registrations will be accepted when placing Entries

Registrations: Can take place at any National Regatta, (at the Secretary's desk), or submitted via the website <http://canoeracing.org.uk/sprint/index.php/new-paddler-registration-form/> or emailed to the Paddler Registration Officer on paddlerregistrations@canoeracing.org.uk

A Coach or Team leader completes a registration form, all the following information **is required:**

Ranking List: The Ranking list (see Section D) is intended as a 'working' list and only includes registered paddlers who have entered a National Regatta during the last three years or those who are fairly certain to race in the current season. Paddlers registered but not listed in the Handbook are retained in the main registration database and, if a current B.C. member, can apply to race at any time.

7. Before Team Leaders meeting: Check your Programme

- a) Prior to the Team Leaders' Meeting, it is essential for each Team Leader to check carefully all their entries. Print a copy of your entry for this purpose. If there are any omissions or if you wish to make substitutions, mark your programme. The Team Leaders' Meeting goes very quickly, and leaves no time for hesitation.
- b) It is not uncommon for there to be a few mistakes with the entries, it is your responsibility to check the programme.
- c) The Regatta Organisers will do their best to arrange the programme so that all races in each class are well spaced out, giving a minimum rest period of 40 minutes between races. Any competitor racing outside their designated class in crew boats or in two designated classes i.e. both kayak and canoe, cannot expect the programme to accommodate this situation.

8. Team Leaders' Meeting

It is intended to hold one meeting per regatta, at 0800 am Saturday morning (unless otherwise stated) at the regatta course. If the meeting cannot be completed in a reasonable time it will be adjourned and the time of the reconvened meeting announced. Each club must nominate only one representative to deal with alterations and late entries at the meeting. This nominated representative will be responsible for all the money owed for the entries he submits. This money must be paid by 4.00 p.m. on Saturday. Failure to pay on time will incur a £20.00 surcharge that must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

Procedure for Team Leaders Meeting

- a) Team Leader signs in on arrival.
- b) Meeting commences promptly at 8.00 a.m.
- c) Technical announcements.
- d) If there are any objections to the programmed order of events they must be raised at this stage.
- e) Late entry provision:-
 - i. Events will be dealt with in race order.
 - ii. The Chief Official will call out in order each set of heats (or finals, if there are no heats). Team Leaders need to scratch any competitors not intending to race, or make suitable substitutions. They should call out the lane number first then the competitor's name(s).
 - iii. If there are any vacant lanes the Chief Official will then ask Team Leaders to raise one hand for each late entry they wish to make. If there are more late entries required than there are vacant lanes available, a draw will take place.
 - iv. It is not permitted to return to an event that has been concluded.

9. Extra Late Entries after the Team Leaders' Meeting

Extra late entries after the Team Leaders meeting for laned races will only be accepted in exceptional circumstances and at the discretion of the Competition Committee.

Any such entries will be charged a double entry fee.

Late entries will be accepted for long distance events (5 km.), up to one hour before the race, on payment of the standard late entry fee. Entries can be made on the form available from the regatta secretary's desk.

10. Lane Numbers

- a) All boats must be fitted with a Number slot on the centre aft line of the boat and the correct number displayed in all races.
- b) Races of 1000m or less require a Lane number. Sets of numbers 1-9, are available for sale from the Regatta Secretary's desk.
- c) For races over 1000m in length, long distance racing numbers must be obtained from the regatta secretary's desk by Team Leaders. A deposit of £10 will be charged and

NATIONAL SPRINT REGATTAS: Terms/Conditions of Participation

£5 deducted from the deposit for any numbers lost or not returned.

11. K2/K4 Crew Names

Notification of crew names must be made at the Regatta Secretary's desk at least 30 minutes before the race. Any crew which has not notified the full set of names will be allowed to start the race but will not appear in the results, nor will they go forward to the next round of the competition. Paddlers who take the place of other paddlers without the proper substitution will be allocated 1 penalty point and the boat disqualified from the event.

12. K4 Hire

- a) K4s for hire will be stored on racks outside the boathouse.
- b) K4s must not be put down on the ground & crews must not sit in the K4s except when they are on the water.
- c) Young paddlers must be supervised by a responsible adult when handling the K4s onto and off the water. The K4 Official reserves the right to refuse the boat to any youth crew that is not accompanied by an adult.
- d) Check your K4 before you use it. If it is not in order please report the fact to the Official. The crew that previously used the boat will be held responsible.
- e) K4s can be booked for any race during the course of the day as soon as the boathouse is open and the K4 Official is present.
- f) Crews must supply their own wing-nuts and toggles when they report to collect the boat they have booked.
- g) Crews must use the boat allocated or risk disqualification from the race.
- h) The Plastex K4s will only be allocated to Senior or Junior A, or combined A/B, class races.

13. Protests & Disqualifications

- a) Notification of disqualification will be made to the Team Leader or his nominated reserve only.
- b) Any protest or appeal can only be made by the paddler's Team Leader.
- c) Team Leaders should realise that it is impossible to adequately umpire all races in every regatta. Where infringements are observed by an umpire these will be reported to the Chief Official who will, if necessary, inform the offending paddler's Team Leader.
- d) However, all infringements may not be observed by the Umpires and Team Leaders should realise that they have a responsibility to explain the situation to young paddlers who could easily become frustrated by what might seem to be an arbitrary system of justice.

14. National Regatta Results

Unofficial Results are available on-line during the regatta from www.regattaregattaresults.org.uk. The Official results including promotions/demotions will be available as soon as possible after the event from www.canoeracing.org.uk/sprint/

15. Car Parking

- a) Team Leaders **MUST** take an active part to see that club members observe the car parking lines. **Access for emergency vehicles must NOT be impeded**. Particular attention should be paid to the access road in the vicinity of the Centre Buildings, **Note:** Waterside of this access road and pontoon by the seating side of the tower is a No Parking Area.
- b) Parked cars must not obstruct the launching access for K4s to the concrete pontoons in front of the boathouses.
- c) Owners should park their vehicles within the marked designated parking areas, responsibly, safely and without causing obstruction at all times.
- d) At certain times during a competition it may become necessary for safety reasons to

NATIONAL SPRINT REGATTAS: Terms/Conditions of Participation

restrict movement of vehicles on parts of the access roads around the course.
Notice will be given if this is required

16. System for junior membership of a British Canoeing Affiliated Club

- a) A junior club member need not be a full member of B.C. in order to race in the Mini Sprint Series or Junior D Classes provided they are a member of a B.C. affiliated club with Registered Youth Section. The number used for his or her sprint registration will be the club's affiliation number followed by his or her own individual club number.
- b) When promoted to class 'C' or above, he or she must become a full member of the British Canoeing in his or her own right.
- c) **It is the responsibility of the Team Leader to inform the Paddler Registration Official PaddlerRegistrations@canoeracing.org.uk of the B.C. Number for their club juniors once promoted to 'C' or above before the junior competes in the higher class.**

17. 'Tiddly Winks' and Boards

Coloured counters (known affectionately as Tiddly Winks) are awarded for the first three places in all Final 1s in the junior classes. These awards can be collected from the Secretary's desk.

Also available, at a cost of approximately £5, is a small wooden board on which the self-adhesive counters can be mounted for posterity!

- 18 All National Regattas are held in accordance with British Canoeing Sprint Racing Competition Rules and these terms/conditions of participation.

British Canoeing Sprint Regatta "Liability" Statement

Canoeing and Kayaking are assumed-risk water-contact sports. Participation in these sports carries an inherent risk of injury to competitors and damage to property. Participants should be aware of the risks involved in these sports and are responsible for their own actions and their involvement in these sports. **In all cases competitors compete entirely at their own risk.**

The Regatta Organisation, the Sprint Racing Committee and British Canoeing exclude liability for any loss or damage that may occur to competitors or property during participation in canoeing and kayaking to the fullest extent permitted by law.

All competitors must be current members of British Canoeing except for juniors ranked in 'Girls D' or 'Boys D' and 'Lightning A' or 'Lightning B' who are members of BC affiliated clubs with a registered juniors section. Regatta Entries are accepted on the basis that each competitor and Parent / Guardian of a junior is aware of and has accepted the above conditions. Team Leaders are to ensure that all their club competitors are aware of and accept the above statements.

In the event of unsuitable weather conditions the organisers may at their discretion cancel or postpone a race(s), or insist on the wearing of buoyancy aids. An Orange flag on the flag pole by the Finish Tower will indicate that buoyancy aids are compulsory for any (or all) classes of paddlers.

Inter-Club National Competition

The MacGregor Paddle Challenge

John MacGregor M.A., Trinity College, Cambridge; (1825-1892) Barrister-at-Law, Captain of the Royal Canoe Club, through his extremely popular books and magazine articles from 1865 to 1892, practically invented the sport of canoeing (or kayaking).

The beginning of recreational canoeing can be traced directly to an Englishman, called John MacGregor, in the middle of the nineteenth century. He was a man with a penchant for boat design and exploration, who developed his craft based on the Eskimo Kayak, which he named *Rob Roy*. He took the boat on long journeys along the rivers and across the lakes of Europe, lecturing and writing about his travels as he went. His tales attracted quite a following and soon there were many kayaks in Great Britain based on his kayak design that is still referred to as a *Rob Roy*.

Canoes are the larger category under which kayaks fall: while all kayaks are canoes, not all canoes are kayaks. Paddlers in kayaks sit with their legs stretched out in front of them and canoeists generally paddle from a kneeling position. Most canoes are open hulled; while kayaks have covered decks. Canoe paddles are typically single bladed, while kayak paddles are double ended.

Some might say these differences occur because of the type of water available, but a look at the evolution of British canoeing culture during the past one hundred and twenty years would suggest that the major changes are due to those who have written and taught, coupled with the availability of canoes or kayaks.

The first period from 1865 evolved from the founder of British canoeing, John MacGregor. His book, *A Thousand Miles in the Rob Roy Canoe*, fired the imagination of the Victorians. The '*Rob Roy*' was a stable kayak, went in a straight line and had a large cockpit. Made of wood, it was easy to handle and a boat in which any beginner would have felt safe. In this period, wooden canoes were imported and were used for family outings and touring, the limitation to the growth was the cost of the wooden craft.

The second period from the 1930s to the 1950s is identified with the wooden frame and canvas kayaks and the start of the BCU Coaching Scheme. Percy Blandford wrote books and produced a host of designs for the Scout movement, which brought canoeing to a much wider number of people. The low cost, make-it-yourself PBK (Percy Blandford Kayak) designs, were, like the '*Rob Roy*', stable, went in a straight line, and had large cockpits. The British Canoeing Coaching Scheme was started in the 1950s by John Dudderidge. The original proficiency tests were designed around the use of the open cockpit straight-line kayak.

The third period, which had a massive impact on both the expansion and the change in direction of British canoeing culture started around the early 1960s, when in 1962, the BCU appointed its first Director of Coaching, Oliver Cock, giving added drive to what was to become a very powerful teaching scheme. For various reasons, the Coaching Scheme became more and more interested in rough water canoeing. At the same time, glass reinforced plastic became available. Moulds were produced for the home builder and the designs reflected the interest in rough water. Thousands of kayaks were produced with rockered hulls and small cockpits. By 1980, the Coaching Scheme had 3,000 members almost all teaching in the close fitting cockpit kayak. So powerful had that culture become that, if the word 'canoeing' is mentioned to almost anyone in Britain, their immediate image would be that of a young man or woman strapped into a kayak, wearing a crash helmet and wetsuit, performing turns and rolls on rapidly moving rivers. This was a great image for the adventurous teenager but daunting for many others who might wish to paddle. Indeed, a far, far cry from the canoeing of MacGregor.

Inter-Club National Competition

MacGregor spent part of his youth in Halifax, Nova Scotia, where his father was stationed in the 1830s in a fort. He may have picked up some canoeing experience there.

Reading his books one notices he carried in his canoe a number of religious tracts (in a movement called "Muscular Christianity") written in the local language and was always ready to hand them out. He did not travel on Sundays, but did lecture on his travels and gave much of the profits to charities, especially to boys in the inner cities.

He published accounts of several other canoe cruises, including one to Scandinavia and another to Jordan and Egypt. The appendix to that book gives some construction details for his canoe designs.

His wooden split paddles were presented to Royal Canoe Club in 1959. Subsequently these were used as the trophy at the BCU National Inter-Club Sprint Racing Regatta, being first presented in 1977 to the winning club Fladbury and still fought over annually. A full list of winners can be found on page C12.

Scoring for the MacGregor Paddle Challenge Competition

Under the following system most clubs should have an opportunity to achieve a winning score:

1. Each Club will **score 1 point** for each promotion accredited to their Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddlers during the previous five Regattas, i.e. September (previous year), April, May, June & July (of the same year).
2. Penalty points accrued by every Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler during the five scoring regattas **will be deducted** from their team's score, i.e. September (previous year), April, May, June & July (of the same year).
3. The scoring at the Inter Club Regatta will be on the following basis:

Each Club will score its best	12	K1/C1 results in all finals
	6	K2/C2 results in all finals
	3	K4 results in all finals

Scores will be awarded, provided there are at least three crews participating, on the following basis:

First 20 points, second 19 points, third 18 points and so on.

4. Notes:
 - a) Composite crews, with members from more than one Club, do not score.
 - b) At least 50% of the crew must be registered in the class in which they are racing. i.e. 2 paddlers in a K4 or 1 paddler in a K2. Crews may be made up with paddlers from a lower ability group with the following exceptions:
 - i) Men may not paddle in Women's races.
 - ii) Boys may not paddle in Girls' races.
 - iii) Seniors may not paddle in Junior races.
 - d) No one may enter any singles class other than their designated class as shown on the Registration File. Exceptions may be made when national coaches wish to enter squad paddlers in a different class.

NATIONAL SPRINT REGATTAS

Disciplinary Procedures

Offences Incurring Penalty Points

The Chief Official will be solely responsible for all disciplinary matters of a minor nature, under the operation of a penalty points system. At his / her discretion, he / she may issue penalty points to each paddler involved in each of the following offences. These offences are considered to be detrimental to the efficient operation of regattas and / or potentially hazardous.

Code	Infringement
• C	Racing in incorrect colours
• N	Racing with incorrect or missing number
• Z	Failure to observe water zoning procedures
• S	Unauthorised substitution for another paddler
• F	Failure to report, having qualified, for a finals
• D	Conduct during racing likely to cause injury or damage to equipment
• L	Use of offensive language
• U	Underweight boat (see note 1)
• R	Failure to report for boat weighing immediately (see note 2)
• B	Insufficient buoyancy (see note 3)
• T	Race times below minimum Standard of Racing for National Regattas (see note 4)

Notes

1. Weights must be properly fixed to the boat or seat. Stones in bags or any other temporary system will not be accepted.
2. Boats required for weighing will be notified shortly after the finish of the race.
3. Buoyancy will be checked. If insufficient, the boat must not be used on the on the course. Penalty points will be applied or the competitor(s) may be disqualified.

Accumulation of Penalty Points and Penalty Fines

1. When a paddler accumulates a total of 4 or more penalty points, he / she is liable for a fine of £10 per point in excess of 3 points.
2. Fines are to be paid at the Regatta Secretary's Desk
3. **A paddler liable for a fine cannot race until the fine has been paid.**
4. Penalty points are accumulated over 4 consecutive regattas and are not restricted to a single year. Thus, for example, penalty points incurred in the last regatta of the year will remain active until the start of the 4th regatta of the following year.

Notification

Team leaders may be notified when a penalty point has been issued to a paddler from his / her team.

A record of all the active penalty points is listed at the end of the results for each regatta.

Disciplinary Matters of a More Serious Nature.

In respect to all other disciplinary matters the Chief Official, Competition Committee and the Competition Jury must act as described in the Sprint Racing Rules which include penalties in accordance with British Canoeing Rules or the Sprint Racing Section Disciplinary Regulations.

N.B. A reported incidence of dissent / abuse towards a Regatta Official, another competitor or their equipment, or a spectator must be treated as conduct prejudicial to the interests of the sport and dealt with under the Section Disciplinary Regulations.

MINI SPRINT SERIES 2016

The Mini Sprint Series are run alongside the National Sprint Regattas held at Holme Pierrepont in Nottingham during May, June, July and September.

The Mini Sprint series has been specifically developed to suit the needs of young people who have chosen this discipline at this time. It is part of the Paddlesport foundation which helps them progress into whichever discipline they may eventually choose. The programme has taken into account that full sized K1s, K2s and K4s are too large for young people. Together, the Canoe England's Paddlesport Participation Programme and the British Canoeing Sprint Racing Committee have formed the Mini Sprint Series. This has evolved from the Lightning series that was originally only a K1 event. Now as a weekend event it is giving racing experience on the National course so that the paddlers have a smooth transition into the Class D events.

The aim of the series is:

- To introduce young paddlers to the venue.
- To develop experience of sprint competition at a national event.
- To develop teamwork.
- To have the opportunity to develop competitive paddling skills.
- To become motivated to progress through the main classes.
- To meet and make friends with paddlers from other clubs.
- **To enjoy, have fun and become confident sprint paddlers.**

Team Leaders notes on entries and kayaks.

The paddlers will compete over 500 metres in Lightning K1, Hody Style K2's and Rocket K4 with heats and finals run and timed on the main regatta course.

The cost is per seat, exactly as other junior paddling categories.

Please ensure you enter your paddlers in the correct category which is based on time, not age.

Only Lightning Kayaks are to be paddled in the K1 events.

Clubs should bring their own Hody Style K2. If using a make other than a Hody please inform the Chief Official ChiefOfficial@canoeracing.org.uk before the event.

Rocket K4s only will be used and supplied by the SRC. Clubs may bring and use their own Rockets.

When booking a K4 Team Leaders pay only for the seats required, not a whole K4. Each paddler should be entered in the correct category. Your paddler will be placed randomly with other paddlers in their category to make up crews. These crews will be published in the programme. No crew notification will be sent to clubs before the event. Requests to paddle with specific paddlers must be arranged by club team leaders prior to the entry date, they will need to be entered together and it is the responsibility of the clubs involved to arrange who pays as this is not the organiser's or the volunteer official's remit to sort out your payments. **You will only be charged for a complete K4 if you book a whole K4.**

Any changes to your entry must be made at the main Team Leaders' meeting.

Further changes for entered crews may be made at the secretary's desk providing all paddlers and team leaders know of the changes.

MINI SPRINT CUP SERIES

This series is a whole season event and the **Marsport Trophy** will be awarded in September to the club with the most points. Individual paddler points will be awarded for each event during May, June, July and September with double points being awarded at The MacGregor Inter Club Regatta.

MINI SPRINT CUP RULES 2016

Points are accumulated at each nominated event leading to a final at the September Regatta.

Mini Sprint points do not count towards The MacGregor Inter Club points.

At the MacGregor Regatta the Mini Sprints receive double points for their paddling and these go towards the Mini Sprint Cup competition which runs separately from the main Inter Club Competition.

The Mini Sprint Cup includes overall prizes for both male and females in each category and an overall club prize. Details are as follows:

MINI SPRINT SERIES 2016

Entries

All entry fees are per seat and will be entered with your club's main regatta entries.

Please read the above notes on entering Rocket K4.

Events

May, June and July with the Finals at the September Regatta 2016

Points scoring

All National Mini Sprint winners (individual) are awarded on the same system. Their 2 best regatta scores are added to their Mini Sprint Inter Clubs score.

All points scored will count only towards The Mini Sprint Team and individual events.

National Regattas (May, June and July): in K1, K2 and K4.

1st place scores 10 points, 2nd place scores 9 points etc. down to 10th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results at each regatta. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 10 points **for each paddler**.

Inter Clubs Regatta (September) in K1, K2 and K4

1st place scores 20 points, 2nd place scores 18 points etc. down to 10th place where everyone after that scores 2 points, the total number of points scored across K1, K2 and K4 will be added together to determine the results. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 20 points **for each paddler**.

Team event:

The points scoring system is based on each club's best 2 regatta results scores added to their Mini Sprint Inter Clubs points score.

Promotions:

Promotion from Mini Sprint Category B to A will be based on K1 500m times.

Promotions from group B to A will automatically be done in the May and June regattas. The best set of existing regatta points will be carried through and added to the paddlers July and September points gained in A.

Promotion into Boys D and Girls D is based on normal regatta entry guidelines. This is only done after a discussion with the team leader.

When a paddler is too old to participate in the Mini Sprint Series they do not automatically move to D classes. They must reach the required standard. See Standards chart on page D1.

They would be allowed to paddle in D Class crew boats along with established D paddlers.

Prizes:

Tiddly Winks will be awarded for 1st, 2nd & 3rd places **in the K1 final only** of each category and for the three fastest K2/4 crews in each category within the Mini Sprint series.

Medals will be awarded in each category to the overall series winners - 1st, 2nd, 3rd male and female.

The Marsport Mini Sprint Cup will be awarded to the Club that has accrued the most combined category points.

All participants will be awarded a Certificate each month they enter. These are to be collected by the team leader from the Secretaries Desk.

NATIONAL REGATTA OFFICIALS

Anyone interested in finding out more about assisting at National Regattas is invited to come to sit alongside experienced officials to find out what is involved. The training of officials is a highly important area of our activities with training during National Regattas and at 'out of season' workshop days. A few experienced officials do go on to take the International Canoe Federation Technical Officials Examination, thereby becoming eligible to officiate at ICF or ECA International Regattas. Regatta Officials interested in knowing more about what this entails please contact the Chief Official.

Several officials are working in Pre-Regatta groups such as timetabling where paddlers are put into races, updating club colours, registration of paddlers and putting together the printed programme. We also have an IT team who are striving to develop a program that will reduce the workload for entering and paying. It will also be involved in the further development of the results service.

We are continually trying to recruit volunteers to help run our increasingly popular regattas. In 2015 we welcomed six new officials. No experience or special skills are required but working as a team is important. Just half a day helping, whether morning or afternoon, would be greatly appreciated.

We are looking for assistance with First Aid throughout the regattas. As with the officials this is worked on a rota basis headed by a full time paramedic who takes overall responsibility for reporting accidents. All clubs have qualified first aiders who could help with this important service.

If you would like to know more about helping at a National Regatta please contact Ann Hoile at volunteercoordinator@canoeracing.org.uk or at the Secretary's Desk during regatta weekends.

BRITISH CANOEING PERFORMANCE PROGRAMME

Olympic Development Programme

A key objective of the British Canoeing programme is to provide a seamless transitional pathway for our athletic talent from Home Nation talent programmes and GB junior teams into the senior sprint podium programme. Therefore the focus on the Olympic Development Programme is on optimising the development of athletes and transitioning them from being promising junior/talent athletes to robust senior athletes with the knowledge, skills, and attitudes required to be successful within the GB Senior Sprint Squad.

The Olympic Development Programme comprises UK World Class Podium Potential athletes and those on the fringes of the UK programme.

Home Nation Talent Programmes

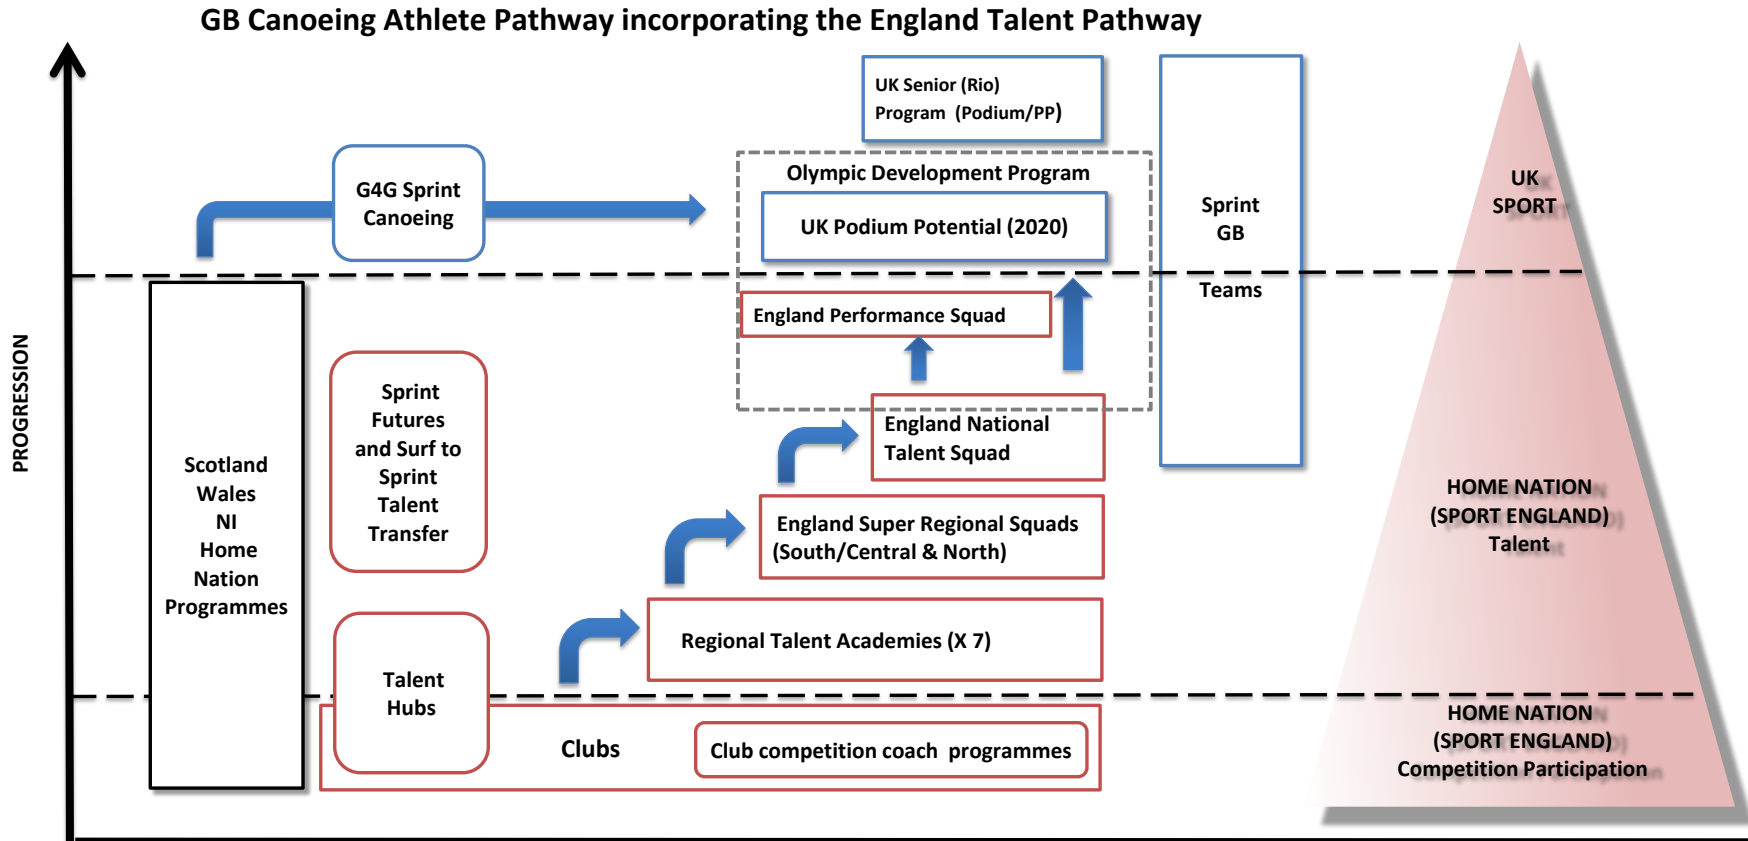

Each Home Nation runs a talent programme which provides a step by step pathway to support athletes to progress from club level to the UK World Class Programme. The majority of talent programme athletes will be based in clubs so the focus of these programmes is to support and enhance club provision, providing a range of training, competition and educational opportunities to develop the skills and attributes required for senior success.

For more information please refer to the www.britishcanoeing.org.uk and the performance sections of the individual Home Nation websites.

Please refer to the performance section of the Canoe Sprint section of British Canoeing website for full details of the 2016 Senior/Olympic, Paralympic and Junior and U23 selection policies

BRITISH CANOEING PARALYMPIC SELECTION POLICY

SECTION 1 - OVERVIEW

The purpose of this document is to outline the 2015 and 2016 policies for selection onto British Canoeing (B.C.) Paracanoe National Teams and the selection policy for the nomination of athletes for the Paralympic Games 2016.

1.1 The 2016 International Panel (Selection Committee)

Since January 2005, the BC Board has been responsible for Great Britain (GBR) canoeing team selection through the formation of an International Panel (IP) for both Canoe Sprint and Canoe Slalom disciplines.

The IP is a separate entity to the Performance Department.

The Canoe Sprint IP is appointed and governed by the BC Board as outlined in BC committee regulations which also defines its remit.

IP Responsibilities include:

- a) Proposing and agreeing the selection policy for the OG16;
- b) Proposing and agreeing the selection policy for all other GBR canoeing teams;
- c) Communication of selected teams within 24 hours of IP meetings.

All core members of the IP have voting rights at IP meetings where selection policy is reviewed. IP members with voting rights for each section are shown on the right of Table 1 below. In the event of a tied vote the Chair of the IP has the casting vote. For the 2016 season the core IP members are:

Table 1: International Panel for 2016		IP Members with voting rights		
		Olympic Team	Para Olympic Team	Junior and U23 Championships
	Role			
Alan Williams	BC International Team Manager Chair IP	Yes	Yes	Yes
John Anderson	BC Performance Director	Yes	Yes	Yes
Alex Nikonorov	BC Head Coach – Sprint	Yes	Yes	Yes
Roland Lawler	Sprint Racing Committee (SRC) Appointee	Yes	Yes	Yes
Steve Harris	BC Programme Manager – Para canoe	Yes	Yes	
Heather Williams	BC Talent Pathway Manager Junior and U23 meetings			Yes
Ian Wynne	BC Lead ODP Coach Junior and U23 Meetings. Plus Canoe athletes.			Yes
Paul Dimmock	Independent observer.			

NB: The Chair of the SRC may attend IP meetings as a non-voting observer.

Additional persons with specific knowledge to a class and BC performance staff can be invited by the IP to attend IP meetings in order to advise and provide relevant evidence on performance with reference to the published policy. These invitees will have no voting rights. Scheduled IP meetings will be published in December 2015.

All IP members and any persons asked to advise and provide evidence on athlete performance must promptly declare in writing to the IP if they have an interest (e.g. family connection or coaching involvement) with any athlete being considered for selection.

BRITISH CANOEING PARALYMPIC SELECTION POLICY

1.2 Introduction to the Selection Process

A draft list of events will be published in the Racing Yearbook. Additional information will also be published on the British Canoeing website. www.britishcanoeing.org.uk

British Canoeing recognises that the ICF as well as the IPC may alter the selection process and/or rules over the next 2 years. This selection policy is subject to these conditions and may need to be modified to adapt for these changes.

SECTION 2 – PARACANOE NOMINATIONS PROCEDURE

2.1 Eligibility for Selection to any G.B Team including the Paralympic Games

Any athlete wishing to be considered for selection must be a full member of British Canoeing (BC). In addition, upon selection they must sign the B.C. Athlete Agreement and must comply with BC and International Canoe Federation (I.C.F) rules on nationality.

NOTE: An athlete is not allowed to race for two Nations in the same year. Athletes who are not British passport holders must have been released from their own National Governing Body.

They must:

- Attend the Paracanoe assessment day
- Race at National selection events
- Must have reached a performance standard (see Fig 1- Paracanoe performance standards)
- In addition, athletes must hold a National Classification in their given event to be eligible for selection in that event. For Paralympic selection, athletes must hold a Confirmed International Classification status or a Classification status under review but with a review date post September 2016 to be eligible for selection.

Selection to represent GB at International Paracanoe events will be based on the ICF disability classifications and classes.

The current classes raced internationally are 200m K1 Men, V1 Men (KL1,KL2,KL3) K1 Women, V1 Women (KL1,KL2,KL3)

The Paralympic events are:

K1 Men KL1	K1 Women KL1
K1 Men KL2	K1 Women KL2
K1 Men KL3	K1 Women KL3

The Non-Paralympic events are:

V1 Men VL1	V1 Women VL1
V1 Men VL2	V1 Women VL2
V1 Men VL3	V1 Women VL3

Paralympic Classifications

L3 – Legs, Trunk, Arms: Athletes who have use of their legs, trunk and arms. Eligible athletes may typically be: amputee, neurological impairment equivalent to lesion at S1, cerebral palsy class 8 (CPISRA)

L2 – Trunk, Arms: Athletes who have some trunk movement but are not able to propel the boat through hip rotation due to significant weakened function of the lower limbs.

Eligible athletes may typically have a minimum disability equivalent to at least one of the following: Bilateral around knee amputation, or significantly impaired quadriceps, or neurological impairment equivalent to a complete lesion at L3, or an incomplete lesion at L1, or combination of the above such as one leg with the around knee amputation and one leg with significant quadriceps impairment; or classification by CPISRA as eligible to be in class 5.

BRITISH CANOEING PARALYMPIC SELECTION POLICY

L1 – Arms: Athletes who have no trunk function, or those who have shoulder function only. Eligible athletes will be able to apply force predominantly using the arms and/or shoulders and is likely to have poor sitting balance. Eligible athletes may typically have a disability equivalent to at least one of the following: Cerebral Palsy Class 4 (CPISRA), Neurological Impairment with a complete lesion at T12 level, or an incomplete lesion at T10

These Paralympic Classifications are based on the *ICF Paracanoe Classification Rules and Regulations* and any rule changes imposed by the ICF supersede this document.

2.1.1 Paralympic Games Eligibility

Athletes must be British Passport holders to be eligible to compete for ParalympicsGB. An exceptional circumstance can be made to the IPC should the BPA deem this appropriate. Any athlete who has competed for another nation or does not hold a British Passport must satisfy the criteria outlined in the IPC Handbook, Chapter 2, Section 3.1 - http://www.paralympic.org/sites/default/files/document/141217162301917_2014_12+sec+ii+3+1+-+ipc+policy+on+the+nationality+of+competitors.pdf

For selection to Paralympic Games, athletes must have competed in the event in which they wish to be selected at the 2015 or 2016 World Championships.

2.2 Nomination for Selection

The Paralympic Programme Staff team will meet immediately post-racing at the designated Selection Regatta to decide the most appropriate team for nomination to the I.P. by the Paralympic Programme Manager.

The I.P. will accept athlete nominations from the British Canoeing Paralympic Programme Manager along with any other relevant supporting evidence (see 7. below). Performance times and tabled results for Paracanoe competitions will be used as evidence to support nomination for G.B. Team selection.

In the case of Paralympic Games selection, nominations will be made to the BPA who will then ratify the nominations and select to the ParalympicsGB team.

2.3 Gold Medal Time Percentage Table and Other Supporting Evidence

The selection standards and criteria required for inclusion into the GB Paracanoe Team are presented in their relevant section. As part of the overall selection process the G.B. section coaches may assess the overall performance for each nominated athlete using the Gold Medal Time Percentage Table (The 2016 table will be updated and presented following the 2015 World Championships). This tool enables the assessment of athlete's performance corrected for environmental conditions and a clear assessment of each athlete's eligibility with reference to a minimum performance standard as a percentage (108%) of gold medal time (G.M.T.). Please note that the G.M.T. refers to a Worlds Best International time and not the winning time of the selection race.

2.4 Notification of Selection

Notification of selection will be carried out as soon as possible after the I.P. finalise their decision. This will be done by a variety of means that could include internet, email, letter, text and telephone.

BRITISH CANOEING PARALYMPIC SELECTION POLICY

SECTION 3 - PARACANOE TEAM SELECTION 2015

3.1 2015 Selection Policy Objectives

The 2015 Selection Policy and Team selection will be based upon the following B.C. priorities.

Priority Order

1. To challenge for medals and focus on medal delivery in Rio
2. Finish in the top 6 in each Paralympic event at World Championships 2015 and qualify NPC slots in all Paralympic events.
3. Confirm maximal athlete international classifications as early as possible in 2015
4. Support Non-Paralympic Events at European and World Championships 2015

3.2 Basic Selection Criteria

Athlete Assessment

Athletes wishing to be considered for 2015 selection will need to enter the 2015 Paracanoe Assessment day which will take place on 21 March 2015 at HPP. The day will consist of two 200m on water Time Trials (TT), the best time of which will be used to enter athletes into finals for the 2015 National Regattas. The best 3 athletes in each category will be entered into finals at the 2015 National Regattas. In the event of unfilled places within a final, other athletes may be considered. Only athletes in these finals will be eligible for selection to the GB Team. Exceptional athletes identified through the Talent Programme or through performance in Paddle-ability races may be considered for inclusion into Regattas.

Athlete Selection

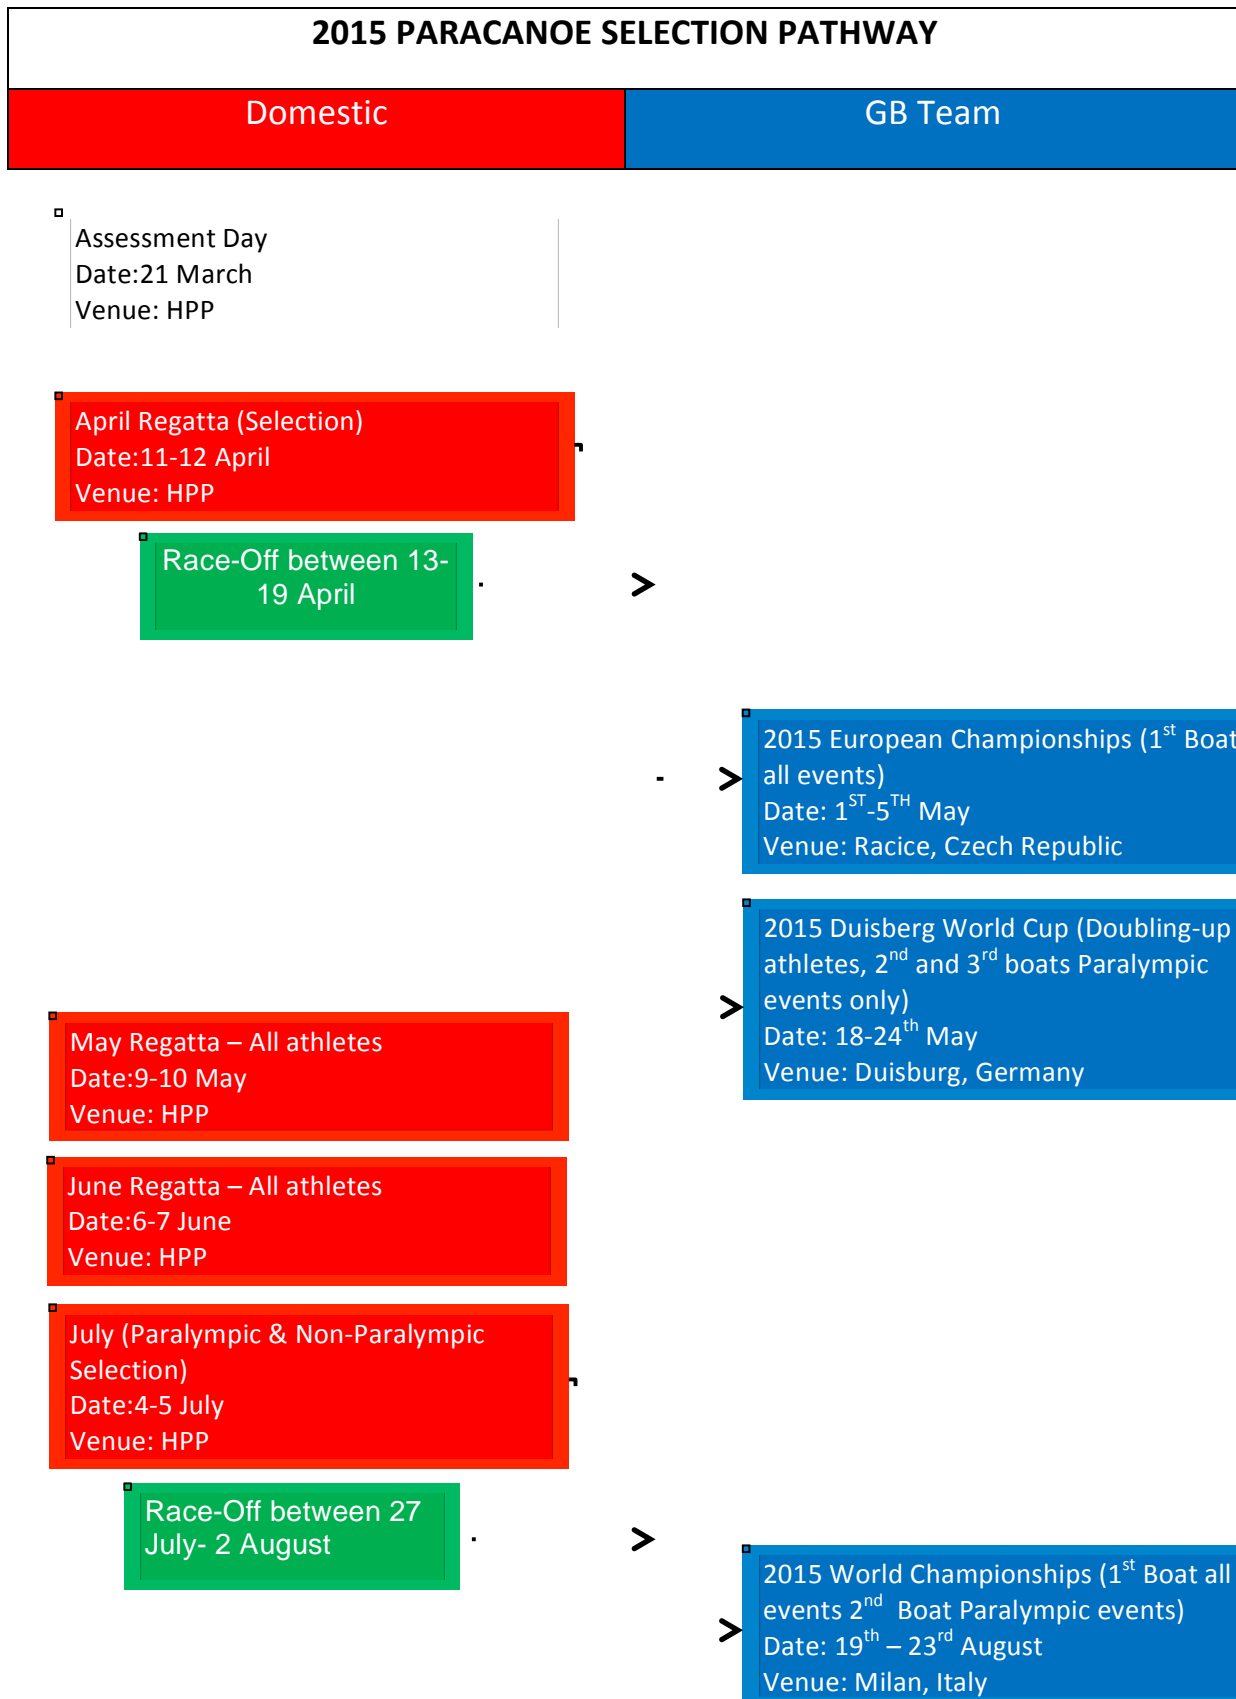

To be automatically selected for any International competition, athletes must achieve the required Performance Standard in their event as well as fulfilling all other selection requirements. Athletes that do not achieve the Performance Standard may be selected at the discretion of British Canoeing and the I.P. Athletes must have an established consistent track record in training and racing performance that statistically demonstrates their performance based upon performance analysis training data and other objective data such as ICF World Ranking for the previous period.

3.4 Selection to 2015 European Championships (Racice) and Duisburg World Cup

Selection for European Championships and Duisburg World Cup will be based upon results at April Regatta. Selection will be over 2 races and the finishing position in each race will be recorded.

The best position achieved by each athlete will then be taken into account to organise athletes into their final selection position. When no clear winner is identified, a race off will occur as close to the selection regatta as possible.

BRITISH CANOEING PARALYMPIC SELECTION POLICY

3.5 Selection to 2015 World Championships (Milan)

The ICF have changed the rules for the 2015 season to allow 2 entries per event at World Championships. 2 boats will be selected based on performance standard in Paralympic events. 1 boat per event will be selected based on performance standard in non-Paralympic events. In exceptional circumstances 2nd boats in non-Paralympic events may be considered. 12 different athletes will be selected for Paralympic Events wherever possible based on Performance standard. This is to qualify the maximum number of NPC slots and maximise medal opportunities at the Rio Paralympic Games. This is in line with the IPC qualification criteria.

Selection for World Championships will be based upon results at July Regatta. Selection will be over 2 races and finishing position will be recorded. The athletes will then be placed in order based on best position into a final selection position. When no clear 2 boats are identified, a race off will occur as close to the selection regatta as possible.

e.g.

Example 1. Athlete A wins race 1. Athlete A wins race 2. Selected to World Championships

Example 2. Athlete A wins race 1. Athlete B wins race 2. Race-off between athletes A and B. Winner selected for World Championships

In the event of injury or illness, an athlete who is demonstrating a positive performance trajectory towards gold medal time and cannot compete at the July Regatta for World Championships selection may be given a race-off opportunity.

*If it is deemed that the weather conditions are not conducive to fair competition, the Paracanoe Programme in conjunction with the International Panel may provide an additional race opportunity.

3.7 Selection for 2016 Brazil Warm Weather Training Camp

The Paralympic Programme aims to hold a warm weather training camp in January 2016.

If this camp takes place, athletes qualifying Paralympic event slots at the 2015 World Championships will automatically be nominated for the training camp. Additional athletes may be nominated to attend the camp if they have demonstrated an evidence based performance standard in Paralympic events with potential to medal at Rio.

BRITISH CANOEING PARALYMPIC SELECTION POLICY

SECTION 4 - PARACANOE TEAM SELECTION 2016

4.1 2016 Selection Policy Objectives

The 2016 Selection Policy and Team selection will be based upon the following B.C. priorities.

Priority Order

1. To challenge for medals and focus on medal delivery in Rio
2. Finish in the top 6 in each Paralympic event at World Championships 2016 and qualify NPC slots in all Paralympic events if not already complete
3. Confirm additional athlete international classifications if required
4. International race practice
5. Support Non-Paralympic Events at World Championships 2016

4.2 Basic Selection Criteria

Athletes wishing to be considered for 2016 selection will need to enter the 2016 Paracanoes Assessment day which will take place in March 2016 at HPP (Date TBC). The day will consist of two 200m on water Time Trials (TT), the best time of which will be used to enter athletes into finals for the 2016 National Regattas. The best 3 athletes in each category will be entered into finals at the 2016 National Regattas. In the event of unfilled places within a final, other athletes may be considered. Only athletes in these finals will be eligible for selection to the GB Team. Exceptional athletes identified through the Talent Programme or through performance in Paddleability races may be considered for inclusion into Regattas.

Athlete Selection

To be automatically selected for any International competition, athletes must achieve the required Performance Standard in their event as well as fulfilling all other selection requirements. Discretionary selection may be made for athletes that do not reach the performance standard by the British Canoeing I.P. They must have an established consistent track record in training and racing performance that statistically demonstrates their performance based upon performance analysis training data and other objective data such as ICF World Ranking for the previous period.

Potential situations where this would apply include:

- Environmental conditions
- Injury/Illness

However this is not an exhaustive list.

The Performance standards for 2016 will be published post 2015 World Championships and will be based on 108% GMT of the Worlds' Best time in each category.

4.4 Selection for 2016 World Championships

Rule changes by the ICF allow 2 entries per event at World Championships. The Programme will aim to select a full team of 2 athletes per event in Paralympic events based on reaching performance standard. 1 athlete per event will be selected in non-Paralympic events based on meeting performance standards. In exceptional circumstances 2nd boats in non-Paralympic events may be considered. 12 different athletes will be selected for Paralympic Events wherever possible based on Performance standard.

Selection for World Championships will be based upon results at April Regatta. Selection will be over 2 races and finishing position will be recorded. The athletes will then be placed in order based on best position into a final selection position. When no clear winner is identified, a race off will occur as close to the selection regatta as possible.

e.g.

Example 1. Athlete A wins race 1. Athlete A wins race 2. Selected to World Championships

Example 2. Athlete A wins race 1. Athlete B wins race 2. Race-off between athletes A and B. Winner selected for World Championships

In the event of injury or illness, an athlete who is demonstrating a positive performance trajectory towards gold medal time and cannot compete at the April Regatta for World Championships selection may be given a race-off opportunity.

A 3rd placed boat may be selected ahead of a 2nd placed boat at the discretion of the B.C. International Panel. This situation will only take place if the 3rd placed boat has a competitive Rio trajectory and has not competed at the 2015 World Championships. This is for the purpose of fulfilling the IPC criteria of all athletes wishing to be considered for selection having to compete at either the 2015 or 2016 World Championships.

The programme holds the right to select athletes for non-Paralympic events based on the interest of enhanced Paralympic Games opportunities over and above selection position.

SECTION 5 – SELECTION FOR RIO 2016 PARALYMPIC GAMES

5.1 Paralympic Selection Criteria

To be considered for selection under this policy, at the time of the ICF Paracanoe World Championships 2015 an athlete must be eligible to represent ParalympicsGB under BPA and IPC rules, comply with current I.C.F. and National Paralympic Committee (N.P.C.) rules and be compliant with B.C. and UK Sport anti-doping rules. Detailed information on these can be found on the British Canoeing website:

They must be:

- A British passport holder at the time of the Paralympic Qualifying competitions in 2015 & 2016 and the Paralympic Games
- As a condition of selection, athletes will be obliged to sign the BPA Team Members' Agreement

Nominations will be made in accordance with the regulations stated in the BPA-British Canoeing Paralympic Qualifying Protocol (PQP) and this Policy.

Entry to the Paralympic Games 2016 (PG16) is subject to qualification rules as agreed between the International Canoe Federation (ICF) and the International Paralympic Committee (IPC).

The British Paralympic Canoe Sprint Team for the PG16 will be nominated by the BC Sprint International Panel (IP) to the British Paralympic Association (BPA) for their approval and final selection to the Great Britain Paralympic Team (Paralympics GB).

5.2 Paralympic Selection Policy

Selection for Paralympic Games will be based upon results at 2015 World Championships and June Regatta 2016. Selection will be based on a points system with the first athlete to 2 points being nominated to the BPA for Paralympic selection.

1 point will be awarded to any athlete that achieves a medal and qualifies the NPC slot for the event at the 2015 World Championships. Following the World Championships the following athletes have qualified the listed points towards Paralympic Selection:

KL3 Men – Rob Oliver – 1 Point

KL3 Women – Anne Dickins – 1 Point

KL2 Women – Emma Wiggs – 1 Point

KL1 Women – Jeanette Chippington – 1 Point

1 point will be awarded for winning the first race at the 2016 June Regatta.

1 point will be awarded for winning the second race at the 2016 June Regatta.

When no clear winner is identified, a race-off will occur as close to the selection regatta as possible. Only athletes with points will be entered into the race-off.

BRITISH CANOEING PARALYMPIC SELECTION POLICY

The first placed athlete in each Paralympic event in which an NPC slot has been qualified will be nominated to the I.P. The I.P. will then confirm their nominations to the BPA for Paralympic selection. The selection will be confirmed on the Final Selection Date (FSD). The FSD for Paracanoe will be Thursday 9th June. The second placed athlete in each event at either the June Regatta or following the Race-off will be named as Paralympic Reserve. Reserves can be named internationally by British Canoeing but BPA will not accept “nominations” for reserves. These athletes would only become recognised at the point of a deselection and new nomination being made.

For the Paralympic Games IPC rules state that there can be no changes made after the Delegation Registration Meeting (DRM) (normally held a day or two before the village opens).

SECTION 6 - GENERAL INFORMATION – APPLICABLE TO ALL G.B. TEAMS

Selection and De-selection

B.C reserves the right to deselect an athlete who has lost form, is suffering from illness or injury. In these circumstances the section coach will contact the Head Coach who will determine if a fitness trial is required. The Head Coach may request that the B.C medical officer or another appointee should conduct a fitness trial or test to determine ability to participate.

For the Paralympic Games the IPC rules state that there can be no changes made after the delegation registration meeting (DRM) which is normally held a day/2 days before the village opens.

6.1 Loss of Form or Illness

In the case of possible loss of form the Head Coach will arrange a water based test. The test will be appropriate for the conditions, periodization of training and the class. Following the fitness test the Head Coach will supply the IP with the results assessments against % GMT and any other supporting evidence to assess the level of performance. The IP will then determine whether the athlete will remain on the team. If the athlete is not fit to compete the IP will nominate the 2nd placed/Paralympic reserve athlete as a suitable replacement. This process can be applied to the 2nd placed/Paralympic reserve if required. In this situation the 3rd placed athlete from the selection process can be named and so on.

6.2 Disciplinary Offence under the BC Rules

B.C also has the right to deselect any athlete who has been found guilty of any disciplinary offence under the B.C rules. See athlete agreement and B.C. website.

6.3 Mitigating Circumstances

Should an athlete miss an event or suffer injury or illness the athlete in consultation with the section coach can ask the IP, with guidance by the Chief Medical Officer, to consider their mitigating circumstances. If this is illness or injury certificated detail must be given to the International Panel prior to the IP selection meeting no later than 24 hours before a British Canoeing selection race. In such a case the IP may allow the athlete a race-off opportunity. The IP has the sole discretion to invoke this clause. If mitigating circumstances are approved then details of the subsequent action would be provided.

The athlete must have an established consistent track record in training and racing performance that statistically demonstrates their performance above other athletes based upon performance analysis training data and other objective data such as ICF World Ranking for the previous period.

6.4 Contingency

The IP retains the right to adapt racing to ensure a fair process in line with the following principles and procedures.

BRITISH CANOEING PARALYMPIC SELECTION POLICY

The IP will have the responsibility to measure weather conditions and make necessary decisions relating to the timetabling of the event. Should local conditions threaten the planned racing then the IP reserve the right to amend the race format/schedule in any way necessary to complete fair racing.

Examples of such amendments could include:

- Early morning/evening racing
- Taking results from Semi Finals
- Reducing start intervals
- Changing location of racing

This is not an exhaustive list and all other options are also able to be considered to complete a fair selection series in accordance with the specific challenge(s) identified.

6.5 Appeals

An athlete may appeal against non-selection if the IP

- a) Do not adhere to the agreed format and timetable for selecting teams or
- b) Do not advise an athlete of changes to the competition programme.

Appeals against non-selection must be made within 24hrs of notification and should be sent to the B.C Chief Executive who will determine whether there are reasonable grounds for appeal. If there are reasonable grounds to appeal the Chairman will convene an appeals panel to consider within 7 days.

The B.C Appeals Policy was approved by the BC Board in 2007. A copy of this policy is available on the B.C website www.Britishcanoeing.org.uk. There is no appeal process for athletes deselected under 6.6 below.

6.6 Anti-doping

Athletes must be compliant with the B.C. anti-doping policy at all times. The BC anti-doping Policy can be viewed at:

<http://www.britishcanoeing.org.uk/olympic-paralympic/how-we-work/anti-doping>

Promotions (P) and demotions (D) are possible on 1000m, 500m, 200m and marathon results.

The handicap (HC) is the number of seconds longer that it takes to paddle the distance a zero paddler covers in one minute.

PLACID WATER RACING AWARDS

The awards are intended to recognise and encourage improvement in canoe and kayak racing performance. They can be attempted in any canoe or kayak, although the aim is to encourage the use of straight running craft in an individual's progression to modern racing boats.

The 500m Award is particularly useful to determine the appropriate level of entry for paddlers into Marathon and Sprint Racing.

Canoeing and the Environment:

Canoeing is an exciting, adventurous, competitive and recreational activity from which much of the enjoyment and adventure comes from the natural environment. Every canoeist must remember to respect all wildlife, and take care not to damage or destroy the environment, by observing the Canoeist's Code of Conduct.

Assessing:

Any Level of BCU Coach (in current membership) or BCU Affiliated Club Official may test candidates for the Placid Water Racing Awards. The awards are administered by the Home Nation Associations on submission of individual Placid Water Racing Award Pass Slips (available from the Home Nation Associations).

1) Time Trial Awards:

Type of boat: Any canoe or kayak

Aim: To introduce and encourage new paddlers to club based competition

The Time Trial Award can be tested over any distance from 2,000 to 10,000 metres. It is awarded on the basis of speed (minutes per 1,000 metres) and can be attempted in any type of canoe or kayak. The award is designed to be flexible; to suit whatever placid water is available. Testing can be organised as part of a fun race, a club handicap race or specially organised time trial.

Award	K1	K2	C1	C2
Blue	10	9	12	10
Bronze	9	8	11	9
Silver	8	7	10	8
Gold	7	6	9	7

(Maximum time in minutes per 1,000 metres)

2) 500m Sprint Awards:

Type of boat: Any canoe or kayak

Aim: To recognise and encourage improvement in racing performance and to determine the level of entry into BCU Sprint and Marathon competition.

PLACID WATER RACING AWARDS

Award	Kayak Men	Kayak Women	Canoe
Green	4.00	4.20	5.00
Blue	3.30	3.45	4.00
Bronze	3.05	3.20	3.20
Silver	2.45	3.00	3.00
Gold	2.30	2.45	2.45

(Time in minutes - single canoe / kayak)

As a guide for coaches, team leaders and paddlers wishing to place an entry for the first time in a Divisional Marathon Race and/or a club, local or regional Sprint Regatta, the following levels, using the 500m award, are suggested to ensure new paddlers race with paddlers of similar ability:

Award	Discipline	Kayak Men	Kayak Women	Canoe
Blue	Marathon	Div 9	Div 9	Div 9
Bronze	Marathon Sprint (local or regional event)	Div 8 Junior Men	Div 9 Junior Women Veteran Men	Div 9
Silver	Marathon Sprint (local or regional event)	Div 7	Div 8 Senior Women	Div 8 Junior Men Senior Men
Gold	Marathon Sprint (local or regional event)	Div 6 Senior Men	Div 7	Div 7

NB: Potential entrants for Sprint regattas should normally achieve their award in either a racing canoe in high kneeling position or racing kayak with a seat.

NB: Entry Levels for Sprint National Regattas, see 'Standards for Racing' chart page D1

3) Marathon and Half Marathon Awards:

Type of boat: Any canoe or kayak

Aim: To recognise and encourage improvement in Marathon racing performance

There are a number of races in the national calendar that provide a suitable venue for testing these awards. The standards may be adjusted to take account of courses slightly longer than the award distance, flow and portages (allow three minutes per portage).

COACHING THE COMPETITION DISCIPLINES

Developing your coaching skills through British Canoeing courses

The Coaching Scheme has various pathways enabling both paddlers (boat based) and non-paddlers (bank based) to become Competition Coaches.

The entry level to the Coaching Scheme is at Level 1. This can be accessed by anyone with a minimum number of pre-requisites.

Level 1

A Level 1 Coach is classed as an 'Assistant Coach' whose role is to assist a higher level coach, or work a little more autonomously with some extra criteria in place. They are trained to deliver single sessions to individuals or groups in sheltered water conditions.

If you wish to enter the Coaching Scheme as a 'Boat Based Coach', then you will need the 2 Star Paddlesport Award or the Paddle Power Discover Award or higher, together with completion of a 'Boat-based' Foundation Safety and Rescue Training Course. The 2 Star is an award that has to be taken in Canoe and Kayak; however the choice of boat that is used for each of these is entirely the candidates. If you want to use your C1 or K1 for the canoe or kayak aspects of the course, you are entitled to do so.

If you wish to enter as a 'Bank-Based Coach' then you only need to complete a 'Bank-based' Foundation Safety and Rescue Training Course.

The Foundation Safety and Rescue Course may be included in a Level 1 training course by adding an extra day, or it could be attended prior to the Level 1 Training Course.

The Level 1 Course is conducted over 4 days. The course may be modulated over weekends, evenings or during the week over a longer period of time. This flexibility suits the Clubs where volunteer time is at a premium and they do not wish to give up their time with their paddlers.

Assessment is during the course, with a number of tasks being performed and continual feedback given by the course tutors. The course is generic in nature with opportunity to explore different methods of coaching in and to a variety of craft; canoes and kayaks; singles and crew boats. Again, you can use the craft you regularly paddle and coach from for the majority of the course.

Discipline Support Module (DSM) for Marathon or Sprint

Any level of Coach can attend a one-day DSM course. These are available in both Sprint and Marathon and focus on the basic aspects involved in coaching, particularly forward paddling technique in canoe and kayak. It is designed to give the Coach an initial understanding of Sprint and Marathon Coaching. Dates for the Modules can be found on the British Canoeing Coaching Pages here <http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#discipline-support-modules>

APL

In some instances aspirant coaches may have prior experience that may enable them to enter the Coaching Awards programme at a higher level.

COACHING THE COMPETITION DISCIPLINES

If you feel you have experience that can be accredited as prior experience, then refer to the Accredited Prior Learning (APL) Policy: <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/accredited-prior-learning>

Supporting Modules

To help the coach with their personal development and to start the process of moving on to qualify for level 2, there are a number of Foundation Modules and Intermediate Modules available as supporting units. Details of these can be found at <http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#foundation-modules> and www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#intermediate-modules

Level 2

The Level 2 Coach can work autonomously. They are trained to deliver a series of linked sessions to individuals or groups on sheltered water.

This level is also designed for both boat based and bank based coaches. The pre-requisites are a 3 Star Award (or equivalency, see below) along with the Foundation Safety and Rescue Training. The training and assessment days are separate at Level 2. Training is held over a 4-day period or an equivalent number of hours. Assessment is conducted after a number of coaching hours are logged and supporting module sessions attended. Assessment will be coaching in both canoe and kayak disciplines.

Together with a Discipline Support Module, this is the ideal award for a coach working at club level under direction of a more senior Club Coach.

The Strength and Conditioning Foundation Module has now been developed and is available for clubs or groups of clubs to access. This course is aimed at the coach who wishes to commence Strength and Conditioning work at the club without having to rely on expensive equipment or hiring sports halls or gyms.

For those within or have been in the ranking system in Sprint or Marathon can claim an 'equivalency' rather than have to complete a 3 Star course and/or assessment. The equivalents are as follows.

Sprint

5 Star	Senior National Team; Adult 'A' Ranking
4 Star	Junior National Team; Adult 'B' Ranking
3 Star	Adult 'C' Ranking or Junior 'A' or 'B' Ranking

Marathon

5 Star	Senior National Team, Division 1 (Men); Division 3 (Women and C1); sub 18 hours DW Time (Men) Sub 20 hours DW Time (Women)
4 Star	Junior National Team; Divisions 2,3 (Men); Divisions 4 (Women and C1); sub 19 hours DW Time (Men); Sub 21 Hours DW Time (women)
3 Star	Divisions 4,5,6 (Men); Divisions 5,6 (Women)

Fuller details of these are on the British Canoeing web site at:

Level 3

Level 3 Coaches are discipline specific. Level 3 Coaches are trained to oversee an annual programme for paddlers and coaches under their direction. It is the ideal qualification for those coaches who have a lead coaching role within a club.

Level 3 Coach can be boat based or bank based. They would need appropriate qualifications or experience required to fulfil the conditions to become a boat based coach.

The Level 3 Course consists of a 3-day (or equivalent) Generic Core, this is followed by 3 Intermediate Supporting Modules and then a 2 day Discipline Specific Course. Then various assessment tasks have to be fulfilled over a 12 month period. The assessment process involves two parts, one in the training environment and one at a competition environment with the coach's own long term athletes.

For information on the Level 3 programme please contact:

russell.smith@britishcanoeing.org.uk

CPD (Continuous Professional Development) for coaches is available to club coaches to further their existing knowledge, ideas and understanding.

Information on coaching opportunities and supporting modules can be found on coaching pages of the British Canoeing website <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/coach-update-scheme>

First Aid Requirements

The requirements relating to First Aid qualifications and the different coaching levels held can be found at: <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/coach-update-scheme>

Levels 1 and 2 Coaches are required to have 1 day qualification and Level 3 Coaches have a 2-day qualification. The time to renew is at the natural expiry date of the award already held, so any Level 3 Coach who took their First Aid Award prior to 1st January 2012 does not have to take a 2-day course until it is due for renewal.

MARATHON RACING

Chairman's Foreword - 2016

Recent statistics prepared for British Canoeing confirm the appetite competitors have for Marathon racing here in the UK. Our participation numbers, in excess of 13,000 during 2015 (excluding UK athletes competing at internationals) are a tremendous success story and one that we must continue to build upon.

We have continued to try to improve what we, as your elected committee, deliver. We aim for improvement at all levels, from the highest ranked at the Worlds and major Internationals, to those starting out in division 9.

Making racing fun and fair is important and we will further strengthen our resolve for fair and consistent starting procedures during the coming year. We have recently announced K2 racing rule changes that we believe will further enhance doubles racing and numbers taking part. We hope that it will also encourage, once again, more experienced athletes to race with those up and coming, an ideal way to pass on valuable experience.

We continue to try to find new venues for our major events and we hope that the success of Banbury and Falcon's new Hasler venue at Wolvercote might encourage other clubs to look for new waters and opportunities. We have been encouraged also to see new regional marathons emerge, such as Gloucester.

We have fought hard to ensure that development trips continue despite financial pressures, as we believe they give invaluable experiences to our youngsters who one day will compete at international level and fight for places on podiums.

The website has been improved further still and I hope that you have read the regular news items that appear, especially those reporting on the successes we had at early season World Cup events and then the Worlds - despite the fierce competition that emerged, especially from the host nation.

Financial pressures remain as they do in most sports. To build upon the quality and delivery of events we need to generate more funds to run our sport, not only for high profile events but also the marathon races that take place, hosted by clubs, each and every weekend. As a result we have suggested a revision of the levy for Juniors and a move toward a maximum race entry fee of a more realistic £10 per seat for Seniors. The intention is that extra funds raised will go directly back into the organisation of the event, and increase professionalism, delivered by all.

Finally we see some new faces on the committee for 2016 and some long standing retirements. A big thank you to those moving on for all the hard work you have put in.

MARATHON RACING

PART A: RULES FOR COMPETITION

General Rules Applying to All Races

1) DEFINITION

A marathon race can be raced over any distance: usually between 3km and 200km. All competitors must race the correct course as determined by the race organiser, must go round all turn buoys and must exit and enter the water at a portage within the designated areas.

2) BEHAVIOUR

- a) Canoeing is a non contact sport and competitors shall race in a fair manner.
- b) When a canoe or kayak is overtaking another canoe or kayak it is the duty of the overtaking craft to keep clear of other competitors at all times.
- c) When a canoe or kayak is racing in a group of competitors it is the duty of all the competitors in the group to keep clear of other competitors at all times. This rule applies to any manoeuvring within the group.
- d) All paddlers will wear appropriate clothing when racing. This is a minimum of singlet and shorts. These should preferably be in club racing colours.

3) THE RACING STRUCTURE

- a) The marathon racing system has been designed to encourage all levels of competitor from the raw beginner to top class internationals. There are five categories of race: -
- b) **GROUP A** - These races will appear in the Racing Handbook calendar and/or the calendar published on the MRC website. For these races the race levy must be paid and competitors must be British Canoeing, Canoe England, WCA, SCA or CANI comprehensive members (see Rule 13).
 - i) Divisional races registered by the Marathon Committee. Promotions will be calculated by the HRM program for these races, with input from the Rankings Officer.
 - ii) Races and time trials registered by the Marathon Committee but not in the divisional system such as stage marathons, descents, Royal K1, Richmond K2, Thameside etc.
 - iii) The National Championships.
 - iv) Promotions between divisions may take place based on the results of all group A races.
- c) **GROUP B**
 - i) Those races in the regions and at clubs that do not appear in the calendar. These will include handicap and fun marathons. No promotions will take place at these races. Clubs are encouraged to hold handicap races throughout the year as an introduction to competing in the divisional system. These should be over a 3-10km course with handicaps based on age, experience and type of boat.
- d) **GROUP C**
 - i) All Lightning and Junior K2 races forming part of the Geoff Sanders Trophy or held at Regional Hasler events, the National Marathon Championships or the Hasler Final registered by the Marathon Racing Committee – see rules 49-58. For these races:
 - (1) All competitors must be British Canoeing, Canoe England, WCA, SCA or CANI comprehensive members.
 - (2) No race levy will be payable.

4) CLUB MEMBERSHIP

The racing year shall be from 1st September of any year to 31st August of the following year. When a competitor is a member of more than one club, he shall declare before 1st September to the Race Records Officer of the Marathon Committee the name of the club for whom he will race the following racing year. When a competitor changes his club in mid season, he is permitted to compete for his new club, instead of his old, provided that prior consent of the old club is obtained. This consent shall not be withheld unreasonably, particularly in the case of a change of residence from one area to another. The agreed change must be advised to the Race Records Officer in writing before points can be allocated to the new club in club competitions.

5) SAFETY

a) Competitor responsibility

- i) Competitors must render their boats sufficiently buoyant to remain afloat and to support the crew in the event of capsizing. Buoyancy must be fixed in the boat reasonably sufficiently to satisfy rule 27 of the ICF Marathon Rules which states that: 'Each boat must carry sufficient buoyancy, either in the construction of the boat or fixed subsequently, to keep the boat floating level when filled with water.' British Canoeing Marathon Committee rules interpretation of this is that inherent buoyancy provided

MARATHON RACING

by 'Vac-bag' or 'sandwich' construction is not alone sufficient and must be supplemented by adequate fixed additional flotation material or by the provision of sealed bulkheads.

ii) Competitors must be able to swim adequately in the waters on which the race is being held.

iii) On open water adequate spray covers must be worn.

iv) All paddlers are required to render assistance to other competitors in distress.

v) The wearing of life jackets or buoyancy aids is compulsory for all paddlers ranked in divisions 7, 8 and 9 irrespective of the race they are entered in. This applies to singles and doubles races.

vi) Life jackets must comply with either the European Standard 'EN393 or 395 or the International Standard 'ISO 12402'.

b) Team Leader responsibility

i) Team Leaders should decide if paddlers in the higher divisions should wear life jackets or buoyancy aids.

c) Race Organiser responsibility

i) Race organisers may require life jackets or buoyancy aids and spray covers to be worn and will have the FINAL say as to who should wear them (except where this is covered by rule 5a(v)) depending on weather and water conditions. Such equipment must be provided by the competitors.

ii) The penalty for infringing any safety rule is disqualification from the race.

Canoeing and Kayaking in all its forms is an 'Assumed Risk – Water Contact' sport.

6) DISCIPLINE

Marathon racing is subject to British Canoeing Marathon Racing Committee Disciplinary Regulations and to British Canoeing Disciplinary Code. See <http://canoeracing.org.uk/marathon/index.php/disciplinary-matters/> and "Dispute Resolution Policy" <http://www.bcu.org.uk/resources-and-policies/policies/>. These apply to all BC Marathon races.

For the avoidance of doubt, any complaint that an individual member of British Canoeing (competitor or non-competitor) has behaved in a manner described in clause 1.1 of the Disciplinary Regulations shall in the first instance, where possible, be lodged with the Race Protest Committee in the manner described in Marathon Racing Rule 18(g) (i) and (ii). The Protest Committee shall determine what action, if any, shall be taken. If the Protest Committee decides that the complaint should be referred to the Marathon Committee, the race organiser shall report the matter to the Secretary within three working days. The Marathon Committee will consider the matter in accordance with the Disciplinary Regulations.

Race Organisers should note the powers in clause 2.1 of the Procedures to apply immediate discipline where members or competitors have displayed violent or unreasonable behaviour.

7) ANTI-DOPING

Marathon racing is subject to the ICF and UK Anti-Doping Rules See <http://www.gbcanoeing.org.uk/gbc/index.cfm/about/anti-doping/>

8) BROKEN PADDLES / BOAT

9) WASH HANGING

Competitors must not hang on the washes of powered craft.

10) ASSISTANCE TO COMPETITORS

A competitor may receive food and drink during a race. Competitors with a disability may receive assistance at portages, but no other assistance unless permitted before the race by the organiser.

11) BOAT DESIGNS

Any type of canoe or kayak can be used.

Kayaks shall be propelled solely by means of double bladed paddles.

Canoes shall be propelled solely by means of single bladed paddles.

The paddles must not be attached to the boat in any way, being supported only by the hands.

For GROUP A races boats must comply with the ICF regulations as detailed below:-

single kayak	max length520cm (unless it is a recognised surf ski design)
double kayak	max length650cm
single canoe	max length520cm

12) BRITISH CANOEING MEMBERSHIP

- a) All competitors in GROUP A and Group C races must be COMPREHENSIVE British Canoeing, Canoe England, WCA, SCA or CANI members. Membership numbers must be quoted on entries and results and a valid membership card or photocopy **must** be produced at race check in. Juniors ranked in divisions 7, 8 & 9 and Lightning competitors who are members of clubs with registered junior sections, should produce their registered junior section card instead.
- b) At all Regional Hasler events:
 - i) All competitors in divisions 1 to 6 must produce a valid membership card or photocopy at race check in. A competitor who has not raced before may buy an Event Ticket, but only one Event Ticket per season.

Any competitor unable to do so will be required to buy an Event Ticket but only one Event Ticket purchase is allowed per season.
 - iii) Race results may be checked for valid membership. Club points will be deducted and the race shall not be counted as a Hasler qualifying race where:
 - (1) Any competitor is found subsequently to have competed without a valid up-to-date membership, or
 - (2) A competitor in divisions 7, 8 and 9 is found to have bought more than one Event Ticket per season.
- c) At National Championships all competitors in divisions 1 to 9 must produce a valid membership card or photocopy at race check in or when entries are made. A competitor who has not raced before may buy an Event Ticket, but only one Event Ticket per season. A competitor claiming to have membership but unable to provide evidence may also purchase an Event Ticket.
- d) Upon promotion to Division 6 there is a period of grace of 4 weeks during which a junior, racing with a registered junior section card, must become an individual comprehensive member of British Canoeing/Canoe England/WCA/SCA/CANI.

13) RACE LEVY SCHEME

At all GROUP A races, published in the Racing Handbook and/or the calendar published on the MRC website, there will be a race levy of £2.00 for each senior and veteran paddler by age, as recognized by their British Canoeing, Canoe England, WCA, SCA or CANI membership, and £2.00 for each junior paddler by age, as recognized by their membership. The levy to be charged on all paddlers checked in irrespective of whether they start or finish the race. The change to the Junior Race levy is effective from 14th March 2016. The race levy for all categories of races is to be remitted by the Race Organiser to the Treasurer **within 7 days of the race**. Cheques should be made payable to "BC Marathon Racing Committee" and sent to David Enoch, 102 Bingham Road, Radcliffe-on-Trent, Nottingham NG12 2GT.

Those clubs wishing to pay the levy by electronic transfer should remit to
Barclays Bank Sort Code:20-63-25 Account No: 73066665
Account name BC Marathon Racing Committee.

When making electronic transfers please also email David Enoch with the race name and amount of levy to david.enoch2@btopenworld.com

14) RACE REGISTRATION

The organiser of a GROUP A race must apply to the Calendar Organiser for that race to be registered. This must be done by the autumn of the year preceding the event. The event must be organised and run under the Marathon Racing Rules. Registered races may advertise through British Canoeing and may appeal through the Marathon Committee in cases of dispute or difficulty. Refer to British Canoeing Disciplinary Code at <http://canoeracing.org.uk/marathon/index.php/disciplinary-matters/>

The registration fee will be the race levy described in rule 13 and the organiser must comply with the requirements of rule 18.

15) BOAT NUMBERING

At all GROUP A races competitors shall number their boat in the following manner. Paddlers racing in divisions 1-8 **must** display vertical number plates secured to the boat number holder with a pin or clip.

From 1st January 2016 ALL numbering of vertical boards will be on both sides of the board and numbered in one of two acceptable formats:

MARATHON RACING

- a) digital style format numbering, created from **black** insulating tape, no less than 12mm wide. The digits should be formed from small strips of tape in 50mm and 100mm lengths to make up the numbers. The number **must** be presented on an **OPAQUE WHITE** number board measuring **150mm** in height and **280mm** in length, with rounded top corners. Hand written crayon and felt tip pen numbering is not acceptable.
- b) **Alternatively** an **OPAQUE WHITE** number board measuring **150mm** in height and **200mm** in length, **PRE-PRINTED** and issued by the event organiser is also acceptable.

Race organisers will be able to refuse entry to a race where these rules are not complied with. Yellow number boards will **not** be acceptable.

Paddlers ranked in Division 9, Lightning, club and fun race paddlers may alternatively use 225mm diameter white discs which should be displayed on fore and aft decks or as directed by the organiser. **Any paddler not displaying a number plate at the start of any race, or whose number is not clearly legible, will not score club points.** If the number becomes detached from the boat, it is the paddler's responsibility to make sure the marshals and finish judges know their number to ensure inclusion in the results.

16) FINISHES

A competitor is deemed to have finished a race when the bow of the canoe or kayak has crossed the finishing line on the water with the competitor(s) in it.

17) ASSESSMENT RACES

The Marathon Committee will co-ordinate with race organisers to determine assessment race venues and the dates will be shown in the Racing Handbook. At these races, assessment classes may be separated from other race classes and may be run over the same or different courses.

18) ORGANISATION OF GROUP A RACES

- a) Clubs hosting races **must** be affiliated to British Canoeing.
- b) The race shall be open to canoeists who are members of an ICF affiliated federation.
- c) The race shall be properly advertised and the organisers shall issue adequate instructions on request, up to one month before the event, to prospective competitors or interested group leaders.
- d) In the event of circumstances which render it impossible or unsafe to run the race as planned, the Race Organiser shall take all reasonable steps to inform the competitors and supporters at the earliest possible moment.
- e) Race Organisers shall charge an entry fee for each competitor to include the levy cost. This fee may be reduced for juniors and augmented for late entries.
- f) Changes of class/division and late entries shall be permitted if the organiser so wishes. Information regarding late entries and class/division changes should be available to competitors at least 30 minutes before the start time of the class/division concerned.
- g) The Race Organiser shall provide a Protest Committee consisting of three officials or members of the organising body to hear and settle all protests by any competitor in that event. The following rules will be observed:-
 - i) The protests must be received within 30 minutes of completion of the relevant race and before the announcement of the final results. Failure to observe this will invalidate the protest.
 - ii) The protest must be in writing to the Race Organiser and must give full details of the alleged infringement of the rules.
 - iii) The Protest Committee must meet immediately to hear all the evidence and to consider the protest's validity in accordance with British Canoeing and Marathon Racing Rules.
- h) A protest against an organising body may only be dealt with by the Marathon Committee. Any such protest must be made within 3 working days in writing to the Secretary of the Marathon Committee and give full details of the alleged infringement of the rules. The person making the protest must also inform the secretary of the club or body concerned within 3 working days. Failure to comply with these conditions will invalidate the protest.
- i) Appeals against the decision of the Protest Committee are permitted and these will be heard by the Marathon Committee.
- j) Within 2 working days of the race the results are to be emailed to the Rankings Officer, the Race Records Officer, the Regional Marathon Advisor and to marathon-results@canoeracing.org.uk, so that promotions can be ratified and the results uploaded onto the marathon website. See Useful Addresses page F3.
- k) **Within 7 days of the race** the Race Organiser must remit the race levy together with the race results in accordance with rule 13.

MARATHON RACING

19) ORGANISATION OF GROUP B RACES

- a) For these races competitors do not have to be British Canoeing, Canoe England, WCA, SCA or CANI members, there is no levy and no requirement to submit results to the race records officer. Race advertising, entry fees and classes are at the discretion of the organiser. The formal requirements to register club membership and for protest procedures are not necessary.
- b) Rules 1, 2, 5, 6, 7, 8, 9, 10, and 11 shall apply to all GROUP B races.

Rules Applying to Regional Divisional Hasler Races

20) Regional divisional Hasler races are GROUP A races and all of rules 1 -18 above shall apply.

21) REGIONS

The regions are determined by the Marathon Racing Committee for England plus Scotland East, Scotland West, and Wales. Each region will run its own league championships throughout the year and will decide how many results are to be counted by clubs. It is hoped that eventually there will be enough races in each region for clubs to count their best 8 or 9 results from the total number of races.

22) THE DIVISIONAL SYSTEM

- a) Entry into the divisional system should be based on the standards detailed in the "Standards for Racing" (page D1).
- b) Club coaches are responsible for ensuring the ranking status of their paddlers and where necessary to ensure they are re-ranked appropriately.
- c) The divisional system is arranged into nine separate singles divisions 1-9 and seven separate doubles divisions numbered 2, 4, 5, 6, 7, 8 and 9. Race Organisers must offer the following races at all events except where varied as agreed with the Regional Hasler Adviser.
 - i) A division 2 doubles race over 20 km.
 - ii) Singles races for each of divisions 1 to 9.
 - iii) Doubles races for each of divisions 4 to 9
- d) Each year a divisional list will be published in the Racing Handbook for singles divisions 1-8. These lists are checked and any paddler not having competed for two successive seasons is removed from the lists. Each autumn clubs are asked to submit a list of the paddlers who will not be active for the coming season and where appropriate, to amend a draft of the proposed divisional lists.

23) THE HASLER TROPHY

The Hasler Trophy is the National Team League Championships and is competed for throughout the season on a regional basis. The Hasler season is defined by the races designated 'H' in the Racing Calendar of this Handbook. Races relating to the following season are designated 'H2017'.

24) TYPES OF COURSE

Whilst there will be some variations due to local conditions and types of course available, the normal distances will be:-

Div.1, 2 & 3 Singles and 2 Doubles

Full senior course of about 20km with any degree of severity.

Div.4, 5 & 6 Singles and 4, 5 and 6 Doubles

Course of about 13km which may include portages and/or weir shoots.

Div.7, 8 & 9 Singles and Doubles

Course of about 6.5km with the minimum practical hazards.

25) COMPETITORS

- a) Each club will be allowed as many competitors as it wishes.
- b) A paddler can only compete in one race in a qualifying event.

26) SEPARATE STARTS

Each quorate race of six or more starters must be started separately. Two or more quorate races of less than six starters (i.e. with 3 or 4 or 5 starters) may be started together but for all other purposes are treated as separate races.

27) SYSTEM FOR AMALGAMATION DUE TO LOW ENTRIES

If there are fewer than three entries in a division then the organiser must transfer those entries to another division to make a quorate race of three or more paddlers. Where possible they should be transferred to a race of the same distance so that paddlers race their normal course. Where there is a choice, transfer to a lower division is preferable to transfer to a higher division.

There is no handicap or allowance on transfer to another division.

MARATHON RACING

28) COMPETING IN A CREW BOAT

When competing in doubles events the competition ranking shall normally be an average of the individual paddlers' rankings (all halves rounded down). For example: division 3 paddler and division 4 paddler average 3 (ignoring the half), race in 3/4.

Paddlers ranked in division 1, 2 or 3 must race over the 20km course.

All paddlers competing in crew boats must show their singles ranking on the entry form and these rankings must be shown on the results.

29) SPECIAL PRIZES

Race organisers are encouraged to give prizes for special groups of paddlers e.g. first under 16, first C1. In particular they are strongly recommended to give a prize for the first woman in each division and for the highest placed TC2. This kind of encouragement is particularly important in the divisional system.

30) POINTS

- a) In regional races only those clubs within the region will score points. Paddlers from other regions will not be taken into account when calculating points except that their time will be used for the 110% calculations if they are the fastest boats not promoted.
- b) To be included for points, clubs must be affiliated to British Canoeing.
- c) All competitors in both singles and doubles **must** show their singles ranking at race check-in. Competitors not doing so will not score points in the regional competition and may not count the race as eligibility to compete in the final.
- d) **Only competitors racing in their club colours will score points.**
- e) The points system will be as follows.
 - i) Divisions 1-9 in singles and doubles will count for points.
 - ii) Points will be awarded to each paddler in both singles and doubles - 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points to all paddlers who finish within 110% of the time of the fastest boat not promoted in a singles race and within 110% of the winners' time in a doubles race. One point only will be awarded for paddlers who finish outside the 110% limit irrespective of their position. This to apply to all races except division 9 singles and doubles which will receive 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points for all paddlers who finish.
 - iii) Transferred paddlers racing in a different division under the provisions of rule 27 will count for Hasler points but their times will not be used for the 110% calculations.
 - iv) Paddlers in a separate assessment race at a Regional Hasler event will not score Hasler points.
 - v) Each club will count its twelve best scoring paddlers from any divisions in any combination of K1/C1/K2 or C2. Doubles boats can be counted even if some of these boats contain just one paddler who is eligible for Hasler points for a particular club.
 - vi) At each event the club with the highest score will get 10 regional points in the regional competition, 9 for 2nd and so on.

31) RACE RESULTS

Race Organisers must report their results using the HRM computer program. Race Organisers are encouraged to use the HRM program at the race to complete entries and calculate results at the meeting. If this is not practicable, results must be recorded later onto the HRM for reporting to the MRC in compliance with rules 18 j) and k).

32) PROMOTIONS

- a) Promotions between the divisions throughout the season will be based on the table "Standards for Racing" ("the Table") [See page D1 of 2016 Racing Handbook]. Column HC of the Table assumes a World Champion takes 60 seconds to paddle a given course and ranks paddlers in singles divisions from 1 to 9 based on the number of additional seconds it would take for competitors to cover that same course. P/D Factor expresses these same times as factors. For example, a top ranking paddler in division 7 would be expected to take 90 seconds giving a P/D Factor of 1.5.
- b) Promotions will be calculated on the following principles on the basis of singles results subject to the other provisions of this rule 32;
 - Divs.1, 2 There are no automatic promotions to divisions 1 and 2. Suggested promotions will be shown on the results, but the Rankings Officer in consultation with the Regional Marathon Adviser must ratify these.
 - Divs 3, 4 and 5 Promotions to divisions 3, 4 and 5 will be calculated by taking the times at each race of the mid-placed paddler in divisions 4, 5 and 6 divided by the Mean Factor for each of these three divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 3, 4, and 5 to give the times for promotion to divisions 5 and above.

MARATHON RACING

Divs 6, 7 and 8 Promotions to divisions 6, 7, and 8 will be calculated by taking the times of the mid-placed paddler in divisions 7 and 8 divided by the Mean Factor for each of these two divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 6, 7 and 8 to give the times for promotion to divisions 8 and above.
[The above is an outline description of the promotion process. The detailed bases for calculations are available by post or email from the Secretary, Marathon Racing Committee]

- c) Promotions may take place on either singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and promotions made under Rule 32(j) where considered appropriate.
- d) Status in canoe will not affect status in kayak and vice versa.
- e) No automatic promotions will be made under Rule 32 (b) where there are fewer than 5 starters in any race. However, the Ranking Officer in consultation with the Regional Marathon Adviser may amend or dispense with this limit if persistently low numbers in a division are clearly preventing the promotion system from operating as intended.
- f) Promotions are not limited to one division. For example, a division 9 paddler with a time faster than that required for promotion to division 7, would be promoted straight to division 7. However, it is the responsibility of the Team Leader, coach and/or the individual to try as accurately as possible to enter a new paddler into the correct division for his/her ability. Accordingly, those paddlers promoted more than one division will forfeit Hasler points from that race.
- g) Where the HRM computer results system is used at a race, automatic promotions will be shown on the race results and take immediate effect. The only exceptions are those for division 1 and 2, which must first be ratified by the Rankings Officer. All promotions (automatic and others) will be confirmed on the race results posted on the marathon website. It is the responsibility of paddlers and coaches to check these and ensure they are implemented with immediate effect.
- h) Once promoted, paddlers **must** race in their correct division, or higher division, except under the provisions of rules 27 and 28. Any competitor found racing in a lower division, singles or doubles, except under the provisions of rules 27 and 28, may be disqualified from the event and be banned from the next three Hasler races in the competitor's region. The exception is for promotions awarded at races held at the beginning of a new racing season and before the Hasler Final held in that year. These promotions will not apply at the Hasler Final of the current season but will apply to all other races. (E.g. A div. 6 paddler promoted to div. 5 in September 2015 at a race designated as H2016 can still race in div. 6 at the 2015 Hasler Final but must race in div. 5 at all other races.)
- i) All paddlers, both from within the region and from other regions are eligible for promotions. The only exceptions are paddlers transferred from another division under rule 27 (system for amalgamation due to low entries).
- j) The Marathon Committee has discretion to promote or to withhold promotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

33) DEMOTIONS

- a) Divs. 1, 2 and 3 Demotions from Divisions 1, 2 and 3 will be made by the Rankings Officer in consultation with the Regional Marathon Adviser.
- b) Divs. 4 to 9 Application for demotion from Divisions 4 to 8 may be made to the Regional Marathon Adviser by the club coach. The Regional Marathon Adviser shall confirm his decision in writing to the club coach and to the Race Records Officer after agreeing this with the Rankings Officer.
- c) Demotions will be limited to one division.
- d) Demotions may be based on singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and demotions made under Rule 33h) where considered appropriate.
- e) Status in canoe will not affect status in kayak and vice versa.
- f) Once demoted paddlers may nonetheless choose to race in any higher division, except under the provisions of rules 27 or 28. Paddlers competing in the Hasler Final shall race in the division according to their ranking status at the close of the prior season (normally 31 August). Thus demotions awarded in the new racing season immediately prior to the Hasler Final will not apply at that Hasler Final.
- g) All paddlers, both from within the region and from other regions are eligible for demotions. The only exceptions are paddlers transferred from another division under rule 27 (system for amalgamation due to low entries).
- h) The Marathon Committee has discretion to demote or to withhold demotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

- b) Qualifying events are regional Hasler races and all assessment races for that season. This does not include races designated for the following Hasler season. Also a paddler may count completing a National Championships race on one or both days as **one** qualifying race. The previous Hasler Final does **not** count as a qualifying race.
- c) The qualification must be in the same type of boat (i.e. canoe or kayak).
- d) Paddlers are only eligible to paddle in a singles race at the Hasler Final if they have completed 3 qualifying events in singles. The exceptions in rule 36(a) apply equally in this rule.
- e) A paddler can only compete in one race at the final.
- f) The Regional Marathon Adviser will check the eligibility of paddlers from his region for the final. This will include holding current British Canoeing, or equivalent, membership. 57) RACING IN THE HASLER COMPETITION

Rules applying to the 5K Series

59) THE SERIES

The Series was introduced in 2010 and the main objectives are:

- b) Larger groups to teach paddlers to race effectively in groups.
- c) Minimum administration.
- d) Minimum number of classes.

- b) These races fall under rule 3)b)ii) 'Races and time trials approved by the Marathon Committee but not in the divisional system'.

62) RACE LEVY/BC MEMBERSHIP

- a) The race levy must be paid. The levy will apply to the event, not the number of races a paddler competes in on that day.
- b) Entrants must be comprehensive members of British Canoeing or junior members of a club with a registered youth section.
- c) Membership must be confirmed with entry or at time of booking in.

- c) The course can be on any kind of water, but bear in mind the basic objective of teaching paddlers to race in large groups. Therefore, wherever possible, there should be as large an expanse of water as possible.
- d) The recommended race day is Saturday, although this is not compulsory.

MARATHON RACING

64) CATEGORIES

- a) There will be the following categories: senior men, senior women, junior men, junior women, veteran men and veteran women.
- b) All categories will be able to compete in the following craft: K1, K2, C1 and C2.
- c) There will be two sets of starts for singles and doubles, to allow all paddlers to enter both races should they so wish.
- d) To achieve mass starts four starts are recommended:
In the first set of starts -
 1. Junior, senior and veteran men K1;
 2. Junior, senior and veteran women K1 plus C1;
In the second set of starts -
 3. Junior, senior and veteran men K2;
 4. Junior, senior and veteran women K2 plus C2.

The Race Organiser has discretion either to split starts into smaller groups or to combine starts where it is considered the numbers of competitors or the nature of the course make this appropriate.

65) RANKINGS

- a) Results including times will be sent to Sue Hawthorn to enable her to compile a rankings list on a time-elapsed basis, initially for K1.
- b) The ranking list will be updated and published on the marathon website as soon as possible after an event.
- c) The top ranking paddler in each category will receive a trophy provided by the MRC at the end of each season. The season will be the same as the Hasler season.

PART B: THE STARTING OF ASSESSMENT RACES, NATIONAL CHAMPIONSHIPS RACES AND HASLER FINALS RACES

There is a necessity to maintain the standard of starting at assessment races and major championships. The following will apply to all assessment races, to all races at the National Championships and to all races at the Hasler Finals.

1) REQUIREMENTS

- a) The start line should be clearly defined on both banks.
- b) A clearly defined marshalling line must be established behind the start line.
- c) The race must be started by a person drawn from the approved starters list, who will have an experienced assistant.
- d) The marshalling line should be controlled by at least two experienced officials.
- e) The above should all be equipped with PA equipment or loud hailers that it is the responsibility of the race organiser to provide.

2) STARTING PROCEDURE

- a) The starter shall ensure all craft are lined up on the starting line as stationary as possible for the water conditions. When the starter is satisfied the line(s) is correctly positioned he/she shall give the signal to start by a shot, starting horn or the word 'go'.
- b) If a competitor commences paddling or attempts to start before any instruction to do so, he/she has made a false start.
- c) A competitor who crosses the line before the starter's start signal shall also be deemed to have made a false start.
- d) Refusing to obey the starter's instructions will also constitute an unfair start.
- e) A competitor who attempts a false or unfair start will be warned a maximum of two times. A third offence will result in the imposition of a two-minute penalty. A further offence by the same competitor will result in disqualification from the event. The disqualified paddler must leave the water immediately.

3) APPROVED STARTERS LIST

4) STARTERS' ADVISORY NOTES

In starting ANY race the following advisory notes should be applied by the race organiser and starter to achieve consistency.

The start of any race is critical and **fairness and consistency** are our aim. It is therefore highly important that you carry out procedures and endeavour to ensure everybody has a fair start.

The rules that will apply for major competition are laid out below. They can and should equally apply to ANY race. Once competitors who push the line or jump the start realise that that will get a 2-minute penalty, or be disqualified and asked to leave the start line, they will start to comply with your instructions.

Our aim is to make these rules the standard to which **every race** organiser works.

Some important points come from these rules, which should be noted and applied, on all starts:

If you control the boats at a no more than 'walking pace' as they come up to the line, then it is more likely you will control them on the line.

Make sure that your 'marshalling line' is not too close to the actual start line.

Do not 'hold' paddlers on the start line for too long - this will merely result in them 'pushing' it. Bring them very slowly up to the line and start the race quickly when there.

If the majority of boats advance over the line - the only way to bring them back is to get them ALL to paddle round and start again.

Do not penalise those who comply with your instructions and are on the line by starting the race when others are clearly in front of the line. Bring the non-compliant paddlers back round. Be prepared to warn twice and then penalise with a 2-minute penalty or disqualify.

Refer to boats by their numbers or by the club colours not by the paddlers name and be prepared to record – or have an assistant record – any penalties given by boat number.

If you issue a penalty it must apply – it cannot then be ignored or withdrawn. If you disqualify a paddler do not start the race until he/she has removed himself from the line and from the water. It is not permitted for the disqualified paddler to paddle round with the other racers.

Do not tell paddlers that there is '1 minute to go' and then start them before a full minute has elapsed. Be consistent, if you say you will not start them for 2 minutes make sure it is a full two minutes before you do start them.

Have a whistle ready to blow if there is a false start and you are recalling the whole race. Make sure that the paddlers know that is what a whistle means: STOP, there has been a total false start, come back to the line.

If you have paddlers 'hanging back' well behind the actual start line give them the opportunity **once** to come up to the line. If they are unwilling to do so after being asked, then concentrate on the front line to retain control and accept that those behind the line are more comfortable in the 'second line' position.

You are within your rights as the starter of an event to 'warn' coaches and spectators who are blatantly trying to encourage their paddlers to ignore your instructions and 'push' the start. Do not be afraid to do so.

BY BEING CONSISTENT AT ALL RACES AND ACROSS ALL STARTS PADDLERS WILL LEARN WHAT IS EXPECTED OF THEM.

PART C: RECOMMENDATIONS

These recommendations are to help clubs run well-organised races. You should not attempt to run a race without having attended others first.

1) ADVANCE INFORMATION

Advance information should at least contain the following details.

- a) Name, date and status of the race.
- b) Name of the organising body.
- c) Closing date for entries and whether or not late entries will be accepted.
- d) Person to whom entries and enquiries should be sent, with address, phone number and email.

MARATHON RACING

- e) Entry fees and to whom these should be payable.
- f) An entry form asking for full details of competitors, though entries using the HRM system should be encouraged.
- g) Locations of start and finish, and directions for getting to these places.
- h) Check-in, briefing and start times.
- i) Brief description of the course.
- j) Any special regulations that competitors should be aware of before they arrive.
- k) Any major changes since last year.

2) SAFETY

Safety measures are largely at the discretion of the organiser, since courses and conditions vary considerably. All paddlers ranked in Divisions 7, 8 and 9 or competing in Lightning and fun races must wear a buoyancy aid [Rules 5 (a)(v) and 56 (a)]. Make sure you have adequate safety cover for all Lightning races. On the open sea it is wise to insist on buoyancy aids for all. On open water, rescue boats are very important. Ensure that no one is stranded or lost halfway round the course; it is important to account for all competitors. On calm water it is usually sufficient to have a back marker paddling the course. **All Race organisers should prepare a Risk Assessment well ahead of their event and put in hand appropriate safety measures.**

3) BRIEFING AND CONTROL

- a) Deliver a briefing shortly before the race. Explain the starting procedure; starting order; describe any special features and hazards of the race course and emphasise any special regulations.
- b) Check that all boats are numbered clearly. It is the competitor's responsibility to number his boat, but it does make the finishers' job easier if number plates are legible. Provide large permanent marker pens at check-in.
- c) Use the starting order listed in Section 4.
- d) Make sure the course is clearly marked at all points where there could be doubt. Position marshals at turning points to check against a start list. Have clearly identifiable marshals at portages and shoots. The marshals should keep the passage clear for competitors, keep spectators and competitors off forbidden land and report any misdemeanours to race control. A marshal's directions should override any prior instructions.

4) STARTING ORDER

- a) The start order of the various classes or divisions can have a significant effect on the race results. The general principle is to start the fastest classes first and the slowest classes last. This minimises the chance of fast boats paddling through slower classes, picking up stragglers on the wash and dragging them back to the class leaders.
- b) The following is the recommended start order. Not all these classes will necessarily run at any one race.

Division 1 K2	Division 3 K1	Division 6 K1
Division 2 K2	Division 5 K2	Division 8 K2
Division 1 K1	Division 4 K1	Division 7 K1
Division 3/4 K2	Division 6 K2	Division 9 K2
Division 2 K1	Division 5 K1	Division 8 K1
Division 4 K2	Division 7 K2	Division 9 K1

5) STARTING

- a) Ensure that the paddlers can hear your instructions clearly.
- b) Ensure your start position is such that you can see the boat numbers and if necessary have a helper as a spotter.
- c) You or your helper should have a pen/paper to write down any number warnings and penalties.
- d) If the paddlers do not obey instructions then the rule must be followed with appropriate penalties.
- e) In the event of a false start use a whistle to recall the paddlers. The use of the whistle should be included in pre-race briefing.
- f) Try to ensure the paddlers approach the line very slowly.
- g) An upstream start is preferable if possible.
- h) If you make a requirement or statement as to what you are going to do, do not back down or change it under paddler or time pressure.
- i) Record accurate start times for all races – these will be needed for the HRM program.

MARATHON RACING

6) TURNS

- a) Clearly mark all turns. Use a buoy or buoys at each turn. Make sure these are clearly distinguishable. A clear description and location of the turn buoys must be given at the briefing.
- b) All turns should be properly marshalled. Each turn marshal should have a list of the race numbers that started and be responsible for checking that each boat properly completes the turn. A list of boats that did not complete the turn and a written report of the incidents at the turn must be provided promptly to the race control.

7) FINISHING & RESULTS

- a) Have a clearly marked finishing line. Signify a crossing of the line audibly by bell, whistle or hooter.
- b) Have a reliable, readable clock and a back-up in case of malfunction.
- c) Have a shelter in case it rains.
- d) **Recording the finishing times and positions is the most important job you will do.**
- e) **Prepare in advance with numbered sheets. Have spare pens/pencils.**
- f) Record the number and order of every boat as it passes the finishing line. Two tried and tested methods are:
 - (i) Have lined sheets, marked into two columns with one person writing the boat numbers and another the finish time. If possible have a third person calling out the finishing times. Number all finish pages to avoid confusion, OR
 - (ii) Have a team of three. Two work together, one calling boat numbers whilst the other records the number and time. The third person works independently recording the numbers in finishing order.**We do not recommend having the times written on one set of sheets and the numbers separately written on another set and then trying to match these together.**
- g) A further fail-safe is to have a tape recorder at the finish line. Give the recorder to one of the finish team and tell them to 'talk' every boat over the line, giving number and time.
- h) At all Hasler events you must use the Hasler Race Management computer program (HRM) to produce your results. If possible use the HRM at the race. This will automatically calculate the elapsed time and finishing order of all boats, all singles promotions and the Hasler points. The results will be produced in the format required by the Race Records Officer. The HRM is designed for Hasler races and can be downloaded from the Marathon Canoeing website. If you want any help with the HRM please contact your Regional Adviser.
- i) Whether using the HRM or a manual system, have someone indoors to produce the results. Arrange a system for displaying the results as soon as you know them. Errors can be queried before prize giving. Hold the prize giving as soon as possible.

8) AFTER THE EVENT

- a) After the event is over the final result sheet needs to be produced. Keep all manual start and finish sheets as back-up.
- b) If you have run a Hasler event you must return your results using the HRM. This automatically produces the results in the correct format.
- c) Send results by email to the Rankings Officer, the Regional Marathon Advisor, the Race Records Officer and to marathon-results@canoeracing.org.uk within 2 working days so that promotions can be ratified and the results can be uploaded onto the marathon website. For all addresses, see page F3.
- d) . The race levy should be sent to the Marathon Racing Committee treasurer. See rule 13. Levy to be remitted within 7 days.
- e) Send Event Ticket money to British Canoeing HQ, Nottingham together with the name, post code etc. of those who have paid for an event ticket, on the form provided by British Canoeing.

PART D: VENUE AND ORGANISATIONAL CRITERIA FOR THE NATIONAL CHAMPIONSHIPS AND THE HASLER FINALS

The Marathon Committee will look to the following ideal criteria when considering applications for the hosting of the National Championships and the Hasler Finals. Any club wishing to host the National Championships or the Hasler Finals will be expected to make a short presentation to the Annual Consultative Meeting or to the Marathon Committee outlining their proposals for the course and organisation to meet these criteria.

1) THE COURSE

- a) The course should be wide enough at the start to provide a fair start for all paddlers. It should also be wide enough throughout its length for competitors to overtake and pass each other in opposite directions.
- b) The course should be capable of being paddled in an understern rudder boat.

MARATHON RACING

- c) Portages should allow a minimum of 12 metres at the 'get out' and 'get in' points. Portages should not be of excessive number or length.
- d) Access to portage areas for spectators should be good with adequate parking, or pool transport should be provided.
- e) The course should be reasonably accessible for spectator viewing.
- f) There should not be too many other conflicting water users.

2) ORGANISATION

- a) The organising club(s) should have a proven track record in organising normal Divisional marathons.
- b) The venue should have good access by road and not be too far for the majority of paddlers to travel.
- c) There should be adequate camping facilities nearby, particularly for the two day National Championships.
- d) There should be adequate parking at the start and finish.
- e) There should be adequate covered checking-in and refreshment areas at the start and finish and a results display area.
- f) There should be adequate toilet facilities at the start and finish areas.
- g) There should be an adequate PA system at the start, briefing and prize giving areas.
- h) There should be adequate First Aid cover in appropriate areas.
- i) The starting of all races is to be as the procedure set out in PART C.
- j) There should be a computerised results facility capable of showing class results and team scores immediately after the races.
- k) Prizes at the National Championships will be the official BC National Marathon Championship medals and Divisional medals.
- l) Prizes at the Hasler Finals will be the official BC Hasler Finals medals.

PART E: BRITISH CANOEING MEMBERSHIP AND EVENT TICKETS

All seniors and veterans must be full members of British Canoeing if they wish to race in a Marathon event that has been advertised in the Calendar. Juniors who are ranked in division 6 or above must also hold individual comprehensive British Canoeing youth membership.

A junior club member need not be a full member of British Canoeing in order to race in the lower divisions (7,8 & 9) of the Marathon racing system or in the other 2 categories of marathon races. He / she must, however, be a member of a club with a registered junior section and the number used for his or her identification will be the club's affiliation number followed by the paddler's own individual club number. However, the club abbreviation followed by the paddler's club number is easier and preferred by the Records Officer, both for identification and ease of recording. i.e. LIN/005, CHE/017. Note that event tickets are also required for Lightning paddlers who are neither British Canoeing members nor a member of a club with a registered junior section but the Event Ticket is issued to Lightning paddlers without charge.

Any junior promoted into a higher division (6 & upwards) must then become a full member of British Canoeing.

Race Organisers MUST still check that a competitor's membership is current either by photocopy of the membership card with the entry or by seeing the card on the day of the race.

If the card is unavailable or forgotten the paddler must purchase an "Event Ticket" as a "stop gap" but only once per season. The records officer carries out a check on event ticket issue for all race results and those paddlers abusing this system will be penalised.

The system is as follows:

1. The tickets are for use by non-members at the entry level only of National Competitions requiring membership e.g. Divisional Racing.
2. For use at a British Canoeing event when the organiser believes a participant may be a member but the member cannot provide proof by way of a membership card.
3. Event organisers charge the current rate set by British Canoeing, which will be sent to British Canoeing HQ, Nottingham within 7 working days of the event.
4. Event Ticket fees are not refundable.
5. The overall consideration is to encourage, in the best possible way, membership of the Country's Governing Body for Canoe sport.

MARATHON RACING – THE HASLER TROPHY

The story behind the Hasler Trophy

One of the most daring raids of World War Two took place on the night of 11th December 1942 in the enemy-occupied port of Bordeaux in France. Operation Frankton involved 12 men in six canoes being taken by submarine to a position 10 miles south of the Gironde estuary on 7th December. One of the canoes was ripped passing through the hatch of the submarine, but the other five then had an 85 mile paddle ahead of them. Two boats were lost in the tidal race and the remaining three carried on for three days, paddling in darkness and lying up during the day. One more boat hit a submerged rock and sank and the final two boats went on to Bordeaux harbour, where they attached their limpet mines and, assisted by the ebb tide, paddled silently back down the river. The mines detonated and severely damaged four vessels and sunk one. The four remaining men beached before reaching the sea, scuttled their canoes and travelled overland to try to reach safety. Two were captured, but Major 'Blondie' Hasler and Marine Bill Sparks made their way to Spain – the only two of the original ten who survived. Hasler was awarded the DSO and Sparks the DSM.

After the war, Hasler went on to found the Single Handed Transatlantic Yacht race after a bet with his friend Francis Chichester. The Hasler Trophy was presented by Lloyds Underwriters to commemorate the raid of the so-called 'Cockleshell Heroes' and has been competed for since 1957. Major Hasler died in 1987 and Bill Sparks died on 30th November 2002, only ten days short of the sixtieth anniversary of the raid. In 2003 the Marathon Committee decided to inaugurate a new trophy named in honour of Bill Sparks, which goes to the highest placed veteran K2 in the highest division at the Hasler Final.

INTERNATIONAL MARATHONS

Prior to 1982 major international competition comprised the Grand Prix series of two or three races per year. In 1982 World Cups were introduced every year as the premier international event in addition to one or two Grand Prix.

From 1988 World Championships were introduced in alternate (even) years with World Cups remaining in alternate (odd) years. One or two Grand Prix races continued every year.

From 1995 European Championships were introduced in alternate (odd) years. From 1998 World Championships were held every year, the old World Cups (in alternate odd years) ceased and the Grand Prix races were renamed as World Cups.

In 2001 Junior World Championships were introduced every year.

From 2014 European Championships were held every year.

INTERNATIONAL MARATHONS

SELECTION POLICY FOR GREAT BRITAIN REPRESENTATIVE TEAMS

Objectives

- 1 To win medals at World, European Championships and World Cup events.
- 2 To maintain a position as a top nation in international competition.
- 3 To ensure the long-term athlete development required for international success.

This policy may be amended or supplemented by the British Canoeing Marathon Racing Committee at its discretion in order to achieve the above objectives to cover exceptional circumstances. Every effort will be made to ensure as much notice as possible is given to all persons affected by any change.

Process of Selection

- 1) Each year, the ICF publish an International Calendar from which a programme of International Events to be attended is selected. Due regard is given to the Objectives and to budgets. Some events may be designated "Development". The programme is specified in the Racing Handbook.
- 2) The basic team composition for each event will be detailed in the Racing Handbook. Changes may be necessary to suit all the factors affecting team size and budgets.
- 3) The selection of Great Britain teams for **all** main internationals will be made on a **continuous assessment, open-to-all basis**. The composition of the team for each event will depend entirely on paddlers being, and proving that they are, of sufficiently high standard.

(The system of **continuous assessment** as opposed to one of 'first past the post' at a nominated selection event has been in operation for several years and has operated very well. It allows the selectors to consider an athlete who has underperformed in any one race. This could be due to illness or equipment failure. It also means that consideration can be given to improving athletes who may not be winning but show potential for the future.)

Teams will be selected from the results of assessment races and current season internationals, as detailed in the Racing Handbook, on the basis of their ability to fulfil the Objectives above.

In exceptional circumstances, the Selection Committee may consider international results from previous seasons even where the athlete has no assessment race or international results from the current season.

- 4) All athletes seeking selection should race in the Assessment class corresponding to the category for which they are seeking international selection unless otherwise instructed by the Selection Committee. The Selection Committee reserve the right to disregard results gained by athletes racing in the wrong class.
- 5) Athletes wishing to be considered for International Events must comply with the following conditions.
 - a) They must be Comprehensive British Canoeing members throughout the year.

INTERNATIONAL MARATHONS

- b) Having due regard to their availability for selection and their preferred programme, they should apply by completing the Availability Form and returning it by the dates specified in the Racing Handbook.
 - c) They should be prepared to meet all assembly costs and pay a contribution towards subsistence costs, as detailed in the Racing Handbook.
 - d) They should be prepared to travel and be accommodated in the best interest of the team.
 - e) They must be prepared to accept the Team Manager's and Team Coach's direction with regard to training and racing while abroad.
 - f) They must be prepared to dress and conduct themselves in a manner befitting a British Team representative, and promote the good name of British canoeing both at home and abroad.
 - g) They should be prepared to give support to Sport UK, Sport England and the Lottery in promotional aspects, in return for the Grant Aid received.
 - h) They should wear the GB tracksuit and team clothing provided, on all suitable occasions.
 - i) They should compete in the appropriate Assessment events.
- 6) The principles guiding the Selection Committee will be as follows. The best team available to represent Great Britain will be selected having regard to the following.
- a) Winning medals at World & European Championships and World Cup events.
 - b) Gaining National Team points.
 - c) Experience enhancement and development potential commensurate with the level of the Competition.
 - d) Available budget for an event that supports the overall Marathon programme.
- 7) British Canoeing Marathon Racing Selection Committee shall consist of the following:
- a) The Chairman of Selectors, appointed by British Canoeing Marathon Racing Committee, who will Chair all selection meetings.
 - b) Up to 5 other members nominated by British Canoeing MRC.
 - c) The Marathon Team Manager(s) for the event(s) are invited to attend the selection meetings.

Selectors are required to make every effort to attend all Domestic Assessment events, to ensure that a true and accurate assessment of current abilities can be made.

2016 INTERNATIONAL PROGRAMME

The Committee will provide as full a programme as possible in 2016, but this is subject to the funding we receive. The intended programme for the year is set out below, but it must be understood that the events supported and the sizes of the teams may change depending upon funding.
