PADDLE-ABILITY

Paddle-Ability is the term used by British Canoeing to describe all Paddlesport activity for disabled people. The term focuses on a person's ability to take part in Paddlesport rather than their disability. British Canoeing encourages and supports anyone with any disability or impairment to participate in competition in specific Paddle-Ability events and mainstream competition. Specific Paddle-Ability events are held at National Regattas in Nottingham from April to September. Racing is based on ability (in time bands).

Entries must be submitted, in advance, with other club entries via the Club Team Leaders. If your club does not already have an appointed team leader please contact

paddle-ability@britishcanoeing.org.uk

Entrants may have an escort boat to provide support to the starting posts; limited support is also permitted during races. Escort paddlers will be expected to wear yellow escort bibs.

The current Paddle-Ability events available are:

- K1: 200m, 500m
- K2: 200m, 500m
- V1: 200m, 500m

PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

British Canoeing is committed to ensuring that all children and vulnerable adults enjoy Paddlesport in a safe environment in which they are protected from any form of poor practice or abuse. We continue to work towards and maintain the standards set for sport and to implement the requirements set within government guidelines and legislation.

Everyone in Paddlesport has a responsibility to help safeguard and protect those involved in the sport. Sometimes this can be a daunting prospect and to support everyone involved in our sport British Canoeing and the Home Nations have developed a range of policies, procedures and guidance. These can be found on www.britishcanoeing.org.uk and each Home Nation website. We ask that that club Secretaries/Welfare Officers know where to find the information and make sure it is shared and discussed at club executive and general meetings.

The procedures stem from the following principles:

- The child's welfare is paramount
- Anyone under the age of 18 is classed as a child
- All children and adults, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
- To respect and promote the rights, wishes and feelings of young people in line with the UN Convention on the Rights of the Child
- Coaches, clubs and centres need to be provided with advice to raise awareness of best practice, guidance and support should they become involved in an abuse situation.

Safeguarding Support Officer - While the welfare of young people and adults at risk is the first consideration, British Canoeing recognise that coaches, volunteers and helpers may also require support if an allegation is made against them. In these cases individuals should contact the British Canoeing Safeguarding Support Officer whose role is to listen, support, help and provide advice (contact details below). They will not be involved in the case and will be completely independent of the investigation.

Event Management - Event organisers should take note that there is a requirement to provide a Welfare Officer at all events where children are participating. For further details refer to the guidance sheets on the website – Paddlesafe Events.

Good Practice Guidelines

By following these guidelines you will help to protect both the children and adults at risk in our sport and our coaches/helpers from wrongful allegations.

- Avoid situations where you are alone with one child/an adult at risk. British Canoeing acknowledges that occasionally there may be no alternative, for example, where a child/adult at risk falls ill and has to be taken home. We would stress, however, that one to one contact must not be allowed to occur on a regular basis.
- If any form of physical support is required ask the paddler's permission, explain what you are doing and why to both the child/adult at risk and their parents/carers.
- Where possible, ask parents/carers to be responsible for children/adult at risk in changing rooms. Always ensure that whoever supervises young people/adults at risk work in pairs.
- Where there are mixed teams/groups away from home, they should always be accompanied by an adult male and female coach/helper.
- Don't allow physically rough or sexually provocative games, or inappropriate talking or touching.

PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

- Ensure that any claims of abuse by a child/adult at risk are taken seriously and that it is dealt with by people who know what to do.
- Ensure that the nature and intensity of training does not exceed the capacity of a child's/adult at risks immature growing body and ability.
- Follow the British Canoeing guidelines for photography and video use (see Guidelines for use of Photographic and Filming Equipment)

Ensure your club adheres to British Canoeing best practice guidelines and requirements with particular reference to:

- The British Canoeing Code of Ethics.
- The British Canoeing Safeguarding Children Policy and Safeguarding Adults Policy.
- Safe recruitment and vetting practices including appropriate Disclosure checks, where eligible, in accordance with home nation and government guidelines.
- Individuals undertake safeguarding training when working with children and vulnerable groups.
- Club Welfare Officers attend specific training to support their role- Safeguarding and Protecting Children and Time to Listen workshop.
- Publicise your Club/ Event Welfare Officer contact details.
- Publicise the NSPCC Child Protection Helpline.

SPRINT RACING – CHAIRMAN'S FOREWORD

This year has seen the highlights of the Rio Games with wonderful racing from our GB team. Medals from all sections were won to show that the team has moved up in the International rankings to our highest position yet.

Canoe Sprint

Gold Medal	Liam Heath	Men's K1 - 200m
Silver Medal	Liam Heath & Jon Schofield	Men's K2 - 200m

Paracanoe

Gold Medal	Jeanette Chippington	Women's KL1
Gold Medal	Emma Wiggs	Women's KL2
Gold Medal	Anne Dickens	Women's KL3
Bronze Medal	Ian Marsden	Men's KL1
Bronze Medal	Nick Beighton	Men's KL2

Canoe Slalom

Gold Medal	Joe Clarke	Men's K1
Silver Medal	David Florence & Richard Hounslow	Men's C2

Special congratulations must go to all these medal winners and particularly the Para medalists, 5 medals from 6 events must be a record that deserves mention.

It was notable that two of our international officials were in demand for the games and both Cathy Wynne and Peter Moule receive our thanks for their work.

On the domestic front Cathy Wynne should get another medal for the work she has done this year in supporting the creaking computer system that underpins the National Regattas at HPP. The amount of work for each regatta this year has meant more than full time work for her and the regatta team headed by John Hoile. A new more up to date and efficient system should be in place for the April regatta 2017 with a sigh of relief for all concerned.

That we are able to put in this new system is in no small part due to Trevor Kirkham with his expertise in this field pointing the SRC in the right direction.

Our regatta officials produce a high standard of regatta every time and their service should not be taken for granted being volunteers, every one of them.

British Canoeing is embarking on a period of development change and the SRC have already prepared their timing plans and objectives to support and be supported by the BC overall plan. A key element of this is a closer and more harmonious relationship with the Performance Department that should see an increased standard all round.

The importance of more regattas is seen as an essential part of Sprint development and it was disappointing not to see more paddlers at the London Regatta this year. Those who did race there will confirm that the venue provided another good regatta. More regional regattas are needed and the use of South Carney Lakes is in negotiation, hopefully to add to the available courses. This is just north of Swindon and we will be sending out more details as soon as they become fixed.

Support from all the SRC members has been great this year and we look forward to next season with eager anticipation.

- 24.2 Canadian Canoes shall be propelled solely by means of single-bladed paddles.
- 24.3 The paddles may not be fixed on the boat in any way.

25. Start

- 25.1 Competitors shall be on the water at the starting area, not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line.
Two minutes before the defined starting time the competing boats have to take the lane determined in the programme.
- 25.2 Competitors shall be at the starting area in time to allow satisfactory preparation for the start.
- 25.5.1 The start shall be given without reference to absentees.
- 25.5.2 If the competitor does not start, and has no valid reason approved by the Competition Committee; they shall be disqualified for the whole regatta, (International Competitions); they shall be awarded Penalty Points, (National Competitions). A competitor, who arrives too late at the start, shall be considered to have voluntarily withdrawn and shall be disqualified/awarded penalty points under this rule.
- 25.6 When signalled by the Starter, the competitor will take the start position designated so that the bow of the boat is on the start line. In case of an automatic starting system the competitor will place himself/herself so that the bow of the boat is on the start line and thus in the start machine. When all boats are properly aligned, the aligner will then raise a white flag.

BRITISH CANOEING SPRINT RACING COMPETITION RULES

- 25.7 If the Starter is not satisfied with the line-up he/she will call "STOP", and hand over to the Aligner for repositioning.
- 25.8 The starting command will be "Ready – Set – Go" ("Go" can be a shot or strong signal). At the "Ready" command the competitors begin their preparation to paddle. At the "Set" command the competitors place their paddle in the catch position. The competitor must not paddle forward or this action will be deemed to be a false Start. The boat must not move forward at this point in the starting procedure. The Starter when satisfied with the competitors positioning and attention will say "Go" (or shot or powerful sound). The competitors must only react to the start command/signal "Go" and are not permitted to anticipate it. The competitors can paddle only upon hearing the starting signal/command "Go".
- 25.9 In the event of a false start, the Starter must immediately give a powerful sound signal. On hearing this signal all competitors must stop paddling and follow the Starter's instructions for a new start. Before the new start, the Starter must identify the offending crew/s making the false start and give them a warning. In the event of a second false start by the same crew the boat will be disqualified from the race and must leave the starting area and the course immediately.
- 25.10 The Starter may also recall competitors for a new start in the event of any unforeseen circumstance – a malfunction of the starting equipment for example. In such a case the same powerful sound signal must be given. If a malfunction of the starting equipment was caused through a boat making a false start, as in 25.9 the crew must be given a warning, as in 25.10, even though that boat may not have crossed the start line. If the malfunction was not the cause of any competitor making a false start, no penalty shall be imposed.
- 25.11 The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any disqualification and forward it to the Chief Official.
- 25.12 In the long distance races the starter shall declare "START WITHIN ONE MINUTE" when he is satisfied he will give the starting signal by a shot or a short powerful sound. The Starter will start the race when he/she is satisfied that everything meets with his/her approval. He/she will make a written report on any disqualification and forward it to the Chief Official.
26. **Paddling on the Course**
- 26.1 In races up to 1000 metres, competitors must keep the whole of their boat within the four-metre wide central area of their lane from the start to the finish of the course. Upon any deviation, the boat must go back immediately to this central area of the lane. No boat must come nearer than five metres in any direction to the boat of another competitor – that is, gunwale to gunwale or bow to stern.
- 26.2 If a boat leaves the centre of the lane and does not return to it, the boat may be disqualified from the event.
- 26.3 A boat which leaves its allocated lane must be disqualified from the event.

BRITISH CANOEING SPRINT RACING COMPETITION RULES

- 28.3 A competitor will not be disqualified for touching a turning buoy, unless, in the opinion of the Turning Point Umpires, an advantage has been gained there from. In making a turn, the boat shall follow as closely as possible the course as marked by the buoys at the turning points.
- 28.4 If there is a capsized competitor or crew is eliminated from the race if he/she or they are not able to get in the boat without outside help.
- 28.5 Any competitor who is responsible for a collision or who damages the canoe or kayak or paddle of another can be disqualified and can be required to pay damages.

- 28.8 Lapped boats
- Lapped boats are disqualified and they should leave the course immediately (International Competitions).
29. **Finish**
- 29.1 The boat has finished the race when its bow crosses the finish line with all crew members in it. The Finish Line Judges will determine the result of the competition based on the order of the boats arriving according to the rules.
- 29.2 If two or more boats reach the finishing line at the same time they are awarded the same classification in the final. In the case of a dead heat finish for any position, which determines the advance to the next level of the competition the following rules will apply:
- Wherever there are sufficient number of lanes available in the next level of the competitions, drawing of lots will determine to which race each boat will advance. If possible it may use also lane number 10.
 - Wherever there are not enough lanes available there will be a re-race between the boats involved 30 minutes after the race (and for International Competitions after the last race of the day, or half day programme)
 - In the case of a dead heat in the re-race, drawing of lots will determine the outcome.
30. **Tasks of Competitors after the Race**
- 30.1 The competitor must leave the course after the finish of the race and cannot disturb the next race.
- 30.2 The crews selected by the Competition Committee for boat control must immediately contact the place allocated for the post-race boat control.
- 30.3 If selected for doping control, the competitor must comply with the obligations stipulated by the BC Anti-Doping policy.
- 30.4 Before the award ceremony the top three crews of the final must be present at the location and time indicated.
- 30.5 At National Championships, competitors must wear club, team/squad Racing Colours or Tracksuit at the award ceremony.

- 31.4 No crew may be accompanied along and adjacent to the racecourse by other boats while the race is in progress.
- 31.5 No crew may receive assistance by using objects thrown into the course.
Any of the above infractions will result in the disqualification of the competitor(s) concerned.

BRITISH CANOEING SPRINT RACING COMPETITION RULES

- 31.6 All disqualifications by the Competition Committee may be confirmed in writing with the reasons. The Team Leader has to acknowledge the receipt on a copy with the exact time, which is the start of the protest time.
Failure to deliver the copy confirmation of the disqualification to the team leader does not invalidate the disqualification.
- 31.7 The Competition Committee may discipline any competitor or Official whose behaviour is detrimental to the good order and conduct of the competition. The Competition Committee may after repeated action by the offender disqualify him/her for that competition.

32 Protests

- 32.1 A protest against a crew to compete in a race shall be advised to a member of the Competition Committee not later than one hour before the start of the race. Notes to the British Canoeing Sprint Racing Competition Rules

Races Exceeding 1,000 Metres at the National Water Sports Centre Nottingham, Rules 21.4 and 21.5

Because of limitations at the National Water Sports Centre - mainly the start pontoon being fixed for the Start of two 5000 metre and one 2500 metre events - it is not possible to comply with the Rule and provide the three courses required. The 2nd leg under the Rule is 47.75 metres too long. The requirements given in the Rule are those of the ICF, which the BC must shadow in its own Rules.

Long Distance Courses at the National Water Sports Centre, approved by the SRC

To provide flexibility there are four turning points with the start and finish of the turns as follows:

1. 10 metres beyond the finish line
2. 450 metres from the finish line
3. 1123 metres from the finish line
4. 1796 metres from the finish line.

NATIONAL SPRINT REGATTAS 2017

Guidelines for entry to National Sprint Regattas.

See page D1 in the Handbook for the 'Standards for Racing' chart for entry level times to race at National Sprint Regattas. All the ability classes shown together in a band have the same fastest and slowest standard times and/or HCs. The times between indicate how the times might change depending on the Handicap applied to allow for the weather conditions.

Minimum Time Standards are monitored; **Penalty Points will be awarded** for not achieving the minimum times (allowance will be made for the prevailing weather conditions).

The Sprint Registration Scheme is unique database for sprint clubs and paddler.

All paddlers must have achieved the BC 2 Star or Paddlepower Discovery qualification or have **paddling competency** equivalent to these awards.

Competitors **must be current members of a National Federation. (i.e. British Canoeing, or WCA SCA, CANI)**. The only exceptions are BC Mini Sprint or Junior D paddlers who are members of BC affiliated club with a registered junior section. The number used for these juniors will be the club's affiliation number followed by their own club paddler number. When juniors are promoted, to division 'C' or above, they must become a member of the British Canoeing. **Team Leaders will need to update the on-line Paddler Registration database with the juniors new BC number within a month of the promotion or further regatta entries will not be accepted.**

A Coach or Sprint Team Leader will be able to register paddlers on-line via
<http://canoesprint.britishcanoeing.org.uk>

National Regatta Entries are made on-line via <http://canoesprint.britishcanoeing.org.uk>

Only Registered Paddlers can compete in a British Canoeing National Sprint Regatta.

Please note, Paddler Registrations will close a week before the deadline for regatta entries.

Information on how Clubs' Team Leaders can make on-line entries will be found via <http://canoeracing.org.uk/sprint/national-regattas/>

National Entries must conform with British Canoeing Sprint Racing Competition Rules (pages A4 –A22) and National Regatta Conditions/Terms of Participation (pages B9 – B14) See also Team Leaders' Responsibilities page B8 and Notes for Canoe classes on page

- f) The chart 'Standards for Racing' on page D1 demonstrates the way in which the subdivision bands are made according to speed. The ability classes shown together in a band have the same fastest and slowest standard times. British Canoeing Sprint Regatta “Liability” Statement

Canoeing and Kayaking are assumed-risk water-contact sports. Participation in these sports carries an inherent risk of injury to competitors and damage to property. Participants should be aware of the risks involved in these sports and are responsible for their own actions and their involvement in these sports. **In all cases competitors compete entirely at their own risk.**

The Regatta Organisation, the Sprint Racing Committee and British Canoeing exclude liability for any loss or damage that may occur to competitors or property during participation in canoeing and kayaking to the fullest extent permitted by law.

All competitors must be current members of British Canoeing except for juniors ranked in ‘Girls D’ or ‘Boys D’ and ‘Lightning A’ or ‘Lightning B’ who are members of BC affiliated clubs with a registered junior section. Regatta Entries are accepted on the basis that each competitor and Parent / Guardian of a junior is aware of and has accepted the above conditions. Team Leaders are to ensure that all of their club competitors are aware of and accept the above statements.

In the event of unsuitable weather conditions the organisers may at their discretion cancel or postpone a race(s), or insist on the wearing of buoyancy aids. INTER-CLUB NATIONAL COMPETITION

The MacGregor Paddle Challenge

John MacGregor M.A., Trinity College, Cambridge; (1825-1892) Barrister-at-Law, Captain of the Royal Canoe Club, through his extremely popular books and magazine articles from 1865 to 1892, practically invented the sport of canoeing (or kayaking).

The beginning of recreational canoeing can be traced directly to an Englishman, called John MacGregor, in the middle of the nineteenth century. He was a man with a penchant for boat design and exploration, who developed his craft based on the Eskimo Kayak, which he named *Rob Roy*. He took the boat on long journeys along the rivers and across the lakes of Europe, lecturing and writing about his travels as he went. His tales attracted quite a following and soon there were many kayaks in Great Britain based on his kayak design that is still referred to as a *Rob Roy*.

Canoes are the larger category under which kayaks fall: while all kayaks are canoes, not all canoes are kayaks. Paddlers in kayaks sit with their legs stretched out in front of them and canoeists generally paddle from a kneeling position. Most canoes are open hulled; while kayaks have covered decks. Canoe paddles are typically single bladed, while kayak paddles are double ended.

Some might say these differences occur because of the type of water available, but a look at the evolution of British canoeing culture during the past one hundred and twenty years would suggest that the major changes are due to those who have written and taught, coupled with the availability of canoes or kayaks.

The first period from 1865 evolved from the founder of British canoeing, John MacGregor. His book, *A Thousand Miles in the Rob Roy Canoe*, fired the imagination of the Victorians. The '*Rob Roy*' was a stable kayak, went in a straight line and had a large cockpit. Made of wood, it was easy to handle and a boat in which any beginner would have felt safe. In this period, wooden canoes were imported and were used for family outings and touring, the limitation to the growth was the cost of the wooden craft.

The second period from the 1930s to the 1950s is identified with the wooden frame and canvas kayaks and the start of the BCU Coaching Scheme. Percy Blandford wrote books and produced a host of designs for the Scout movement, which brought canoeing to a much wider number of people. The low cost, make-it-yourself PBK (Percy Blandford Kayak) designs, were, like the '*Rob Roy*', stable, went in a straight line, and had large cockpits. The British Canoeing Coaching Scheme was started in the 1950s by John Dudderidge. The original proficiency tests were designed around the use of the open cockpit straight-line kayak.

The third period, which had a massive impact on both the expansion and the change in direction of British canoeing culture started around the early 1960s, when in 1962, the BCU appointed its first Director of Coaching, Oliver Cock, giving added drive to what was to become a very powerful teaching scheme. For various reasons, the Coaching Scheme became more and more interested in rough water canoeing. At the same time, glass reinforced plastic became available. Moulds were produced for the home builder and the designs reflected the interest in rough water. Thousands of kayaks were produced with rockered hulls and small cockpits. By 1980, the Coaching Scheme had 3,000 members almost all teaching in the close fitting cockpit kayak. So powerful had that culture become that, if the word 'canoeing' is mentioned to almost anyone in Britain, their immediate image would be that of a young man or woman strapped into a kayak, wearing a crash helmet and wetsuit, performing turns and rolls on rapidly moving rivers. This was a great image for the adventurous teenager but daunting for many others who might wish to paddle. Indeed, a far, far cry from the canoeing of MacGregor.

MacGregor spent part of his youth in Halifax, Nova Scotia, where his father was stationed in the 1830s in a fort. He may have picked up some canoeing experience there.

INTER-CLUB NATIONAL COMPETITION

Reading his books one notices he carried in his canoe a number of religious tracts (in a movement called "Muscular Christianity") written in the local language and was always ready to hand them out. He did not travel on Sundays, but did lecture on his travels and gave much of the profits to charities, especially to boys in the inner cities.

He published accounts of several other canoe cruises, including one to Scandinavia and another to Jordan and Egypt. The appendix to that book gives some construction details for his canoe designs.

His wooden split paddles were presented to Royal Canoe Club in 1959. Subsequently these were used as the trophy at the BCU National Inter-Club Sprint Racing Regatta, being first presented in 1977 to the winning club Fladbury and still fought over annually. A full list of winners can be found on page C9.

Scoring for the MacGregor Paddle Challenge Competition

Under the following system most clubs should have an opportunity to achieve a winning score:

1. Each Club will **score 1 point** for each promotion accredited to their Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddlers during the previous three Regattas, i.e. September (previous year), April and May (of the same year).
2. Penalty points accrued by every Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler during the five scoring regattas **will be deducted** from their team's score, i.e. September (previous year), April and May (of the same year).
3. The scoring at the Inter Club Regatta will be on the following basis:

Each Club will score its best	12	K1/C1 results in all finals
	6	K2/C2 results in all finals
	3	K4/C4 results in all finals

Scores will be awarded, provided there are at least three crews participating, on the following basis:

First 20 points, second 19 points, third 18 points and so on.

4. Notes:
 - a) Composite crews, with members from more than one Club, do not score.
 - b) At least 50% of the crew must be registered in the class in which they are racing. i.e. 2 paddlers in a K4 or 1 paddler in a K2. Crews may be made up with paddlers from a lower ability band with the following exceptions:
 - i) Men may not paddle in Women's races.
 - ii) Boys may not paddle in Girls' races.
 - iii) Seniors or Masters may not paddle in Junior races.
 - vi) Seniors or Juniors may not paddle in Masters races
 - c) No one may enter any singles class other than their designated class as shown on the Paddler Database File. Exceptions may be made when national coaches wish to enter squad paddlers in a different class.

Offences Incurring Penalty Points

The Chief Official will be solely responsible for all disciplinary matters of a minor nature, under the operation of a penalty points system. At his / her discretion, he / she may issue penalty points to each paddler involved in each of the following offences. These offences are considered to be detrimental to the efficient operation of regattas and / or potentially hazardous.

N.B. A reported incidence of dissent / abuse towards a Regatta Official, another competitor or their equipment, or a spectator must be treated as conduct prejudicial to the interests of the sport and dealt with under the Section Disciplinary Regulations.

THE MINI SPRINT SERIES 2017

The Mini Sprint Series is run alongside the National Sprint Regattas held at Holme Pierrepont in Nottingham during May, June, July and September.

The Mini Sprint series has been specifically developed to suit the needs of young people who have chosen this discipline at this time. It is part of the Paddlesport foundation which helps them progress into whichever discipline they may eventually choose. The programme has taken into account that full sized K1s, K2s and K4s are too large for young people. Together, the Canoe England's Paddlesport Participation Programme and British Canoeing Sprint Racing Committee have formed the Mini Sprint Series. This has evolved from the Lightning series that was originally only a K1 event. Now as a weekend event it is giving racing experience on the National course so that the paddlers have a smooth transition into the Class D events.

The aim of the series is:

- To introduce young paddlers to the venue.
- To develop experience of sprint competition at a national event.
- To develop teamwork.
- To have the opportunity to develop competitive paddling skills.
- To become motivated to progress through the main classes.
- To meet and make friends with paddlers from other clubs.
- **To enjoy, have fun and become confident sprint paddlers.**

Team leaders notes on entries and kayaks

The paddlers will compete over 500 metres in Lightning K1, Hody-style K2s and Rocket K4, with heats and finals run and timed on the main regatta course.

The cost per seat is exactly as other junior paddling categories.

Please ensure you enter your paddlers in the correct category, which is based on time, not age.

Only Lightning kayaks are to be paddled in the K1 events.

Clubs should bring their own Hody-style K2. If using a make other than Hody please inform the Chief Official before the event. Regatta.ChiefOfficial@britishcanoeing.org.uk

Rocket K4s only will be used and can be supplied by the SRC. Clubs may bring and use their own Rockets.

When booking a K4:

Team Leaders will book a whole K4, as with classes C and D. When combining with paddlers from other clubs it is the responsibility of the Team Leaders involved to arrange who pays for the entry and to collect payments. It is not the organisers or the volunteer official's remit to sort out your payments. Any changes to your entry must be made at the main Team Leader's meeting. Further changes for entered crews may be made at the Secretary's desk providing all paddlers and team leaders know of the changes.

Mini Sprint Cup Series

This series is a whole season event and the **Marsport Trophy** will be awarded in September to the club with the most points. Individual paddler points will be awarded for each event during May, June, July and September with double points being awarded at The MacGregor Inter Club Regatta.

Mini Sprint Cup Rules 2017

Points are accumulated at each event leading to a final at the September Regatta.

Mini Sprint points do not count towards The MacGregor Inter Club points.

At the MacGregor Regatta the Mini sprints receive double points for their paddling and these go towards the Mini sprint Cup competition which runs separately from the main Inter Club Competition.

The Mini Sprint Cup includes overall prizes for both male and females in each category and an overall club prize. Details are as follows:

THE MINI SPRINT SERIES 2017

Points Scoring:

All National Mini Sprint winners (individual) are awarded on the same system. Their 2 best regatta scores added to their Mini Sprint Inter Clubs score.

All points scored will count only towards The Mini Sprint Team and individual events.

National Regattas (May, July, September): in K1, K2 and K4.

1st place scores 10 points, 2nd place scores 9 points etc. down to 10th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results at each regatta. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 10 points **for each paddler**

Inter Clubs Regatta (June) in K1, K2 and K4

1st place scores 20 points, 2nd place scores 19 points etc. down to 20th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 20 points **for each paddler**.

Team Event:

The points scoring system is based on each club's best 2 regatta results scores added to their Mini Sprint Inter Clubs points score.

Promotions:

Promotion from mini Sprint Category B to A will be based on K1 500m times.

Promotions from group B to A will automatically be done in the May and June regattas. The best set of existing regatta points will be carried through and added to the paddler's July and September points gained in A.

Promotion into Boys D and Girls D is based on normal regatta entry guidelines. This is only done after a discussion with the team leader.

When a paddler is too old to participate in the Mini Sprint Series they **do not** automatically move to D classes. They must reach the required standard. See the Standards Chart on page D1. They would be allowed to paddle only in D Class crew boats, **with established D Class paddlers**.

Prizes:

Tiddly Winks will be awarded for 1st, 2nd & 3rd places in the **K1 Final One only** of each category and for the three fastest K2/4 crews in each category within the Mini Sprint series.

Medals will be awarded to the overall series winners - 1st, 2nd, 3rd male and female. The Marsport Trophy will be awarded to the Club that has accrued the most combined category points.

All participants will be awarded a Certificate each month they enter. These are to be collected by the team leader from the Secretary's Desk.

NATIONAL REGATTA OFFICIALS

Anyone interested in finding out more about assisting at National Regattas is invited to come and sit alongside experienced officials to find out what is involved. The training of officials is a highly important area of our activities with training during National Regattas and at 'out of season' workshop days. A few experienced officials do go on to take the International Canoe Federation Technical Officials Examination, thereby becoming eligible to officiate at ICF or ECA International Regattas. Regatta Officials interested in knowing more about what this entails please contact the Chief Official.

Several officials are working in Pre-Regatta groups such as timetabling where paddlers are put into races, updating club colours, registration of paddlers and putting together the printed programme. We also have an IT team who are striving to further develop the results service.

We are continually trying to recruit volunteers to help run our increasingly popular regattas. No experience or special skills are required but working as a team is important. Just half a day helping, whether morning or afternoon, would be greatly appreciated.

We are looking for assistance with First Aid throughout the regattas. As with the officials this is worked on a rota basis headed by a full time paramedic who takes overall responsibility for reporting accidents. All clubs have qualified first aiders who could help with this important service.

If you would like to know more about helping at a National Regatta please contact Ann Hoile at Regatta.VolunteerCoordinator@britishcanoeing.org.uk or at the Secretaries Desk during regatta weekend.

BRITISH CANOEING PERFORMANCE PROGRAMME

John Anderson is the British Canoeing Performance Director with responsibility for all the British Canoeing Performance Programmes.

Head Office: British Canoeing, National Water Sports Centre, Adbolton Lane, Holme Pierrepont, Nottingham, NG12 2LU. Telephone: 01159 822094

Tokyo Strategy and Funding:

Over the past 12 months the Senior Leadership Team and colleagues have developed a detailed performance strategy for the Tokyo Olympic Cycle. Part of this plan will involve relocating the performance programme to main centres. NWSC and LVWWC.

On the 9th December we received news that the British Canoeing performance programmes had been awarded £22 million for the Tokyo cycle. With UK sport itself facing a reduction in its overall funding this is a fantastic result and shows confidence in the BC performance programmes' ability to deliver medals. Nevertheless there has been a small cut in funding in real terms.

Sport England has also reviewed their funding strategy and has decided to invest less of their funds into NGBs and more into other partners who they feel are better placed to increase participation. Almost all NGBs are facing reductions in funding of between 25% and 50%.

Staffing Structure:

Following the funding decisions the Staffing structure within the performance programme will need to change. A period of consultation has started with staff but the current staffing proposals may change as a result of this consultation. The consultation process should be concluded by mid-February and the new structure should be up and running by April 2017. For these reasons it is not practical to publish the current programme staff list at this time. **All Changes to the staffing structure will be published on the BC website. www.britishcanoeing.org.uk**

2017 Senior International Squad (SIS).

All athletes who have A or B Final results from the Rio 2016 Olympics and athletes who have A final results from the U23 World Championships have automatic pre-selection to the 2017 SIS.

In addition, any athlete who achieved an A final result in the previous year's Junior World Championships and senior athletes with 2016 results, equivalent to athletes which have gained automatic inclusion, may apply to the IP to be considered for inclusion in the SIS. The initial SIS will normally be published in November each year. Note for the first year in the Olympic cycle this will occur on 31st January 2017. **Applications to be included in the SIS should be sent to the Chair of the IP no later than 21st February 2017. The IP will confirm the initial SIS on the 28th February 2017.**

Additional Selection to the SIS:

Additional athletes may also be selected to the 2017 SIS following the BC 2017 April, May, and June National Regattas. The nominated athletes must finish within the standards identified in K1/C1 as being those required to reach at least the B final or higher at the Senior World Championships

Squad Coaches may also ask the IP to consider athletes who have achieved first places in Senior Men's/Women's A or A/B events or U23 National Championship events at the National regattas in the crew boats if they demonstrate the potential to finish in the B final (or higher) at the Senior World Championships and are committed to stay in the same crew.

Overview of the Selection Process (Senior International Teams)

Please Note:

That at the time of print the 2017 Selection Policy is still out to consultation. The final copy of the selection policy will be published on the British Canoeing website in January 2017

Sprint racing is an outdoor sport where race results can be affected by environmental conditions and lane draws. Therefore the International Panel (IP) recognise that a first past the post system will not always be fair or appropriate when selecting teams for international competitions.

The primary aim of the Senior & U23 Competition Programme is to provide opportunities for athletes to develop the racing skills and experiences in order to deliver our 2020 Mission and meet our annual milestone targets. (Section 2)

The emphasis will be on gaining a range of skills and experiences for competition at future Olympic Games but may not always be limited to Olympic events.

Fundamental to performing at the Olympic Games is the ability to deliver a peak performance on a specific day. Providing a competition and selection process which supports this is central to our athlete development process and underpins our selection strategy for Senior and U23 international events.

For Senior and U23 competitions, Major International events are defined as the Senior and U23 World Championships and the Olympic Games.

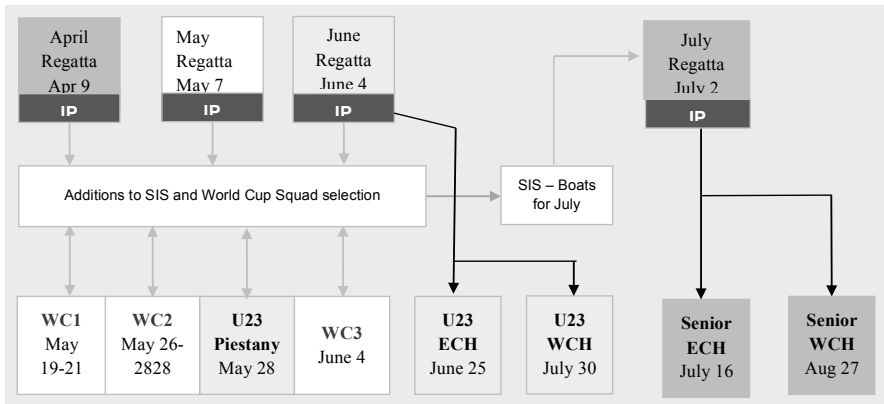

In 2017 the major international competition events for Senior and U23 Teams are the ICF Senior World and U23 Championships. Other Internationals including ICF Senior World Cups, and ECA European Senior and U23 Championships will be used for race practice and the development of the strongest possible Team for major Internationals in line with our Tokyo strategy.

Promotions (P) and demotions (D) are possible on 1000m, 500m, 200m and marathon results.

The handicap (HC) is the number of seconds longer that it takes to paddle the distance a zero paddler covers in one minute.

PLACID WATER RACING AWARDS

The awards are intended to recognise and encourage improvement in canoe and kayak racing performance. They can be attempted in any canoe or kayak, although the aim is to encourage the use of straight running craft in an individual's progression to modern racing boats.

The 500m Award is particularly useful to determine the appropriate level of entry for paddlers into Marathon and Sprint Racing.

Canoeing and the Environment:

Canoeing is an exciting, adventurous, competitive and recreational activity from which much of the enjoyment and adventure comes from the natural environment. Every canoeist must remember to respect all wildlife, and take care not to damage or destroy the environment, by observing the Canoeist's Code of Conduct.

Assessing:

Any Level of British Canoeing Coach (in current membership) or British Canoeing Affiliated Club Official may test candidates for the Placid Water Racing Awards. The awards are administered by the Home Nation Associations on submission of individual Placid Water Racing Award Pass Slips (available from the Home Nation Associations).

1) Time Trial Awards:

Type of boat: Any canoe or kayak

Aim: To introduce and encourage new paddlers to club based competition

The Time Trial Award can be tested over any distance from 2,000 to 10,000 metres. It is awarded on the basis of speed (minutes per 1,000 metres) and can be attempted in any type of canoe or kayak. The award is designed to be flexible; to suit whatever placid water is available. Testing can be organised as part of a fun race, a club handicap race or specially organised time trial.

Award	K1	K2	C1	C2
Blue	10	9	12	10
Bronze	9	8	11	9
Silver	8	7	10	8
Gold	7	6	9	7

(Maximum time in minutes per 1,000 metres)

2) 500m Sprint Awards:

Type of boat: Any canoe or kayak

Aim: To recognise and encourage improvement in racing performance and to determine the level of entry into British Canoeing Sprint and Marathon competition.

PLACID WATER RACING AWARDS

Award	Kayak Men	Kayak Women	Canoe
Green	4.00	4.20	5.00
Blue	3.30	3.45	4.00
Bronze	3.05	3.20	3.20
Silver	2.45	3.00	3.00
Gold	2.30	2.45	2.45

(Time in minutes - single canoe / kayak)

As a guide for coaches, team leaders and paddlers wishing to place an entry for the first time in a Divisional Marathon Race and/or a club, local or regional Sprint Regatta, the following levels, using the 500m award, are suggested to ensure new paddlers race with paddlers of similar ability:

Award	Discipline	Kayak Men	Kayak Women	Canoe
Blue	Marathon	Div 9	Div 9	Div 9
Bronze	Marathon Sprint (local or regional event)	Div 8 Junior Men	Div 9 Junior Women Veteran Men	Div 9
Silver	Marathon Sprint (local or regional event)	Div 7	Div 8 Senior Women	Div 8 Junior Men Senior Men
Gold	Marathon Sprint (local or regional event)	Div 6 Senior Men	Div 7	Div 7

NB: Potential entrants for Sprint regattas should normally achieve their award in either a racing canoe in high kneeling position or racing kayak with a seat.

NB: Entry Levels for Sprint National Regattas, see 'Standards for Racing' chart page D1

3) Marathon and Half Marathon Awards:

Type of boat: Any canoe or kayak

Aim: To recognise and encourage improvement in Marathon racing performance

There are a number of races in the national calendar that provide a suitable venue for testing these awards. The standards may be adjusted to take account of courses slightly longer than the award distance, flow and portages (allow three minutes per portage).

COACHING THE COMPETITION DISCIPLINES

Developing your coaching skills through British Canoeing courses

The Coaching Scheme has various pathways enabling both paddlers (boat based) and non-paddlers (bank based) to become Competition Coaches.

The entry level to the Coaching Scheme is at Level 1. This can be accessed by anyone with a minimum number of pre-requisites.

Level 1

A Level 1 Coach is classed as an 'Assistant Coach' whose role is to assist a higher level coach, or work a little more autonomously with some extra criteria in place. They are trained to deliver single sessions to individuals or groups in sheltered water conditions.

If you wish to enter the Coaching Scheme as a 'Boat Based Coach', then you will need the 2 Star Paddlesport Award or the Paddle Power Discover Award or higher, together with completion of a 'Boat-based' Foundation Safety and Rescue Training Course. The 2 Star is an award that has to be taken in Canoe and Kayak; however the choice of boat that is used for each of these is entirely the candidates. If you want to use your C1 or K1 for the canoe or kayak aspects of the course, you are entitled to do so.

If you wish to enter as a 'Bank-Based Coach' then you only need to complete a 'Bank-based' Foundation Safety and Rescue Training Course.

The Foundation Safety and Rescue Course may be included in a Level 1 training course by adding an extra day, or it could be attended prior to the Level 1 Training Course.

The Level 1 Course is conducted over 4 days. The course may be modulated over weekends, evenings or during the week over a longer period of time. This flexibility suits the Clubs where volunteer time is at a premium and they do not wish to give up their time with their paddlers.

Assessment is during the course, with a number of tasks being performed and continual feedback given by the course tutors. The course is generic in nature with opportunity to explore different methods of coaching in and to a variety of craft; canoes and kayaks; singles and crew boats. Again, you can use the craft you regularly paddle and coach from for the majority of the course.

Discipline Support Module (DSM) for Marathon or Sprint

Any level of Coach can attend a one-day DSM course. These are available in both Sprint and Marathon and focus on the basic aspects involved in coaching, particularly forward paddling technique in canoe and kayak. It is designed to give the Coach an initial understanding of Sprint and Marathon Coaching. Dates for the Modules can be found on the British Canoeing Coaching Pages here <http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#discipline-support-modules>

APL

In some instances aspirant coaches may have prior experience that may enable them to enter the Coaching Awards programme at a higher level.

COACHING THE COMPETITION DISCIPLINES

If you feel you have experience that can be accredited as prior experience, then refer to the Accredited Prior Learning (APL) Policy: <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/accredited-prior-learning>

Supporting Modules

To help the coach with their personal development and to start the process of moving on to qualify for level 2, there are a number of Foundation Modules and Intermediate Modules available as supporting units. Details of these can be found at <http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#foundation-modules> and www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#intermediate-modules

Level 2

The Level 2 Coach can work autonomously. They are trained to deliver a series of linked sessions to individuals or groups on sheltered water.

This level is also designed for both boat based and bank based coaches. The pre-requisites are a 3 Star Award (or equivalency, see below) along with the Foundation Safety and Rescue Training. The training and assessment days are separate at Level 2. Training is held over a 4-day period or an equivalent number of hours. Assessment is conducted after a number of coaching hours are logged and supporting module sessions attended. Assessment will be coaching in both canoe and kayak disciplines.

Together with a Discipline Support Module, this is the ideal award for a coach working at club level under direction of a more senior Club Coach.

The Strength and Conditioning Foundation Module has now been developed and is available for clubs or groups of clubs to access. This course is aimed at the coach who wishes to commence Strength and Conditioning work at the club without having to rely on expensive equipment or hiring sports halls or gyms.

For those within or have been in the ranking system in Sprint or Marathon can claim an 'equivalency' rather than have to complete a 3 Star course and/or assessment. The equivalents are as follows.

Sprint

- 5 Star** Senior National Team; Adult 'A' Ranking
- 4 Star** Junior National Team; Adult 'B' Ranking
- 3 Star** Adult 'C' Ranking or Junior 'A' or 'B' Ranking

Marathon

- 5 Star** Senior National Team, Division 1 (Men); Division 3 (Women and C1); sub 18 hours DW Time (Men) Sub 20 hours DW Time (Women)
- 4 Star** Junior National Team; Divisions 2,3 (Men); Divisions 4 (Women and C1); sub 19 hours DW Time (Men); Sub 21 Hours DW Time (women)
- 3 Star** Divisions 4,5,6 (Men); Divisions 5,6 (Women)

Fuller details of these are on the British Canoeing web site at:

COACHING THE COMPETITION DISCIPLINES

Level 3

Level 3 Coaches are discipline specific. Level 3 Coaches are trained to oversee an annual programme for paddlers and coaches under their direction. It is the ideal qualification for those coaches who have a lead coaching role within a club.

Level 3 Coach can be boat based or bank based. They would need appropriate qualifications or experience required to fulfil the conditions to become a boat based coach.

The Level 3 Course consists of a 3-day (or equivalent) Generic Core, this is followed by 3 Intermediate Supporting Modules and then a 2 day Discipline Specific Course. Then various assessment tasks have to be fulfilled over a 12 month period. The assessment process involves two parts, one in the training environment and one at a competition environment with the coach's own long term athletes.

For information on the Level 3 programme please contact:

info@britishcanoeing.org.uk

CPD (Continuous Professional Development) for coaches is available to club coaches to further their existing knowledge, ideas and understanding.

Information on coaching opportunities and supporting modules can be found on coaching pages of the British Canoeing website <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/coach-update-scheme>

First Aid Requirements

The requirements relating to First Aid qualifications and the different coaching levels held can be found at: <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/coach-update-scheme>

Levels 1 and 2 Coaches are required to have 1 day qualification and Level 3 Coaches have a 2-day qualification. The time to renew is at the natural expiry date of the award already held, so any Level 3 Coach who took their First Aid Award prior to 1st January 2012 does not have to take a 2-day course until it is due for renewal.

MARATHON RACING

Chairman's Foreword - 2017

2016 has been a busy year for the MRC, with many changes taking place within British Canoeing. We have some new faces on the committee and we have welcomed the fresh faces and new strategy being developed at BC.

The season saw record numbers competing and our flagship events, the National Championships and Hasler Finals, proved a tremendous success. We do, however, continue to struggle to encourage clubs to host these events at suitable new venues. The financial success for clubs running these events on our behalf is a strong incentive and we hope that with joint initiatives new venues will be established. Have you the capability nearby, or with others in your region, to host in 2018 and beyond?

2017 is unlikely to see dramatic change for Marathon, but the BC Strategic Plan is likely to place some pressures on us, particularly financial, in 2018 and beyond; as well as provide some real benefits.

Our International representation has continued with some impressive results in the year. These are covered in detail on the website where race reports can be found. My committee are committed to work with you to improve the delivery of Marathon Racing at all levels. Following comments at the ACM last summer we are now producing more comprehensive and timely draft Minutes of our meetings soon afterwards; which again can be found on the website.

We hope that this will result in feedback and ideas from you – as we are always willing and open to ideas that can improve the delivery of Marathon racing – we hope also to encourage better representation at our Annual Consultative Meeting. Please do try to make sure your club and its views are represented in 2017.

Despite budget constraints we have continued to promote and extend our development training days and maintain numbers of athletes attending International events. We continue to focus on up and coming athletes through development trips.

With BC funding being severely cut, from 2018 our own revenues have to be increased and my committee will be looking at ways this may be achieved.

Beyond all these financial and administrative issues, we must all continue to strive to deliver better quality, well attended, exciting and testing racing; as I believe these are the key factors that make us all want to paddle and get on the water regularly and compete.

MARATHON RACING

PART A: RULES FOR COMPETITION

General Rules Applying to All Races

1) DEFINITION

A marathon race can be raced over any distance: usually between 3km and 200km. All competitors must race the correct course as determined by the race organiser, must go round all turn buoys and must exit and enter the water at a portage within the designated areas.

2) BEHAVIOUR

- a) Canoeing is a non contact sport and competitors shall race in a fair manner.
- b) When a canoe or kayak is overtaking another canoe or kayak it is the duty of the overtaking craft to keep clear of other competitors at all times.
- c) When a canoe or kayak is racing in a group of competitors it is the duty of all the competitors in the group to keep clear of other competitors at all times. This rule applies to any manoeuvring within the group.
- d) All paddlers will wear appropriate clothing when racing. This is a minimum of singlet and shorts. These should preferably be in club racing colours.
- e) During the course of a competition any items discarded by a competitor anywhere other than in a proper bin, must be recovered by the athlete, their support crew or coach immediately. It is the athlete's responsibility to ensure that this has happened. An event official witnessing non-compliance with this rule shall report the infringement to the race organiser and the offending competitor will be disqualified. Any repeat infringements by the same competitor shall be subject to disciplinary proceedings by the Marathon Racing Committee.

3) THE RACING STRUCTURE

- a) The marathon racing system has been designed to encourage all levels of competitor from the raw beginner to top class internationals. There are five categories of race: -
- b) **GROUP A** - These races will appear in the Racing Handbook calendar and/or the calendar published on the MRC website. For these races the race levy must be paid and competitors must be British Canoeing, Canoe England, WCA, SCA or CANI comprehensive members (see Rule 13).
 - i) Divisional races registered by the Marathon Committee. Promotions will be calculated by the HRM program for these races, with input from the Rankings Officer.
 - ii) Races and time trials registered by the Marathon Committee but not in the divisional system such as stage marathons, descents, Waterside Series, Frank Luzmore, Thameside etc.
 - iii) The National Championships.
 - iv) Promotions between divisions may take place based on the results of all group A races.
- c) **GROUP B**
 - i) Those races in the regions and at clubs that do not appear in the calendar. These will include handicap and fun marathons. No promotions will take place at these races. Clubs are encouraged to hold handicap races throughout the year as an introduction to competing in the divisional system. These should be over a 3-10km course with handicaps based on age, experience and type of boat.
- d) **GROUP C**
 - i) All Lightning and Junior K2 races forming part of the Geoff Sanders Trophy or held at Regional Hasler events, the National Marathon Championships or the Hasler Final registered by the Marathon Racing Committee – see rules 49-58. For these races:
 - (1) All competitors must be British Canoeing, Canoe England, WCA, SCA or CANI comprehensive members.
 - (2) No race levy will be payable.

4) CLUB MEMBERSHIP

The racing year shall be from 1st September of any year to 31st August of the following year. When a competitor is a member of more than one club, he shall declare before 1st September to the Race Records Officer of the Marathon Committee the name of the club for whom he will race the following racing year. When a competitor changes his club in mid season, he is permitted to compete for his new club, instead of his old, provided that prior consent of the old club is obtained. This consent shall not be withheld unreasonably, particularly in the case of a change of residence from one area to another. The agreed change must be advised to the Race Records Officer in writing before points can be allocated to the new club in club competitions.

5) SAFETY

- a) **Competitor responsibility**

MARATHON RACING

- i) Competitors must render their boats sufficiently buoyant to remain afloat and to support the crew in the event of capsizing. Buoyancy must be fixed in the boat reasonably sufficiently to satisfy rule 27 of the ICF Marathon Rules which states that: 'Each boat must carry sufficient buoyancy, either in the construction of the boat or fixed subsequently, to keep the boat floating level when filled with water.' British Canoeing Marathon Committee rules interpretation of this is that inherent buoyancy provided by 'Vac-bag' or 'sandwich' construction is not alone sufficient and must be supplemented by adequate fixed additional flotation material or by the provision of sealed bulkheads.
 - ii) Competitors must be able to swim adequately in the waters on which the race is being held. It is the responsibility of each competitor (or of a parent in the case of a junior) to inform their team leader of any medical condition that may affect this. If the competitor is entering an event where they have no team leader, it is their responsibility (or of a parent in the case of a junior) to take appropriate precautions and inform the organiser.
 - iii) On open water adequate spray covers must be worn.
 - iv) All paddlers are required to render assistance to other competitors in distress.
 - v) The wearing of life jackets or buoyancy aids is compulsory for all paddlers ranked in divisions 7, 8 and 9 irrespective of the race they are entered in. This applies to singles and doubles races.
 - vi) Life jackets must comply with either the European Standard 'EN393 or 395 or the International Standard 'ISO 12402'.
- b) Team Leader responsibility**
- i) Team Leaders should decide if paddlers in the higher divisions should wear life jackets or buoyancy aids.
 - ii) Should a member of your team (or a parent in the case of a junior) inform you of any medical condition that may affect their safety, you should ensure that they take appropriate precautions and that the organiser is informed.
- c) Race Organiser responsibility**
- i) Race organisers may require life jackets or buoyancy aids and spray covers to be worn and will have the FINAL say as to who should wear them (except where this is covered by rule 5a(v)) depending on weather and water conditions. Such equipment must be provided by the competitors.
 - ii) The penalty for infringing any safety rule is disqualification from the race.
 - iii) Should a team leader, an individual paddler (or a parent in the case of a junior) with no team leader, inform you of any medical condition that may affect their safety, you should ensure that they have taken appropriate precautions and that these fall within the compass of your risk assessment before accepting the entry.

Canoeing and Kayaking in all its forms is an 'Assumed Risk – Water Contact' sport.

6) DISCIPLINE

Marathon racing is subject to British Canoeing Marathon Racing Committee Disciplinary Regulations and to British Canoeing Disciplinary Code. See <http://canoeracing.org.uk/marathon/index.php/disciplinary-matters/>. These apply to all BC Marathon races.

For the avoidance of doubt, any complaint that an individual member of British Canoeing (competitor or non-competitor) has behaved in a manner described in clause 1.1 of the Disciplinary Regulations shall in the first instance, where possible, be lodged with the Race Protest Committee in the manner described in Marathon Racing Rule 18(g) (i) and (ii). The Protest Committee shall determine what action, if any, shall be taken. If the Protest Committee decides that the complaint should be referred to the Marathon Committee, the race organiser shall report the matter to the Admin Secretary within three working days. The Marathon Committee will consider the matter in accordance with the Disciplinary Regulations.

Race Organisers should note the powers in clause 2.1 of the Procedures to apply immediate discipline where members or competitors have displayed violent or unreasonable behaviour.

7) ANTI-DOPING

Marathon racing is subject to the ICF and UK Anti-Doping Rules See <https://www.britishcanoeing.org.uk/olympic-paralympic/how-we-work/anti-doping/>

8) BROKEN PADDLES / BOAT

A competitor must not change boats during a race, but may change paddles in the case of breakage.

9) WASH HANGING

- a) Competitors must not hang on the washes of powered craft.
- b) **In an assessment race** (see rule 17) wash hanging or interfering with any other boat or competitor who is not in your own class/race is not permitted. Anything that may be construed as interference, such as

MARATHON RACING

wash hanging or assisting another competitor/crew will result in disqualification of all involved, if proven. Furthermore, it is expected that when being caught by faster competitors from another class/race, paddlers will show good sporting behaviour by staying at least 3m clear, and giving up the racing line to avoid suggestion that any advantage was gained by either party.

10) ASSISTANCE TO COMPETITORS

A competitor may receive food and drink during a race. Competitors with a disability may receive assistance at portages, but no other assistance unless permitted before the race by the organiser.

11) BOAT DESIGNS

Any type of canoe or kayak can be used.

Kayaks shall be propelled solely by means of double bladed paddles.

Canoes shall be propelled solely by means of single bladed paddles.

The paddles must not be attached to the boat in any way, being supported only by the hands.

For GROUP A races boats must comply with the ICF regulations as detailed below:-

single kayak	max length520cm (unless it is a recognised surf ski design)
double kayak	max length650cm
single canoe	max length520cm
double canoe	max length650cm
double touring canoe	max length550cm

Boats over 460cm in length must not have concave sections unless classified as Wild Water Racing boats and falling within the ICF regulations for such boats.

12) BRITISH CANOEING MEMBERSHIP

- a) All competitors in GROUP A and Group C races must be COMPREHENSIVE British Canoeing, Canoe England, WCA, SCA or CANI members. Membership numbers must be quoted on entries and results and a valid membership card or photocopy **must** be produced at race check in. Juniors ranked in divisions 7, 8 & 9 and Lightning competitors who are members of clubs with registered junior sections, should produce their registered junior section card instead.
- b) At all Regional Hasler events:
 - i) All competitors in divisions 1 to 6 must produce a valid membership card or photocopy at race check in. A competitor who has not raced before may buy an Event Ticket, but only one Event Ticket per season.
 - ii) All competitors in divisions 7, 8 and 9 must produce a valid membership card or photocopy at race check in or, if junior, produce their registered junior section card. Any competitor unable to do so will be required to buy an Event Ticket but only one Event Ticket purchase is allowed per season.
 - iii) Race results may be checked for valid membership. Club points will be deducted and the race shall not be counted as a Hasler qualifying race where:
 - (1) Any competitor is found subsequently to have competed without a valid up-to-date membership, or
 - (2) A competitor in divisions 7, 8 and 9 is found to have bought more than one Event Ticket per season.
 - iv) An event ticket only provides temporary insurance cover to take part in a single event and is not a "day membership" or boat license for the use of waterways, as provided for most waters, with full British Canoeing membership.
- c) At National Championships all competitors in divisions 1 to 9 must produce a valid membership card or photocopy at race check in or when entries are made. A competitor who has not raced before may buy an Event Ticket, but only one Event Ticket per season. A competitor claiming to have membership but unable to provide evidence may also purchase an Event Ticket.
- d) Upon promotion to Division 6 there is a period of grace of 4 weeks during which a junior, racing with a registered junior section card, must become an individual comprehensive member of British Canoeing/Canoe England/WCA/SCA/CANI.

13) RACE LEVY SCHEME

At all GROUP A races, published in the Racing Handbook and/or the calendar published on the MRC website, there will be a race levy of £2.00 for each senior and veteran paddler by age, as recognized by their British Canoeing, Canoe England, WCA, SCA or CANI membership, and £2.00 for each junior paddler by age, as recognized by their membership. The levy to be charged on all paddlers checked in irrespective of whether they start or finish the race. The race levy for all categories of races is to be remitted by the Race Organiser to the Treasurer **within 7 days of the race**. Cheques should be made payable to "BC

MARATHON RACING

Marathon Racing Committee" and sent to David Enoch, 102 Bingham Road, Radcliffe-on-Trent, Nottingham NG12 2GT.

Those clubs wishing to pay the levy by electronic transfer should remit to

Barclays Bank Sort Code:20-63-25 Account No: 73066665

Account name BC Marathon Racing Committee.

When making electronic transfers please also email David Enoch with the race name and amount of levy to david.enoach2@btopenworld.com

14) RACE REGISTRATION

The organiser of a GROUP A race must apply to the Calendar Organiser for that race to be registered.

This must be done by the autumn of the year preceding the event. The event must be organised and run under the Marathon Racing Rules. Registered races may advertise through British Canoeing and may appeal through the Marathon Committee in cases of dispute or difficulty. Refer to British Canoeing Disciplinary Code at <http://canoeracing.org.uk/marathon/index.php/disciplinary-matters/>

The registration fee will be the race levy described in rule 13 and the organiser must comply with the requirements of rule 18.

15) BOAT NUMBERING

At all GROUP A races competitors shall number their boat in the following manner. Paddlers racing in divisions 1-8 **must** display vertical number plates secured to the boat number holder with a pin or clip.

ALL numbering of vertical boards will be on both sides of the board and numbered in one of two acceptable formats:

a) digital style format numbering, created from **black** insulating tape, no less than 12mm wide. The digits should be formed from small strips of tape in 50mm and 100mm lengths to make up the numbers. The number **must** be presented on an **OPAQUE WHITE** number board measuring **150mm** in height and **280mm** in length, with rounded top corners. Hand written crayon and felt tip pen numbering is not acceptable.

b) **Alternatively** an **OPAQUE WHITE** number board measuring **150mm** in height and **200mm** in length, **PRE-PRINTED** and issued by the event organiser is also acceptable.

Race organisers will be able to refuse entry to a race where these rules are not complied with. Yellow number boards will **not** be acceptable.

Paddlers ranked in Division 9, Lightning, club and fun race paddlers may alternatively use 225mm diameter white discs which should be displayed on fore and aft decks or as directed by the organiser.

Any paddler not displaying a number plate at the start of any race, or whose number is not clearly legible, will not score club points. If the number becomes detached from the boat, it is the paddler's responsibility to make sure the marshals and finish judges know their number to ensure inclusion in the results.

16) FINISHES

A competitor is deemed to have finished a race when the bow of the canoe or kayak has crossed the finishing line on the water with the competitor(s) in it.

17) ASSESSMENT RACES

The Marathon Committee will co-ordinate with race organisers to determine assessment race venues and the dates will be shown in the Racing Handbook. At these races, assessment classes may be separated from other race classes and may be run over the same or different courses.

18) ORGANISATION OF GROUP A RACES

a) Clubs hosting races **must** be affiliated to British Canoeing.

b) The race shall be open to canoeists who are members of an ICF affiliated federation.

c) The race shall be properly advertised and the organisers shall issue adequate instructions on request, up to one month before the event, to prospective competitors or interested group leaders.

d) In the event of circumstances which render it impossible or unsafe to run the race as planned, the Race Organiser shall take all reasonable steps to inform the competitors and supporters at the earliest possible moment.

e) Race Organisers shall charge an entry fee for each competitor to include the levy cost. This fee may be reduced for juniors and augmented for late entries.

MARATHON RACING

- f) Changes of class/division and late entries shall be permitted if the organiser so wishes. Information regarding late entries and class/division changes should be available to competitors at least 30 minutes before the start time of the class/division concerned.
- g) The Race Organiser shall provide a Protest Committee consisting of three officials or members of the organising body to hear and settle all protests by any competitor in that event. The following rules will be observed:-
 - i) The protests must be received within 30 minutes of completion of the relevant race and before the announcement of the final results. Failure to observe this will invalidate the protest.
 - ii) The protest must be in writing to the Race Organiser and must give full details of the alleged infringement of the rules.
 - iii) The Protest Committee must meet immediately to hear all the evidence and to consider the protest's validity in accordance with British Canoeing and Marathon Racing Rules.
- h) A protest against an organising body may only be dealt with by the Marathon Committee. Any such protest must be made within 3 working days in writing to the Secretary of the Marathon Committee and give full details of the alleged infringement of the rules. The person making the protest must also inform the secretary of the club or body concerned within 3 working days. Failure to comply with these conditions will invalidate the protest.
- i) Appeals against the decision of the Protest Committee are permitted and these will be heard by the Marathon Committee.
- j) Within 2 working days of the race the results are to be emailed to the Rankings Officer, the Race Records Officer, the Regional Marathon Advisor and to marathonresults@canoeracing.org.uk, so that promotions can be ratified and the results uploaded onto the marathon website. See Useful Addresses page F3.
- k) **Within 7 days of the race** the Race Organiser must remit the race levy together with the race results in accordance with rule 13.

19) ORGANISATION OF GROUP B RACES

- a) For these races competitors do not have to be British Canoeing, Canoe England, WCA, SCA or CANI members, there is no levy and no requirement to submit results to the race records officer. Race advertising, entry fees and classes are at the discretion of the organiser. The formal requirements to register club membership and for protest procedures are not necessary.
- b) Rules 1, 2, 5, 6, 7, 8, 9, 10, and 11 shall apply to all GROUP B races.

Rules Applying to Regional Divisional Hasler Races

20) Regional divisional Hasler races are GROUP A races and all of rules 1 -18 above shall apply.

21) REGIONS

The regions are determined by the Marathon Racing Committee for England plus Scotland East, Scotland West, and Wales. Each region will run its own league championships throughout the year and will decide how many results are to be counted by clubs. It is hoped that eventually there will be enough races in each region for clubs to count their best 8 or 9 results from the total number of races.

22) THE DIVISIONAL SYSTEM

- a) Entry into the divisional system should be based on the standards detailed in the "Standards for Racing" (page D1).
- b) Club coaches are responsible for ensuring the ranking status of their paddlers and where necessary to ensure they are re-ranked appropriately.
- c) The divisional system is arranged into nine separate singles divisions 1-9 and eight separate doubles divisions numbered 2, 3, 4, 5, 6, 7, 8 and 9. Race Organisers must offer the following races at all events except where varied as agreed with the Regional Marathon Adviser.
 - i) Divisions 2 & 3 doubles race over 20 km.
 - ii) Singles races for each of divisions 1 to 9.
 - iii) Doubles races for each of divisions 4 to 9
- d) Each year a divisional list will be published in the Racing Handbook for singles divisions 1-8. These lists are checked and any paddler not having competed for two successive seasons is removed from the lists. Each autumn clubs are asked to submit a list of the paddlers who will not be active for the coming season and where appropriate, to amend a draft of the proposed divisional lists.

23) THE HASLER TROPHY

The Hasler Trophy is the National Team League Championships and is competed for throughout the season on a regional basis. The Hasler season is defined by the races designated 'H' in the Racing Calendar of this Handbook. Races relating to the following season are designated 'H2018'.

MARATHON RACING

24) TYPES OF COURSE

Whilst there will be some variations due to local conditions and types of course available, the normal distances will be:-

Div. 1, 2 & 3 Singles and 2 & 3 Doubles

Full senior course of about 20km with any degree of severity.

Div. 4, 5 & 6 Singles and 4, 5 and 6 Doubles

Course of about 13km which may include portages and/or weir shoots.

Div. 7, 8 & 9 Singles and Doubles

Course of about 6.5km with the minimum practical hazards.

25) COMPETITORS

- a) Each club will be allowed as many competitors as it wishes.
- b) A paddler can only compete in one race in a qualifying event.

26) SEPARATE STARTS

Each quorate race of six or more starters must be started separately. Two or more quorate races of less than six starters (i.e. with 3 or 4 or 5 starters) over the same distance may be started together, but for all other purposes are treated as separate races.

27) SYSTEM FOR AMALGAMATION DUE TO LOW ENTRIES

If there are fewer than three entries in a division then they will be started with a race of the same distance but will not be combined for the purposes of results or club points. If no race of the same distance is available, they should be started (but not combined) with the nearest possible race below. It will still be the case that some divisions will be inquorate particularly in smaller regions. The practice of clubs communicating with each other about entries, in advance of events, to avoid inquorate classes, particularly in the higher divisions, is to be commended.

28) COMPETING IN A CREW BOAT

- a) When competing in doubles events the competition ranking shall normally be an average of the individual paddlers' rankings (all halves rounded down). Example: *division 4 paddler and division 5 paddler average 4 (ignoring the half), race in 4_4 K2.*
- b) Paddlers ranked in division 1, 2 or 3 must race over the 20km course.
- c) There is no Division 1_1 K2 at regional races (*which also means there is no K2 race for a Division 2 paddler racing with a Division 1 paddler. A Division 1 paddler may race with a Division 3 paddler in Division 2_2 K2 and so on using the two principles above.*)
- d) All paddlers competing in crew boats must show their singles ranking on the entry form and these rankings must be shown on the results.

29) SPECIAL PRIZES

Race organisers are encouraged to give prizes for special groups of paddlers e.g. first under 16, first C1. In particular they are strongly recommended to give a prize for the first woman in each division and for the highest placed TC2. This kind of encouragement is particularly important in the divisional system.

30) POINTS

- a) In regional races only those clubs within the region will score points. Paddlers from other regions will not be taken into account when calculating points except that their time will be used for the 110% calculations if they are the fastest boats not promoted.
- b) To be included for points, clubs must be affiliated to British Canoeing.
- c) All competitors in both singles and doubles **must** show their singles ranking at race check-in. Competitors not doing so will not score points in the regional competition and may not count the race as eligibility to compete in the final.
- d) **Only competitors racing in their club colours will score points.** In a crew boat, if one paddler wears club colours and one does not, only the paddler wearing the colours will receive points.
- e) The points system will be as follows.
 - i) Divisions 1-9 in singles and doubles will count for points.
 - ii) Points will be awarded to each paddler in both singles and doubles - 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points to all paddlers who finish within 110% of the time of the fastest boat not promoted in a singles race and within 110% of the winners' time in a doubles race. One point only will be awarded for paddlers who finish outside the 110% limit irrespective of their position. This to apply to all races except division 9 singles and doubles which will receive 20 for 1st, 19 for 2nd, 18 for 3rd and so on down to 2 points for all paddlers who finish.
 - iii) Transferred paddlers racing in a different division under the provisions of rule 27 will count for Hasler points but their times will not be used for the 110% calculations.

MARATHON RACING

- iv) Paddlers in a separate assessment race at a Regional Hasler event will not score Hasler points.
- v) Each club will count its twelve best scoring paddlers from any divisions in any combination of K1/C1/K2 or C2. Doubles boats can be counted even if some of these boats contain just one paddler who is eligible for Hasler points for a particular club.
- vi) At each event the club with the highest score will get 10 regional points in the regional competition, 9 for 2nd and so on.

31) RACE RESULTS

Race Organisers must report their results using the HRM computer program. Race Organisers are encouraged to use the HRM program at the race to complete entries and calculate results at the meeting. If this is not practicable, results must be recorded later onto the HRM for reporting to the MRC in compliance with rules 18 j) and k).

32) PROMOTIONS

- a) Promotions between the divisions throughout the season will be based on the table "Standards for Racing" ("the Table") [See page D1 of 2017 Racing Handbook]. Column HC of the Table assumes a World Champion takes 60 seconds to paddle a given course and ranks paddlers in singles divisions from 1 to 9 based on the number of additional seconds it would take for competitors to cover that same course. P/D Factor expresses these same times as factors. For example, a top ranking paddler in division 7 would be expected to take 90 seconds giving a P/D Factor of 1.5.

- b) Promotions will be calculated on the following principles on the basis of singles results subject to the other provisions of this rule 32:

Divs.1, 2, 3 & 4

There are no automatic promotions to divisions 1, 2 & 3. Promotion times will be shown in the race file but promotions will not be indicated on any results printed on the day. The Rankings Officer in consultation with the Regional Marathon Adviser must ratify these for publishing with the official results on the Marathon Website.

Divs 4 and 5

Promotions to divisions 4 and 5 will be calculated by taking the times at each race of the mid-placed paddler in divisions 4, 5 and 6 divided by the Mean Factor for each of these three divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 3, 4, and 5 to give the times for promotion to divisions 5 and above.

Divs 6, 7 and 8

Promotions to divisions 6, 7, and 8 will be calculated by taking the times of the mid-placed paddler in divisions 7 and 8 divided by the Mean Factor for each of these two divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 6, 7 and 8 to give the times for promotion to divisions 8 and above.

[The above is an outline description of the promotion process. The detailed bases for calculations are available by post or email from the Rules Secretary]

- c) Promotions may take place on either singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and promotions made under Rule 32(j) where considered appropriate.
- d) Status in canoe will not affect status in kayak and vice versa.
- e) No automatic promotions will be made under Rule 32 (b) where there are fewer than 5 starters in any race. However, the Ranking Officer in consultation with the Regional Marathon Adviser may amend or dispense with this limit if persistently low numbers in a division are clearly preventing the promotion system from operating as intended.
- f) Promotions are not limited to one division. For example, a division 9 paddler with a time faster than that required for promotion to division 7, would be promoted straight to division 7. However, it is the responsibility of the Team Leader, coach and/or the individual to try as accurately as possible to enter a new paddler into the correct division for his/her ability. Accordingly, those paddlers promoted more than one division will forfeit Hasler points from that race.
- g) Where the HRM computer results system is used at a race, automatic promotions will be shown on the race results and take immediate effect. The only exceptions are those for division 1, 2 & 3 which must first be ratified by the Rankings Officer. All promotions (automatic and others) will be confirmed on the race results posted on the marathon website. It is the responsibility of paddlers and coaches to check these and ensure they are implemented with immediate effect.
- h) Once promoted, paddlers **must** race in their correct division, or higher division, except under the provisions of rules 27 and 28. Any competitor found racing in a lower division, singles or doubles, except under the provisions of rules 27 and 28, may be disqualified from the event and be banned from the next three Hasler races in the competitor's region. The exception is for promotions awarded at races held at the beginning of a new racing season and before the Hasler Final held in that year.

MARATHON RACING

These promotions will not apply at the Hasler Final of the current season but will apply to all other races. (E.g. A div. 6 paddler promoted to div. 5 in September 2015 at a race designated as H2018 can still race in div. 6 at the 2017 Hasler Final but must race in div. 5 at all other races.)

- i) All paddlers, both from within the region and from other regions are eligible for promotions.
- j) The Marathon Committee has discretion to promote or to withhold promotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

33) DEMOTIONS

- a) Divs. 1, 2 and 3 Demotions from Divisions 1, 2 and 3 will be made by the Rankings Officer in consultation with the Regional Marathon Adviser.
- b) Divs. 4 to 9 Application for demotion from Divisions 4 to 8 may be made to the Regional Marathon Adviser by the club coach. The Regional Marathon Adviser shall confirm his decision in writing to the club coach and to the Race Records Officer after agreeing this with the Rankings Officer.
- c) Demotions will be limited to one division.
- d) Demotions may be based on singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and demotions made under Rule 33h) where considered appropriate.
- e) Status in canoe will not affect status in kayak and vice versa.
- f) Once demoted paddlers may nonetheless choose to race in any higher division. Paddlers competing in the Hasler Final shall race in the division according to their ranking status at the close of the prior season (normally 31 August). Thus demotions awarded in the new racing season immediately prior to the Hasler Final will not apply at that Hasler Final.
- g) All paddlers, both from within the region and from other regions are eligible for demotions.
- h) The Marathon Committee has discretion to demote or to withhold demotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

35) CLUB ELIGIBILITY

The top scoring clubs from each region as determined by the regional Hasler competitions, plus a team from the Combined Services, may compete in the Hasler Final at the end of the season. The number of clubs from each region will, be based on the number of affiliated clubs who have actively participated in the previous season, as indicated by Hasler Race results recorded on the MRC Website. Each region will automatically have 2 qualifying places, irrespective of the number of active clubs. Each region will receive an extra qualifying place for each 3 clubs in excess of 4.

- b) Qualifying events are regional Hasler races and all assessment races for that season. This does not include races designated for the following Hasler season. Also a paddler may count completing a National Championships race on one or both days as **one** qualifying race. The previous Hasler Final does **not** count as a qualifying race.
- c) The qualification must be in the same type of boat (i.e. canoe or kayak).
- d) Paddlers are only eligible to paddle in a singles race at the Hasler Final if they have completed 3 qualifying events in singles. The exceptions in rule 36(a) apply equally in this rule.

MARATHON RACING

- e) A paddler can only compete in one race at the final.

4) STARTERS' ADVISORY NOTES

In starting **ANY** race the following advisory notes should be applied by the race organiser and starter to achieve consistency.

The start of any race is critical and **fairness and consistency** are our aim. It is therefore highly important that you carry out procedures and endeavour to ensure everybody has a fair start.

The rules that will apply for major competition are laid out below. They can and should equally apply to ANY race. Once competitors who push the line or jump the start realise that that will get a 2-minute penalty, or be disqualified and asked to leave the start line, they will start to comply with your instructions.

Our aim is to make these rules the standard to which **every race** organiser works.

Some important points come from these rules, which should be noted and applied, on all starts:

If you control the boats at a no more than 'walking pace' as they come up to the line, then it is more likely you will control them on the line.

Make sure that your 'marshalling line' is not too close to the actual start line.

Do not 'hold' paddlers on the start line for too long - this will merely result in them 'pushing' it. Bring them very slowly up to the line and start the race quickly when there.

If the majority of boats advance over the line - the only way to bring them back is to get them ALL to paddle round and start again.

Do not penalise those who comply with your instructions and are on the line by starting the race when others are clearly in front of the line. Bring the non-compliant paddlers back round. Be prepared to warn twice and then penalise with a 2-minute penalty or disqualification.

Refer to boats by their numbers or by the club colours not by the paddlers name and be prepared to record – or have an assistant record – any penalties given by boat number.

If you issue a penalty it must apply – it cannot then be ignored or withdrawn. If you disqualify a paddler do not start the race until he/she has removed himself from the line and from the water. It is not permitted for the disqualified paddler to paddle round with the other racers.

MARATHON RACING

Do not tell paddlers that there is '1 minute to go' and then start them before a full minute has elapsed. Be consistent, if you say you will not start them for 2 minutes make sure it is a full two minutes before you do start them.

Have a whistle ready to blow if there is a false start and you are recalling the whole race. Make sure that the paddlers know that is what a whistle means: STOP, there has been a total false start, come back to the line.

If you have paddlers 'hanging back' well behind the actual start line give them the opportunity **once** to come up to the line. If they are unwilling to do so after being asked, then concentrate on the front line to retain control and accept that those behind the line are more comfortable in the 'second line' position.

You are within your rights as the starter of an event to 'warn' coaches and spectators who are blatantly trying to encourage their paddlers to ignore your instructions and 'push' the start. Do not be afraid to do so.

BY BEING CONSISTENT AT ALL RACES AND ACROSS ALL STARTS PADDLERS WILL LEARN WHAT IS EXPECTED OF THEM.

PART C: RECOMMENDATIONS

These recommendations are to help clubs run well-organised races. You should not attempt to run a race without having attended others first.

1) ADVANCE INFORMATION

Advance information should at least contain the following details.

- a) Name, date and status of the race.
- b) Name of the organising body.
- c) Closing date for entries and whether or not late entries will be accepted.
- d) Person to whom entries and enquiries should be sent, with address, phone number and email.
- e) Entry fees and to whom these should be payable.
- f) An entry form asking for full details of competitors, though entries using the HRM system should be encouraged.
- g) Locations of start and finish, and directions for getting to these places.
- h) Check-in, briefing and start times.
- i) Brief description of the course.
- j) Any special regulations that competitors should be aware of before they arrive.
- k) Any major changes since last year.

2) SAFETY

Safety measures are largely at the discretion of the organiser, since courses and conditions vary considerably. All paddlers ranked in Divisions 7, 8 and 9 or competing in Lightning and fun races must wear a buoyancy aid [Rules 5 (a)(v) and 56 (a)]. Make sure you have adequate safety cover for all Lightning races. On the open sea it is wise to insist on buoyancy aids for all. On open water, rescue boats are very important. Ensure that no one is stranded or lost halfway round the course; it is important to account for all competitors. On calm water it is usually sufficient to have a back marker paddling the course. Marshals at turns and portages should carry safety equipment including space blanket or similar, throw line and mobile phone.

All Race organisers should prepare a Risk Assessment well ahead of their event and put in hand appropriate safety measures. Risk Assessments must be forwarded to the Regional Marathon Advisor before the event.

3) BRIEFING AND CONTROL

- a) Deliver a briefing shortly before the race. Explain the starting procedure; starting order; describe any special features and hazards of the race course and emphasise any special regulations.
- b) Check that all boats are numbered clearly. It is the competitor's responsibility to number his boat, but it does make the finishers' job easier if number plates are legible. Provide large permanent marker pens at check-in.
- c) Use the starting order listed in Section 4.
- d) Make sure the course is clearly marked at all points where there could be doubt. Position marshals at turning points to check against a start list. Have clearly identifiable marshals at portages and shoots. The marshals should keep the passage clear for competitors, keep spectators and competitors off forbidden land and report any misdemeanours to race control. A marshal's directions should override any prior instructions.

4) STARTING ORDER

MARATHON RACING

- a) The start order of the various classes or divisions can have a significant effect on the race results. The general principle is to start the fastest classes first and the slowest classes last. This minimises the chance of fast boats paddling through slower classes, picking up stragglers on the wash and dragging them back to the class leaders.
- b) The following is the recommended start order. Not all these classes will necessarily run at any one race.

Division 2 K2	Division 5 K2	Division 8 K2
Division 1 K1	Division 4 K1	Division 7 K1
Division 3 K2	Division 6 K2	Division 9 K2
Division 2 K1	Division 5 K1	Division 8 K1
Division 4 K2	Division 7 K2	Division 9 K1
Division 3 K1	Division 6 K1	

5) STARTING

- a) Ensure that the paddlers can hear your instructions clearly.
- b) Ensure your start position is such that you can see the boat numbers and if necessary have a helper as a spotter.
- c) You or your helper should have a pen/paper to write down any number warnings and penalties.
- d) If the paddlers do not obey instructions then the rule must be followed with appropriate penalties.
- e) In the event of a false start use a whistle to recall the paddlers. The use of the whistle should be included in pre-race briefing.
- f) Try to ensure the paddlers approach the line very slowly.
- g) An upstream start is preferable if possible.
- h) If you make a requirement or statement as to what you are going to do, do not back down or change it under paddler or time pressure.
- i) Record accurate start times for all races – these will be needed for the HRM program.

6) TURNS

- a) Clearly mark all turns. Use a buoy or buoys at each turn. Make sure these are clearly distinguishable. A clear description and location of the turn buoys must be given at the briefing.
- b) All turns should be properly marshalled. Each turn marshal should have a list of the race numbers that started and be responsible for checking that each boat properly completes the turn. A list of boats that did not complete the turn and a written report of the incidents at the turn must be provided promptly to the race control.

7) FINISHING & RESULTS

- a) Have a clearly marked finishing line. Signify a crossing of the line audibly by bell, whistle or hooter.
- b) Have a reliable, readable clock and a back-up in case of malfunction.
- c) Have a shelter in case it rains.
- d) **Recording the finishing times and positions is the most important job you will do.**
- e) **Prepare in advance with numbered sheets. Have spare pens/pencils.**
- f) Record the number and order of every boat as it passes the finishing line. Two tried and tested methods are:
 - (i) Have lined sheets, marked into two columns with one person writing the boat numbers and another the finish time. If possible have a third person calling out the finishing times. Number all finish pages to avoid confusion, OR
 - (ii) Have a team of three. Two work together, one calling boat numbers whilst the other records the number and time. The third person works independently recording the numbers in finishing order.**We do not recommend having the times written on one set of sheets and the numbers separately written on another set and then trying to match these together.**
- g) A further fail-safe is to have a tape recorder at the finish line. Give the recorder to one of the finish team and tell them to 'talk' every boat over the line, giving number and time.
- h) At all Hasler events you must use the Hasler Race Management computer program (HRM) to produce your results. If possible use the HRM at the race. This will automatically calculate the elapsed time and finishing order of all boats, all singles promotions and the Hasler points. The results will be produced in the format required by the Race Records Officer. The HRM is designed for Hasler races and can be downloaded from the Marathon Canoeing website. If you want any help with the HRM please contact your Regional Adviser.
- i) Whether using the HRM or a manual system, have someone indoors to produce the results. Arrange a system for displaying the results as soon as you know them. Errors can be queried before prize giving. Hold the prize giving as soon as possible.

8) AFTER THE EVENT

MARATHON RACING

- a) After the event is over the final result sheet needs to be produced. Keep all manual start and finish sheets as back-up.
- b) If you have run a Hasler event you must return your results using the HRM. This automatically produces the results in the correct format.
- c) Send results by email to the Rankings Officer, the Regional Marathon Advisor, the Race Records Officer and to marathonresults@canoeracing.org.uk within 2 working days so that promotions can be ratified and the results can be uploaded onto the marathon website. For all addresses, see page F3.
- d) . The race levy should be sent to the Marathon Racing Committee treasurer. See rule 13. Levy to be remitted within 7 days.
- e) Send Event Ticket money to British Canoeing HQ, Nottingham together with the name, post code etc. of those who have paid for an event ticket, on the form provided by British Canoeing.

PART D: VENUE AND ORGANISATIONAL CRITERIA FOR THE NATIONAL CHAMPIONSHIPS AND THE HASLER FINALS

The Marathon Committee will look to the following ideal criteria when considering applications for the hosting of the National Championships and the Hasler Finals. Any club wishing to host the National Championships or the Hasler Finals will be expected to make a short presentation to the Annual Consultative Meeting or to the Marathon Committee outlining their proposals for the course and organisation to meet these criteria.

1) THE COURSE

- a) The course should be wide enough at the start to provide a fair start for all paddlers. It should also be wide enough throughout its length for competitors to overtake and pass each other in opposite directions.
- b) The course should be capable of being paddled in an understern rudder boat.
- c) Portages should allow a minimum of 12 metres at the 'get out' and 'get in' points. Portages should not be of excessive number or length.
- d) Access to portage areas for spectators should be good with adequate parking, or pool transport should be provided.
- e) The course should be reasonably accessible for spectator viewing.
- f) There should not be too many other conflicting water users.

2) ORGANISATION

- a) The organising club(s) should have a proven track record in organising normal Divisional marathons.
- b) The venue should have good access by road and not be too far for the majority of paddlers to travel.
- c) There should be adequate camping facilities nearby, particularly for the two day National Championships.
- d) There should be adequate parking at the start and finish.
- e) There should be adequate covered checking-in and refreshment areas at the start and finish and a results display area.
- f) There should be adequate toilet facilities at the start and finish areas.
- g) There should be an adequate PA system at the start, briefing and prize giving areas.
- h) There should be adequate First Aid cover in appropriate areas.
- i) The starting of all races is to be as the procedure set out in PART C.
- j) There should be a computerised results facility capable of showing class results and team scores immediately after the races.
- k) Prizes at the National Championships will be the official BC National Marathon Championship medals and Divisional medals.
- l) Prizes at the Hasler Finals will be the official BC Hasler Finals medals.

PART E: BRITISH CANOEING MEMBERSHIP AND EVENT TICKETS

All seniors and veterans must be full members of British Canoeing if they wish to race in a Marathon event that has been advertised in the Calendar. Juniors who are ranked in division 6 or above must also hold individual comprehensive British Canoeing youth membership.

A junior club member need not be a full member of British Canoeing in order to race in the lower divisions (7,8 & 9) of the Marathon racing system or in the other 2 categories of marathon races. He / she must, however, be a member of a club with a registered junior section and the number used for his or her identification will be the club's affiliation number followed by the paddler's own individual club number. However, the club abbreviation followed by the paddler's club number is easier and preferred by the Records Officer, both for identification and

MARATHON RACING

ease of recording. i.e. LIN/005, CHE/017. Note that event tickets are also required for Lightning paddlers who are neither British Canoeing members nor a member of a club with a registered junior section but the Event Ticket is issued to Lightning paddlers without charge.

Any junior promoted into a higher division (6 & upwards) must then become a full member of British Canoeing.

Race Organisers MUST still check that a competitor's membership is current either by photocopy of the membership card with the entry or by seeing the card on the day of the race.

If the card is unavailable or forgotten the paddler must purchase an "Event Ticket" as a "stop gap" but only once per season. The records officer carries out a check on event ticket issue for all race results and those paddlers abusing this system will be penalised.

The system is as follows:

1. The tickets are for use by non-members at the entry level only of National Competitions requiring membership e.g. Divisional Racing.
2. For use at a British Canoeing event when the organiser believes a participant may be a member but the member cannot provide proof by way of a membership card.
3. Event organisers charge the current rate set by British Canoeing, which will be sent to British Canoeing HQ, Nottingham within 7 working days of the event.
4. Event Ticket fees are not refundable.
5. The overall consideration is to encourage, in the best possible way, membership of the Country's Governing Body for Canoe sport.

Statement on Foreign Nationals participating in competition.

Following a clarification on the position by the ICF and applying to all disciplines, the following rules were published and shall apply to competitions and teams covered by the Marathon Committee.

- 1) A competitor may compete on behalf of their Federation in a foreign country in which he/she is domiciled, if the competitor obtains the authorisation of their Federation of origin. This authorisation has to be sent before 30th November prior to the year concerned to the ICF Headquarters with a copy to the Technical Committee Chair. The same procedure applies, should the competitor revert to their original Federation.
- 2) If he/she has lived for 2 years or more in a foreign country, the approval of his/her Federation of origin is no longer required.
- 3) An athlete who has competed internationally at any level in the last 3 years requires authorisation from the ICF and the national federation of the original country in order to change sporting nationality.
- 4) For an athlete to be eligible for a change of sporting nationality they must have lived in that country for the last two years.
- 5) The request of the change of nationality must be made to the ICF no later than 30 November the year before the competitor wants to compete.
- 6) A competitor may not compete for more than one Federation in any calendar year in canoeing.

MARATHON RACING – THE HASLER TROPHY

The story behind the Hasler Trophy

One of the most daring raids of World War Two took place on the night of 11th December 1942 in the enemy-occupied port of Bordeaux in France. Operation Frankton involved 12 men in six canoes being taken by submarine to a position 10 miles south of the Gironde estuary on 7th December. One of the canoes was ripped passing through the hatch of the submarine, but the other five then had an 85 mile paddle ahead of them. Two boats were lost in the tidal race and the remaining three carried on for three days, paddling in darkness and lying up during the day. One more boat hit a submerged rock and sank and the final two boats went on to Bordeaux harbour, where they attached their limpet mines and, assisted by the ebb tide, paddled silently back down the river. The mines detonated and severely damaged four vessels and sunk one. The four remaining men beached before reaching the sea, scuttled their canoes and travelled overland to try to reach safety. Two were captured, but Major 'Blondie' Hasler and Marine Bill Sparks made their way to Spain – the only two of the original ten who survived. Hasler was awarded the DSO and Sparks the DSM.

After the war, Hasler went on to found the Single Handed Transatlantic Yacht race after a bet with his friend Francis Chichester. The Hasler Trophy was presented by Lloyds Underwriters to commemorate the raid of the so-called 'Cockleshell Heroes' and has been competed for since 1957. Major Hasler died in 1987 and Bill Sparks died on 30th November 2002, only ten days short of the sixtieth anniversary of the raid. In 2003 the Marathon Committee decided to inaugurate a new trophy named in honour of Bill Sparks, which goes to the highest placed veteran K2 in the highest division at the Hasler Final.

INTERNATIONAL MARATHONS

Prior to 1982 major international competition comprised the Grand Prix series of two or three races per year. In 1982 World Cups were introduced every year as the premier international event in addition to one or two Grand Prix.

From 1988 World Championships were introduced in alternate (even) years with World Cups remaining in alternate (odd) years. One or two Grand Prix races continued every year.

From 1995 European Championships were introduced in alternate (odd) years. From 1998 World Championships were held every year, the old World Cups (in alternate odd years) ceased and the Grand Prix races were renamed as World Cups.

In 2001 Junior World Championships were introduced every year. From 2014 European Championships were held every year.

INTERNATIONAL MARATHONS

SELECTION POLICY FOR GREAT BRITAIN REPRESENTATIVE TEAMS

Objectives

- 1 To win medals at World, European Championships and World Cup events.
- 2 To maintain a position as a top nation in international competition.
- 3 To ensure the long-term athlete development required for international success.

This policy may be amended or supplemented by the British Canoeing Marathon Racing Committee at its discretion in order to achieve the above objectives to cover exceptional circumstances. Every effort will be made to ensure as much notice as possible is given to all persons affected by any change.

Process of Selection

- 1) Each year, the ICF publish an International Calendar from which a programme of International Events to be attended is selected. Due regard is given to the Objectives and to budgets. Some events may be designated "Development". The programme is specified in the Racing Handbook.
- 2) The basic team composition for each event will be detailed in the Racing Handbook. Changes may be necessary to suit all the factors affecting team size and budgets.
- 3) The selection of Great Britain teams for **all** main internationals will be made on a **continuous assessment, open-to-all basis**. The composition of the team for each event will depend entirely on paddlers being, and proving that they are, of sufficiently high standard.

(The system of **continuous assessment** as opposed to one of 'first past the post' at a nominated selection event has been in operation for several years and has operated very well. It allows the selectors to consider an athlete who has underperformed in any one race. This could be due to illness or equipment failure. It also means that consideration can be given to improving athletes who may not be winning but show potential for the future.)

Teams will be selected from the results of assessment races and current season internationals, as detailed in the Racing Handbook, on the basis of their ability to fulfil the Objectives above.

In exceptional circumstances, the Selection Committee may consider international results from previous seasons even where the athlete has no assessment race or international results from the current season.

- 4) All athletes seeking selection should race in the Assessment class corresponding to the category for which they are seeking international selection unless otherwise instructed by the Selection Committee. The Selection Committee reserve the right to disregard results gained by athletes racing in the wrong class.
- 5) Athletes wishing to be considered for International Events must comply with the following conditions.
 - a) They must be Comprehensive British Canoeing members throughout the year.
 - b) Having due regard to their availability for selection and their preferred

INTERNATIONAL MARATHONS

programme, they should apply by completing the Availability Form and returning it by the dates specified in the Racing Handbook.

- c) They should be prepared to meet all assembly costs and pay a contribution towards subsistence costs, as detailed in the Racing Handbook.
 - d) They should be prepared to travel and be accommodated in the best interest of the team.
 - e) They must be prepared to accept the Team Manager's and Team Coach's direction with regard to training and racing while abroad.
 - f) They must be prepared to dress and conduct themselves in a manner befitting a British Team representative, and promote the good name of British canoeing both at home and abroad.
 - g) They should be prepared to give support to Sport UK, Sport England and the Lottery in promotional aspects, in return for the Grant Aid received.
 - h) They should wear the GB tracksuit and team clothing provided, on all suitable occasions.
 - i) They should compete in the appropriate Assessment events.
- 6) The principles guiding the Selection Committee will be as follows. The best team available to represent Great Britain will be selected having regard to the following.
- a) Winning medals at World & European Championships and World Cup events.
 - b) Gaining National Team points.
 - c) Experience enhancement and development potential consummate with the level of the Competition.
 - d) Available budget for an event that supports the overall Marathon programme.
- 7) British Canoeing Marathon Racing Selection Committee shall consist of the following:
- a) The Chairman of Selectors, appointed by British Canoeing Marathon Racing Committee, who will Chair all selection meetings.
 - b) Up to 5 other members nominated by British Canoeing MRC.
 - c) The Marathon Team Manager(s) for the event(s) are invited to attend the selection meetings.

Selectors are required to make every effort to attend all Domestic Assessment events, to ensure that a true and accurate assessment of current abilities can be made.

APPEALS

If there is dissatisfaction with a decision of the Selection Committee (this process applies to all British Canoeing selections) this two stage process will apply:

1. REVIEW:

1.1 A written request for a formal review is submitted in the first instance to the Chair of the Selection Panel who will carry out a review with the Selection Panel.

1.2 This must be done within 48 hours of the selection being announced or communicated to the athlete whichever is later.

1.3 Within 24 hours the Chair of the Selection Panel will advise in writing the outcome of the review and the Selection Panel decision.

INTERNATIONAL MARATHONS

2. APPEAL

2.1 If following the review the athlete wishes to formally appeal the decision then a written notice of appeal must be submitted to British Canoeing Head of Governance within 48 hours of receiving the outcome of the review.

3. NOTICE OF APPEAL

3.1 The Notice of Appeal will set out the ground of the appeal and will include full details of the basis of the appeal including the precise manner in which the appellant alleges the selection criteria have not been followed. The Notice of Appeal should be as full as possible as it will form the basis of the remainder of this procedure.

4. GROUND OF APPEAL

4.1 The sole grounds of appeal against the decision of any selection panel will be that there has been a failure to follow the applicable selection criteria or that the selection panel reached a decision on the basis of an error of fact. This Appeals process is provided on these limited grounds only and must not be seen as an opportunity to dispute the opinion of the selection panel where they have followed the proper procedure.

4.2 There are no appeals allowed against the content of the published selection criteria and therefore against the actions of the selection panel, provided they follow the selection criteria.

5. APPEAL PANEL

5.1 The Head of Governance and Compliance will convene a three-person Panel to determine the appeal.

5.2 The Appeal Panel shall contact the Chairman of the Selection Panel to inform him of the Appeal, provide him with a copy of the Notice of Appeal and request that the Chairman provides any response which he wishes to make on behalf of the Selection Panel within 24 hours of receiving the notification.

5.3 The Appeal Panel will determine based on the written submissions of the athlete and the Selection Panel/Committee without a hearing or the calling of witnesses or the giving of oral evidence. It will seek to reach its conclusion within 5 working days of receipt of the Notice, and will inform all interested parties in writing.

5.4 The Appeal Panel will be entitled to rescind the decision of the selection Panel and confirm the selection of the Athlete only in clear cases where the Selection Policy has not been followed and it is plain that had it been followed the Athlete would have been selected.

5.5 The Appeal Panel shall be entitled to confirm the decision of the Selection panel and reject the Appeal.

5.6 The Appeal Panel may also quash the selection decision and remit the matter back to the Selection Panel identifying the errors they have identified in the conduct of the Selection process and requesting that a new decision is made within one week.

INTERNATIONAL MARATHONS

5.7 At its discretion the Appeal Panel may also make an award for appeal costs up to a maximum of £200

6. FINAL AND BINDING

6.1 This is intended to be an accelerated process to enable any challenge to be resolved as quickly as is reasonably possible. Due to the nature of selection for events, decisions often need to be taken shortly before the events to which the selection relates. Furthermore, there is a considerable potential for 'knock on' to athlete preparation related to the outcome of the appeal.

6.2 The aim of this process is to return a decision on appeal in a timely manner. If the athlete fails to adhere to the time limits set out in this process he or she will have lost their right of appeal under this procedure, save in wholly exceptional circumstances which will be judged by the CEO of British Canoeing in their absolute discretion.

6.3 Further this process is intended to be conclusive and therefore any athlete who enters into this appeal process accepts that the decision will be final and binding.

2017 INTERNATIONAL PROGRAMME

The Committee will provide as full a programme as possible in 2017, but this is subject to the funding we receive. The intended programme for the year is set out below, but it must be understood that the events supported and the sizes of the teams may change depending upon funding.

KIRTON

As old as Kirton itself, as popular as ever and an institution in its own right, the Mirage K2 truly has stood the test of time. It's a hard act to follow, but a challenge we couldn't resist in our 50th year.

MIRAGE 50

We reimagined the Mirage, by reducing the beam to 50cm for clean more efficient waterlines, while keeping the character and primary stability of the original. A narrow deck, with cutaways, gives a chiselled new look that is inherently stronger and lighter than previous models. Visit our website to learn more.

MIRAGE CLASSIC

If it ain't broke... We know that the Mirage 4 still has a lot to offer so we're proudly keeping this classic version in our lineup. It's got a touch more stability, and all the Mirage magic and charm.
