At the start of 2014, the British Canoeing Coaching Strategy Group initiated a review of our qualifications. This resulted in proposals to revise the structure, with a phased approach to the development (and implementation) of the various components. The first phase focused on the Club Activity Assistant, piloted at the start of 2016. This was followed by developments within the Leadership strand, including a new Paddlesport Leader Award, rebranding of the 4 and 5 Star awards, and the introduction of a Guide scheme; all launched April 2017.

This next phase focuses on the development of the qualifications previously pitched at UKCC Level 2. The development is, in the main, focused on a restructuring and creating discipline specific pathways available across all disciplines. This will significantly change the prerequisites and the pathway through taught and assessed elements. Direct entry to the Racing Coach Award, removal of the portfolio and specific deliverers.

The 'Coach Awards' will supersede the current Level 2, Moderate/Advanced Water Endorsements, and Discipline Support Modules. The qualifications are designed for people whose core function is to coach paddlers who want to gain/improve paddlesport skills within the discipline chosen. This will include coaching beginners new to the sport, or paddlers looking to develop their skills in the given discipline/environment.

# PADDLE-ABILITY

Paddle-Ability is the term used by British Canoeing to describe all Paddlesport activity for disabled people. The term focuses on a person's ability to take part in Paddlesport rather than their disability. British Canoeing encourages and supports anyone with any disability or impairment to participate in competition in specific Paddle-Ability events and mainstream competition. Specific Paddle-Ability events are held at National Regattas in Nottingham from April to September. Racing is based on ability (in time bands).

Entries must be submitted, in advance, with other club entries via the Club Team Leaders. If your club does not already have an appointed team leader please contact

[paddle-ability@britishcanoeing.org.uk](mailto:paddle-ability@britishcanoeing.org.uk)

Entrants may have an escort boat to provide support to the starting posts; limited support is also permitted during races. Escort paddlers will be expected to wear yellow escort bibs.

The current Paddle-Ability events available are:

- K1: 200m, 500m
- K2: 200m, 500m
- V1: 200m, 500m

# PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

British Canoeing is committed to ensuring that everyone can enjoy Paddlesport in a safe environment in which they are protected from any form of poor practice or abuse. We continue to work towards and maintain the standards set for sport and to implement the requirements set within government guidelines and legislation.

Everyone in Paddlesport has a responsibility to help safeguard and protect those involved in the sport. Sometimes this can be a daunting prospect. To support those involved in our sport British Canoeing and the home nations have developed a range of policies, procedures and guidance. These can be found on [www.britishcanoeing.org.uk](http://www.britishcanoeing.org.uk) and each home nation website. We ask that club Secretaries/Welfare Officers know where to find the information and make sure it is shared and discussed at club executive and general meetings.

The procedures stem from the following principles:

- The child's welfare is paramount.
- Anyone under the age of 18 is classed as a child.
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
- Coaches, clubs and centres need to be provided with advice to raise awareness of best practice, guidance and support should they become involved in an abuse situation.

**Safeguarding Support Officer** - While the welfare of young people is the first consideration, British Canoeing recognise that coaches, volunteers and helpers may also require support if an allegation is made against them. In these cases individuals should contact the British Canoeing Safeguarding Support Officer whose role is to listen, support, help and provide advice (contact details below). They will not be involved in the case and will be completely independent of the investigation.

**Event Management** - Event organisers should take note that there is a requirement to provide a Welfare Officer at all events where children are participating. For further details refer to the guidance sheets on the website – Paddlesafe Events.

## **Good Practice Guidelines**

By following these guidelines you will help to protect both the children/adult at risk in our sport and our coaches/helpers from wrongful allegations.

- Avoid situations where you are alone with one child/adult at risk. British Canoeing acknowledges that occasionally there may be no alternative, for example, where a child/adult at risk falls ill and has to be taken home. We would stress, however, that one to one contact must not be allowed to occur on a regular basis.
- If any form of physical support is required ask the paddler's permission, explain what you are doing and why to both the child/adult at risk and their parents/carers.
- Where possible ask parents/carers to be responsible for children/adults at risk in changing rooms. Always ensure that whoever supervises young people work in pairs.
- Where there are mixed teams/groups away from home, they should always be accompanied by an adult male and female coach/helper.
- Don't allow physically rough or sexually provocative games, or inappropriate talking or touching.
- If it's necessary to do things of a personal nature for children/adult at risk, make sure you have another adult accompanying you. Get the consent of the parent/carer and if possible the child/adult at risk. Let them know what you are doing and why.

# PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

- Ensure that any claims of abuse by a child/adult at risk are taken seriously and that it is dealt with by people who know what to do.
- Ensure that the nature and intensity of training does not exceed the capacity of a child's/adult at risk's ability and stage of development.
- Follow the British Canoeing guidelines for photography and video use (see Guidelines for use of Photographic and Filming Equipment)

Ensure your club adheres to British Canoeing best practice guidelines and requirements with particular reference to:

- British Canoeing Safeguarding Children Policy and Safeguarding Adult Policy.
- British Canoeing Code of Ethics.
- Safe recruitment and vetting practices including appropriate Disclosure checks, where eligible, in accordance with home nation and government guidelines.
- Safeguarding training.
- Club Welfare Officers attend specific training to support their role- Safeguarding and Protecting Children and Time to Listen workshop.
- Publicise your Club/Event Welfare Officer contact details.
- Publicise the NSPCC Child Protection Helpline.

## SPRINT CHAIRMAN'S FOREWORD

Looking at the notes made for the annual British Canoeing report I see 2017 has been a year of considerable change within Canoe Sprint, both internationally and within British Canoeing. The alterations to the Olympic Programme have created new opportunities with the inclusion of women's canoe and the switch from MK4 1000m to MK500m, but this has been at the expense of MK2 200m, in which Great Britain has excelled over the last two Olympic cycles. The impact of these changes is already evident with a noticeable increase in quality and size of fields in the new Olympic events, particularly at senior International competitions.

We welcomed Paul Ratcliffe as PD Director earlier this year and now Rene Olsen to the Team as Head Coach along with Dr. Tim Brabants MBE as Podium Technical Coach. In the same vein congratulate James Train being appointed as Podium Women's Canoe Coach and Justine Wilmott as Team Manager.

I would like to pay special tribute to the members of the SRC. They do much more than is visible from the bank.

I would also include in my thanks the members of Regatta Committee and all of the volunteers who make the regattas around the country possible. It's not always easy being a volunteer.

However the rewards of seeing athletes compete in well organised events and being part of the sport always more than compensates for the efforts of the work.

Whilst saying thank you I would like to include all the club coaches and helpers that do so much to prepare the athletes for their competitions.

I look forward to a new season of a growing number of excellent regattas and hope to see you there.

Alan Laws  
Chairman

**On occasions, the Sprint Racing Committee's K4 boats used at the National Regattas are available for short term loan.  
Terms and conditions apply, as does availability.

### Introduction

The purpose of this document is to provide the Rules that govern:

It follows as closely as possible the wording and sequence of the International Canoe Federation Canoe Sprint Competition Rules taking effect from 1<sup>st</sup> January 2017. However, it also contains some additional regulations or changes to those rules as determined from time to time by British Canoeing Sprint Racing Committee.

The following words, acronyms and abbreviations are referred to in this document:

**BC British Canoeing** (the Governing Body for Canoeing in Great Britain)

**BOA British Olympic Association** (the National Olympic Committee for Great Britain)

**RC Regatta Committee** (a sub-committee of the SRC responsible for organising and conducting National championships and other competitions on behalf of BC)

### Aims and Definition of Sprint Racing

The aim of a canoe sprint competition is for people to race each other in kayaks and canoes over a clearly defined unobstructed course in the shortest possible time according to the rules. The course should be as flat and still as can be obtained. ## Notes to the British Canoeing Sprint Racing Competition Rules

### Races Exceeding 1,000 Metres at the National Water Sports Centre Nottingham, Rules 21.4 and 21.5

Because of limitations at the National Water Sports Centre - mainly the start pontoon being fixed for the Start of 5000 metre or 2500 metre events - it is not possible to comply with the Rule and provide the three courses required. The 2nd leg under the Rule is 47.75 metres too long. The requirements given in the Rule are those of the ICF, which the BC must shadow in its own Rules.

#### **Long Distance Courses at the National Water Sports Centre, approved by the SRC**

To provide flexibility there are three turning points with the start and finish of the turns as follows:

1. 10 metres beyond the finish line
2. 450 metres from the finish line
3. 1123 metres from the finish line

#### **Domestic Course - 2 laps**

a) Between the start line and first flag of the first turning point =	1229.25 metres
b) Between the last flag of first turn and first flag of second turn =	1133.00
c) Between last flag of second turn and first flag of third turn =	1133.00
d) Between last flag of third turn and the finish =	1123.00
e) Three turns of 127.25 metres each =	<u>381.75</u>
	<u>5000.00</u> metres

#### **Short Course for Juniors - 1 lap of Domestic Course - 2500 metres**

a) Between the start line and first flag of the turning point =	1229.25 metres
b) Between the last flag of the turn and the finish =	1123.00
c) One turn of =	<u>127.25</u>
	<u>2479.50</u> metres

NB With a fixed start position and by using the same turning buoys for the 5000 metre course an exact 2500 metre course cannot be obtained. It is 20.5 metres short.

## NATIONAL SPRINT REGATTAS 2018

### Guidelines for entry to National Sprint Regattas.

See page D1 in the Handbook for the 'Standards for Racing' chart for entry level times to race at National Sprint Regattas. All the ability classes shown together in a band have the same fastest and slowest standard times and/or HCs. The times between indicate how the times might change depending on the Handicap applied to allow for the weather conditions.

National Regatta Minimum Time Standards are monitored; **Penalty Points can be awarded** for not achieving the minimum national regatta standard times. Applicable only to the slowest classes for each group; i.e. when paddlers can't be demoted (allowance will be made for the prevailing weather conditions).

**The Sprint Registration Scheme** is a unique database for sprint clubs and paddler. Team Leaders must confirm when **first registering their paddlers** that paddlers have achieved the BC 2 Star or Paddlepower Discovery qualification or have **paddling competency** equivalent to these awards.

Competitors **must be current members of a National Federation. (i.e. British Canoeing, or WCA SCA, CANI)**. The only exceptions are BC Mini Sprint or Junior D paddlers who are members of BC affiliated club with a registered junior section.

The number used to register these juniors will be the club's affiliation number followed by their own club paddler number. When juniors are promoted, to division 'C' or above, they must become a member of the British Canoeing. **Team Leaders will need to update the on-line Paddler Registration database with the junior's new BC number.**

**A Club Coach or Sprint Team Leader can register paddlers on-line via**

<http://canoesprint.britishcanoeing.org.uk>

Only Registered Paddlers can compete in a British Canoeing National Sprint Regatta. Please note, Paddler Registrations close approx. 1 week before the regatta entry deadline.

**National Regatta Entries are made on-line via** <http://canoesprint.britishcanoeing.org.uk>

Information on how Clubs' Team Leaders can make on-line entries will be found via <http://canoeracing.org.uk/sprint/national-regattas/>

**Ranking List:** The ranking list (see Section D) is intended as a 'working' list and includes registered paddlers who have entered a National Regattas during the last two or three years or those considered likely to race in the current season. Paddlers registered in the past, but not listed in the Handbook are retained in the Database archives and can be reinstated at any time by their Team Leader if they are a current BC member.

National Entries must conform with British Canoeing Sprint Racing Competition Rules (pages A4 –A24) and National Regatta Conditions/Terms of Participation (pages B11– B16)  
See also Team Leaders' Responsibilities page B10 and Notes for Canoe classes on page B12

### New for 2018

#### An Annual National Club Medal competition:

All British medal winners of National Championship events, including Paracanoe, the Mini Sprint and Paddle-Ability series medal winners will gain points for their Clubs. Points will be allocated to the first three medal winners, in each championship event. The winning club will be the club with the most points gained during the year. There will be an exciting prize for the club with the most points (medal winners) at the end of the season.

**'Band Together' Regatta - 2<sup>nd</sup>–3<sup>rd</sup> June 2018:** for this 1 regatta only. **All Kayak Events** refer to the Standards of Racing Bands, see page D1 in the Handbook and not as the usual separate kayak classes within each band. K1 events will be raced irrespective of paddlers age, i.e. no Senior or Master or Junior events but will be separated by gender. K2 and K4 includes all within the numbered Band, irrespective of age and gender. Canoes will race separately to the kayaks in their usual seeded races.

## NATIONAL SPRINT REGATTAS 2018

### New for 2018 cont'd

#### Introduction of a trial Under 12s Sprint Kayak K1 Event:

To assist Under 12s to progress into the main classes at our National Sprint Regattas, during 2018 we are introducing a Under 12s sprint K1 event run over a 500m course starting at the **May Regatta**.

Depending on the interest, a review at the end of the season will determine its development.

**It will be the club Team Leader/Coach's responsibility to make sure that their Under 12 paddlers are confident and competent to paddle down the HPP course in a sprint K1.**

For this event:

- Any Sprint K1 other than a Lightning may be paddled.
- Boys must be able to cover 500m in a minimum of 3.45 minutes and K1 events will be run as an all-boys event.
- Girls must be able to cover 500m in a minimum of 3.45 minutes and K1 events will run as an all-girls event.
- The races will only be combined if there are insufficient numbers.
- Existing Lightning paddlers may enter this event providing they have achieved the required time in their own sprint K1 and their Team Leaders have registered them in the database with this K1 time as an Under 12.
- All Under 12 paddlers for this class/event, must wear a buoyancy aid at all times when they are on the water.
- Once they have achieved the time for D Classes they will automatically be promoted.
- Existing D Class paddlers are not allowed to enter.
- The U12 K1 events will score points during the Inter club McGregor Challenge regatta which will go towards their club's score.
- Lightning/Mini Sprint Series points accumulated will continue to be added to the club's points and go towards the Marsport Trophy.

**Regatta Event Fees:** Will be reviewed annually: For 2018 fees are as follows:

Group	K1/C1	K2/C2	K4/C4
Senior Events:	£7.00 (late £12.00)	£14.00 (late £19.00)	£28.00 per boat (no late fee)
Junior Events:	£7.00 (late £12.00)	£14.00 (late £19.00)	£28.00 per boat (no late fee)
	<b>Lightning K1</b>	<b>Hody style K2</b>	<b>Rocket K4</b>
Mini Sprints:	£7.00 (late £12.00)	£14.00 (late £19.00)	£28.00 per boat (no late fee)

Please note that K4 / C4 fees include the cost of boat hire.

***In the event of inclement and/or windy conditions the organisers may at their discretion cancel or postpone races, or insist on the wearing of buoyancy aids.***

***An Orange flag will be displayed on the flag pole by the Finish Tower when buoyancy aids are compulsory for any (or all) classes of paddlers.***

# INTER-CLUB NATIONAL COMPETITION

## The MacGregor Paddle Challenge

John MacGregor M.A., Trinity College, Cambridge; (1825-1892) Barrister-at-Law, Captain of the Royal Canoe Club, through his extremely popular books and magazine articles from 1865 to 1892, practically invented the sport of canoeing (or kayaking).

The beginning of recreational canoeing can be traced directly to an Englishman, called John MacGregor, in the middle of the nineteenth century. He was a man with a penchant for boat design and exploration, who developed his craft based on the Eskimo Kayak, which he named *Rob Roy*. He took the boat on long journeys along the rivers and across the lakes of Europe, lecturing and writing about his travels as he went. His tales attracted quite a following and soon there were many kayaks in Great Britain based on his kayak design that is still referred to as a *Rob Roy*.

Canoes are the larger category under which kayaks fall: while all kayaks are canoes, not all canoes are kayaks. Paddlers in kayaks sit with their legs stretched out in front of them and canoeists generally paddle from a kneeling position. Most canoes are open hulled; while kayaks have covered decks. Canoe paddles are typically single bladed, while kayak paddles are double ended.

Some might say these differences occur because of the type of water available, but a look at the evolution of British canoeing culture during the past one hundred and twenty years would suggest that the major changes are due to those who have written and taught, coupled with the availability of canoes or kayaks.

The first period from 1865 evolved from the founder of British canoeing, John MacGregor. His book, *A Thousand Miles in the Rob Roy Canoe*, fired the imagination of the Victorians. The '*Rob Roy*' was a stable kayak, went in a straight line and had a large cockpit. Made of wood, it was easy to handle and a boat in which any beginner would have felt safe. In this period, wooden canoes were imported and were used for family outings and touring, the limitation to the growth was the cost of the wooden craft.

The second period from the 1930s to the 1950s is identified with the wooden frame and canvas kayaks and the start of the BCU Coaching Scheme. Percy Blandford wrote books and produced a host of designs for the Scout movement, which brought canoeing to a much wider number of people. The low cost, make-it-yourself PBK (Percy Blandford Kayak) designs, were, like the '*Rob Roy*', stable, went in a straight line, and had large cockpits. The British Canoeing Coaching Scheme was started in the 1950s by John Dudderidge. The original proficiency tests were designed around the use of the open cockpit straight-line kayak.

The third period, which had a massive impact on both the expansion and the change in direction of British canoeing culture started around the early 1960s, when in 1962, the BCU appointed its first Director of Coaching, Oliver Cock, giving added drive to what was to become a very powerful teaching scheme. For various reasons, the Coaching Scheme became more and more interested in rough water canoeing. At the same time, glass reinforced plastic became available. Moulds were produced for the home builder and the designs reflected the interest in rough water. Thousands of kayaks were produced with rockered hulls and small cockpits. By 1980, the Coaching Scheme had 3,000 members almost all teaching in the close fitting cockpit kayak. So powerful had that culture become that, if the word 'canoeing' is mentioned to almost anyone in Britain, their immediate image would be that of a young man or woman strapped into a kayak, wearing a crash helmet and wetsuit, performing turns and rolls on rapidly moving rivers. This was a great image for the adventurous teenager but daunting for many others who might wish to paddle. Indeed, a far, far cry from the canoeing of MacGregor.

MacGregor spent part of his youth in Halifax, Nova Scotia, where his father was stationed in the 1830s in a fort. He may have picked up some canoeing experience there.

# INTER-CLUB NATIONAL COMPETITION

Reading his books one notices he carried in his canoe a number of religious tracts (in a movement called "Muscular Christianity") written in the local language and was always ready to hand them out. He did not travel on Sundays, but did lecture on his travels and gave much of the profits to charities, especially to boys in the inner cities.

He published accounts of several other canoe cruises, including one to Scandinavia and another to Jordan and Egypt. The appendix to that book gives some construction details for his canoe designs.

His wooden split paddles were presented to Royal Canoe Club in 1959. Subsequently these were used as the trophy at the BCU National Inter-Club Sprint Racing Regatta, being first presented in 1977 to the winning club Fladbury and still fought over annually. A full list of winners can be found on page C13.

## **The MacGregor Challenge is a National Inter Club competition with competitors register within a national 'sprint standards for racing' ability class.**

**Note:** We are currently reviewing the point scoring process with a focus on creating a parity with club size and their ability to win the competition. If this modelling exercise is completed sufficiently early, a revised set of rules will be made available before entries for the MacGregor regatta are opened.

### **Scoring for the MacGregor Paddle Challenge Competition**

Under the following system most clubs should have an opportunity to achieve a winning score:

1. Each Club will score 1 point for each promotion accredited to any Under 12 Kayak, Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddlers since and including the previous MacGregor regatta.
2. Each Club will have deducted from their score penalty points accrued by every Under 12 Kayak, Junior (A to D), Masters (A to D) or Senior (A to D) ability class paddler since and including the previous MacGregor regatta.

# NATIONAL SPRINT REGATTAS

## Disciplinary Procedures

### Offences Incurring Penalty Points

The Chief Official will be solely responsible for all disciplinary matters of a minor nature, under the operation of a penalty points system, referred to in Rule 31 of the British Canoeing Sprint Racing Competition Rules. At his / her discretion, he / she may authorise the issuing of penalty points to each paddler involved in each of the following offences. These offences are considered to be detrimental to the efficient operation of regattas and / or potentially hazardous.

Code	Infringement
• C	Racing in incorrect colours
• N	Racing with incorrect or missing number
• Z	Failure to observe water zoning procedures
• S	Unauthorised substitution for another paddler
• F	Failure to report, having qualified, for a final
• D	Conduct during racing likely to cause injury or damage to equipment
• L	Use of offensive language
• U	Underweight boat (see note 1)
• R	Failure to report for boat weighing immediately (see note 2)
• B	Insufficient buoyancy (see note 3)
• T	Race times below minimum Sprint Standards of Racing for National Regattas (see note 4)

### Notes

1. Weights must be properly fixed to the boat or seat. Stones in bags or any other temporary system will not be accepted.
2. Boats required for weighing will be notified shortly after the finish of the race.
3. Boats buoyancy will be checked. Penalty points will be applied or competitor(s) can be disqualified from a race if Officials find a boat has been on the course without visible additional buoyancy (or fixed bulkheads).
4. Applicable only to the slowest classes for each group, i.e. when paddlers can't be demoted, (Men's D, Masters D, Women's D, Women Masters B, Boys D & Girls D)

### Accumulation of Penalty Points and Penalty Fines

1. When a paddler accumulates a total of 4 or more penalty points, he / she is liable for a fine of £10 per point in excess of 3 points.
2. Fines are to be paid at the Regatta Secretary's Desk
3. **A paddler liable for a fine cannot race until the fine has been paid.**
4. Penalty points are accumulated over 4 consecutive regattas and are not restricted to a single year. Thus, for example, penalty points incurred in the last regatta of the year will remain active until the start of the 4<sup>th</sup> regatta of the following year.

### Notification

Team leaders may be notified when a penalty point has been issued to a paddler from his / her team.

A record of all the active penalty points is listed at the end of the official results for each regatta.

### Disciplinary Matters of a More Serious Nature.

In respect to all other disciplinary matters the Chief Official, Competition Committee and the Competition Jury must act as described in the Sprint Racing Rules which include penalties in accordance with British Canoeing Rules or the Sprint Racing Section Disciplinary Regulations.

**N.B.** A reported incidence of dissent / abuse towards a Regatta Official, another competitor or their equipment, or a spectator must be treated as conduct prejudicial to the interests of the sport and dealt with under the Section Disciplinary Regulations.

# MINI SPRINT SERIES 2018

The Mini Sprint Series is run alongside the National Sprint Regattas held at Holme Pierrepont in Nottingham during May, June, July and September.

The Mini Sprint series has been specifically developed to suit the needs of young people who have chosen this discipline at this time. It is part of the Paddlesport foundation which helps them progress into whichever discipline they may eventually choose. The programme has taken into account that full sized K1s, K2s and K4s are too large for young people. Together, Canoe England's Paddlesport Participation Programme and British Canoeing Sprint Racing Committee have formed the Mini Sprint Series. This has evolved from the Lightning series that was originally only a K1 event. Now as a weekend event it is giving racing experience on the National course so that the paddlers have a smooth transition into the Class D events.

The aim of the series is:

- To introduce young paddlers to the venue.
- To develop experience of sprint competition at a national event.
- To develop teamwork.
- To have the opportunity to develop competitive paddling skills.
- To become motivated to progress through the main classes.
- To meet and make friends with paddlers from other clubs.
- **To enjoy, have fun and become confident sprint paddlers.**

## Team leaders notes on entries and kayaks

- The paddlers will compete over 500 metres in Lightning K1, Hody-style K2s and Rocket K4, with heats and finals run and timed on the main regatta course.
- The cost per seat is exactly as other junior paddling categories.
- **Please ensure you enter your paddlers in the correct category, which is based on time, not age. Only Lightning kayaks are to be paddled in the K1 events.**
- Clubs should bring their own Hody-style K2. If using a make other than Hody please inform the Chief Official before the event. [Regatta.ChiefOfficial@britishcanoeing.org.uk](mailto:Regatta.ChiefOfficial@britishcanoeing.org.uk)
- Rocket K4s only will be used and can be supplied by the SRC. Clubs may bring and use their own Rockets.

## When booking a K4:

**Team Leaders will book a whole K4, as with classes C and D. When combining with paddlers from other clubs it is the responsibility of the Team Leaders involved to arrange who pays for the entry and to collect payments. It is not the organisers or the volunteer official's remit to sort out your payments. Any changes to your entry must be made at the main Team Leader's meeting. Further changes for entered crews may be made at the Secretary's desk providing all paddlers and team leaders know of the changes.**

# MINI SPRINT SERIES 2018

## Mini Sprint Cup Series

This series is a whole season event and the **Marsport Trophy** will be awarded in September to the club with the most points. Individual paddler points will be awarded for each event during May, June, July and September with double points being awarded at The MacGregor Inter Club Regatta.

## Mini Sprint Cup Rules 2018

- Points are accumulated at each event leading to a final at the September Regatta.
- **Mini Sprint points do not count towards The MacGregor Inter Club points.**
- At the MacGregor Regatta the Mini Sprints receive double points for their paddling and these go towards the Mini Sprint Cup competition which runs separately from the main Inter Club Competition.
- Mini Sprint Cup includes overall prizes for both male and females in each category and an overall club prize. Details are as follows:

### Entry Conditions

To enter the Mini Sprint Series the young people must be under 12 on 1st January 2018 and have achieved at least Paddle Power Discover standard and must be able to paddle a K1 Lightning over 500m in less than 4 minutes.

### Categories

- A: (LTA) for those who can complete 500m in under 3 minutes 30 seconds
- B: (LTB) for those who complete 500m **between** 3 minutes 30 seconds and 4 minutes

### Entries

- All entry fees are per seat and will be entered with your club's main regatta entries.
- **Please read notes on entering Rocket K4**

### Events

May, June and July Regattas with the finals at the September Regatta 2018.

### Points Scoring:

All National Mini Sprint winners (individual) are awarded on the same system. Their 2 best regatta scores added to their Mini Sprint Inter Clubs score.

**All points scored will count only towards The Mini Sprint Team and individual events.**

National Regattas (May, June, September): in K1, K2 and K4.

- 1st place scores 10 points, 2nd place scores 9 points etc. down to 10th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results at each regatta. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 10 points **for each paddler**.

# MINI SPRINT SERIES 2018

Inter Clubs Regatta (July) in K1, K2 and K4

1st place scores 20 points, 2nd place scores 19 points etc. down to 20th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 20 points **for each paddler**.

## Team Event:

The points scoring system is based on each club's best 2 regatta results scores added to their Mini Sprint Inter Clubs points score.

## Promotions:

- Promotion from Mini Sprint Category B to A will be based on K1 500m times.
- Promotions from group B to A will automatically be done in the May and June regattas. The best set of existing regatta points will be carried through and added to the paddler's July and September points gained in A.
- Promotion into Boys D and Girls D is based on normal regatta entry guidelines. This is only done after a discussion with the team leader.
- When a paddler is too old to participate in the Mini Sprint Series **they do not** automatically move to D classes. They must reach the required standard. See the Standards Chart on page D1. They would be allowed to paddle only in D Class crew boats, **with established D Class paddlers**.

## Prizes:

- Tiddly Winks will be awarded for 1st, 2nd & 3rd places **in the K1 Final One only** of each category and for the three fastest K2/4 crews in each category within the Mini Sprint series.
- Medals will be awarded to the overall series winners - 1st, 2nd, 3rd male and female in each category. The Marsport Trophy will be awarded to the Club that has accrued the most combined category points.
- All participants will be awarded a Certificate each month they enter. These are to be collected by the team leader from the Secretary's Desk.

## NATIONAL REGATTA OFFICIALS

Anyone interested in finding out more about assisting at National Regattas is invited to come and sit alongside experienced officials to find out what is involved. The training of officials is a highly important area of our activities with training during National Regattas and at 'out of season' workshop days. A few experienced officials do go on to take the International Canoe Federation Technical Officials Examination, thereby becoming qualified to officiate at ICF or ECA Internationals. ITOs, must have worked a minimum of 6 days (12 points) during the current year to be eligible to apply to be nominated for an International appointment the following year. Regatta Officials interested in knowing more about what this entails contact the Chief Official.

Several officials are working in Pre-Regatta groups such as timetabling where paddlers are put into races, updating club colours, registration of paddlers and putting together the printed programme. We also have an IT team who are striving to develop a program that will reduce the workload for entering and paying, also involved in the further development of the results service.

We are continually trying to recruit volunteers to help run our increasingly popular regattas. No experience or special skills are required but working as a team is important. Just half a day helping, whether morning or afternoon, would be greatly appreciated.

We are looking for assistance with First Aid throughout the regattas. As with the officials this is worked on a rota basis headed by a full time paramedic who takes overall responsibility for reporting accidents. All clubs have qualified first aiders who could help with this important service.

**From 2018 all Regatta Officials will be able to earn points which will be added to their club's MacGregor score. 1 point will be awarded for each half day worked. The points become transferable to the club once a minimum of 12 points (6 days) has been accumulated since the previous MacGregor. Points will also be awarded to those who attend workshops. A total of 20+ points is achievable by each official. Officials who are not members of a club may donate their points to a club of their choice.**

If you would like to know more about helping at a National Regatta, please contact Ann Hoile at the Secretary's Desk during the regatta weekend or email [volunteercordinator@canoeracing.org.uk](mailto:volunteercordinator@canoeracing.org.uk)

# BRITISH CANOEING PERFORMANCE & TALENT PROGRAMMES

**Paul Ratcliffe is the British Canoeing Performance Director with the overall responsibility for all the British Canoeing Performance and Talent Programmes.**

Head Office: British Canoeing, National Water Sports Centre, Adbolton Lane, Holme Pierrepont, Nottingham, NG12 2LU. Telephone: 01159 822094

## **Tokyo Strategy and Funding:**

British Canoeing is in the fortunate position as a sport to receive a significant level of funding from the National Lottery which is allocated through UK Sport. The ultimate purpose of the funding for the World Class Performance Programmes is to win Olympic and Paralympic medals. Our process in achieving this starts by focusing on individuality by putting athletes right at the heart of everything we do to create an athlete centred culture.

British Canoeing's Performance Programme funding is dedicated to supporting the most talented athletes in the Olympic disciplines of Canoe Slalom and Canoe Sprint Racing and the Paralympic discipline Paracanoe to win medals at the highest level. Having consistently won Olympic medals since 2000, the sport gained its first ever Olympic Champion, Tim Brabants, in the K1-1000 in Beijing in 2008. At the London 2012 Olympics, Ed McKeever followed this success, winning Gold on home soil in K1-200. We had our best ever Olympic results at the Rio 2016 Olympic Games, with Liam Heath winning Gold in the K1-200 and Liam Heath & Jon Schofield winning a Silver medal in the Men's K2-200 event. We also had great success in our Paralympic debut, winning three Gold medals (Jeanette Chippington, Anne Dickens & Emma Wiggs) and two Bronze medals (Nick Beighton and Ian Marsden) at the Rio 2016 Paralympic Games.

Our overall aim is to improve on our Rio 2016 performance at the 2020 Tokyo Olympic and Paralympic Games. For the Tokyo cycle the British Canoeing Olympic and Paralympic programme will be based at two High Performance Centres. The Canoe Sprint and Paracanoe programmes will be primarily based at Holme Pierrepont in Nottingham and the Canoe Slalom programme will be primarily based at the Lee Valley Whitewater Centre in Hertfordshire.

In 2017, the first year of the Tokyo cycle, athletes in each discipline achieved some outstanding World and European Championship successes. 2017 has also seen significant changes to the personnel within Slalom, Sprint and Paracanoe and was notable as we took time to review the culture within our World Class and Talent programmes. We have introduced some significant and positive changes to improve the wellbeing of athletes and coaches in the programme and this work will continue at pace in 2018.

British Canoeing receives funding from Sport England to support its Talent Programmes. Our vision is to create a world-leading Talent Programme which discovers, nurtures and delivers an oversupply of talented athletes with the characteristics required for senior international success for our World Class Programmes. The vision is also to create an environment committed to the pursuit of excellence and to supporting every athlete to be the best they can be.

## Overview of the 2018 Selection Process

### Please Note:

At the time of print the 2018 Selection Policy is being finalised. The final copy of the selection policy will be published on the British Canoeing website in January 2018 and can be accessed by the following link [www.britishcanoeing.org.uk/olympic-paralympic/policies/](http://www.britishcanoeing.org.uk/olympic-paralympic/policies/)

With less than 1000 days until the Tokyo Games, the halfway point in the Tokyo cycle will be reached during 2018.

The Purpose of the Selection Policy is to clearly outline the processes which will lead to the selection of the best athletes for the major canoe sprint competition events in 2018. The Selection Policy is designed to allow athletes to produce optimum performance at the World Championships through clear selection assessments and prioritising preparation for key competition events across age groups.

The Selection policy will focus strongly on supporting the optimal performance delivery in Tokyo and will be focused on Tokyo 2020 Olympic events. The primary aim of the Senior & U23 Competition Programme is to provide opportunities for athletes to develop the racing skills and experiences in order to deliver our 2020 Mission and meet our annual milestone targets. (Section 2)

The Canoe Sprint International Panel (IP), which is appointed by and reports to the Board of British Canoeing, is responsible for all aspects of developing, approving and managing the implementation of the selection policy. This includes the annual policy for all Great Britain Canoe Sprint representative teams at Senior, Under 23 and Junior levels and also the Olympic Selection policy for 2020.

This is a change to previous methods of communication to demonstrate transparency of process.

## **Team Selection Overview (all teams)**

All 2018 Team selections will originate from domestic selection competitions which will be used to select athletes/crews to the Senior World Cup Teams, U23 European Championship Team & Junior European Championship team.

Domestic selection will be split into two open competitions on identified dates:

- Crew Boat selection (Senior & U23 & Junior) April 14<sup>th</sup> /15<sup>th</sup> 2018 at Holme Pierrepont, Nottingham

# BRITISH CANOEING PERFORMANCE & TALENT PROGRAMMES

- Individual selection (Senior & U23 & Junior) April 28<sup>th</sup> 2018 at Holme Pierrepont, Nottingham

Performances at the Senior World Cup race(s) will inform selection to the Senior World Championship team and Senior European Championship Team as outlined later.

Performances at the Junior & U23 European Championship will determine selection to the Junior & U23 World Championship Team (stage 1 selection). If there are unfilled places in Olympic classes following the Junior European Championships, subject to achieving performance standards, the first boat in the July regatta in specific classes will be considered for Junior World Championship team selection (stage 2 selection).

Additional events and other information relevant for the selection process will be published on the BC website. [www.britishcanoeing.org.uk](http://www.britishcanoeing.org.uk)

## British Canoeing Talent Programme Overview

As a Talent Programme we look to support athletes along the pathway and within their clubs, acknowledging the support they receive from their club coaches.

Within the British Canoeing Pathway we look to support athletes and those who support the athletes through their journey through 3 layers:

### **Racing Skills Programme:**

Clubs are an essential part of a healthy talent pathway and provide environments which support individuals to fulfil their potential. The England Talent programme is engaging in work to help develop clubs, coaches and parents. British Canoeing is committing to support and work in partnership with coaches, athletes and parents during the Tokyo Olympic cycle to provide support to develop and grow club athletes. Racing skills looks to bring coaches, athletes and parents together to share knowledge and to allow those to be better informed to aid the growth of the young paddler in a fun and inventive way. The programme is all about developing an athletic athlete that wants to remain in the sport, whether it be Sprint, Marathon or any other discipline they choose.

Within the Racing Skills training days, we look to develop the club coaches' experiences and knowledge by creating open forums and workshops lead by the club coaches involving the Talent Coach Development Manager and Talent Pathway Manager working from a framework to help increase the club coaches and athletes' experiences and knowledge. It's not just about developing athletes, the days are also about the coaches and the parents, running individual workshops for each group.

### **Super Regional Squads:**

The SRS programme aims to support, develop and prepare athletes in a manner which assists them to gain the skills and characteristics required to progress onto the British Canoeing ENTS Programme and onto longer term senior international success as members of the GB Sprint Team.

Throughout the course of the year a number of training days and camps will be set out to equip athletes with the skills and training necessary to progress onto Junior teams to compete at the Olympic Hopes and major Championships.

The Regional days provide the opportunity for athletes/Parents and coaches to engage with the Regional SRS coach to help support the athlete in their training in their individual environment.

### **England National Talent Programme:**

The ENTS programme aims to support, develop and prepare athletes in a manner which assists them to gain the skills and characteristics required to progress onto the British Canoeing World Class Podium Potential Programme and onto longer term senior international success as members of the GB Sprint Team.

The ENTS programme sets out to equip athletes with the skills and training necessary to progress onto Junior teams to compete at the Europeans and World championships.

ENTS Camps provide the opportunity for athletes/Parents and coaches to engage with specialist providers in Psychology, Nutrition, Performance Lifestyle and S&C to help support the athlete in their training.

The handicap (HC) column is used to vary the standard time for each band to account for racing conditions at the time.

Promotions (P) and demotions (D) are possible on 1000m, 500m, 200m races.

# PLACID WATER RACING AWARDS

The awards are intended to recognise and encourage improvement in canoe and kayak racing performance. They can be attempted in any canoe or kayak, although the aim is to encourage the use of straight running craft in an individual's progression to modern racing boats.

The 500m Award is particularly useful to determine the appropriate level of entry for paddlers into Marathon and Sprint Racing.

## **Canoeing and the Environment:**

Canoeing is an exciting, adventurous, competitive and recreational activity from which much of the enjoyment and adventure comes from the natural environment. Every canoeist must remember to respect all wildlife, and take care not to damage or destroy the environment, by observing the [You, Your Canoe and the Environment](#) leaflet.

## **Assessing:**

Any Level of British Canoeing Coach (in current membership) or British Canoeing Affiliated Club Official may test candidates for the Placid Water Racing Awards. The awards are administered by the Home Nation Associations on submission of individual Placid Water Racing Award Pass Slips (available from the Home Nation Associations).

## **1) Time Trial Awards:**

Type of boat: Any canoe or kayak

Aim: To introduce and encourage new paddlers to club based competition

The Time Trial Award can be tested over any distance from 2,000 to 10,000 metres. It is awarded on the basis of speed (minutes per 1,000 metres) and can be attempted in any type of canoe or kayak. The award is designed to be flexible; to suit whatever placid water is available. Testing can be organised as part of a fun race, a club handicap race or specially organised time trial.

*(Maximum time in minutes per 1,000 metres)*

## **2) 500m Sprint Awards:**

As a guide for coaches, team leaders and paddlers wishing to place an entry for the first time in a Divisional Marathon Race and/or a club, local or regional Sprint Regatta, the following levels, using the 500m award, are suggested to ensure new paddlers race with paddlers of similar ability:

NB: Potential entrants for Sprint regattas should normally achieve their award in either a racing canoe in high kneeling position or racing kayak with a seat.

NB: Entry Levels for Sprint National Regattas, see 'Standards for Racing' chart page D1

### 3) Marathon and Half Marathon Awards:

*Type of boat:* Any canoe or kayak

*Aim:* To recognise and encourage improvement in Marathon racing performance

There are a number of races in the national calendar that provide a suitable venue for testing these awards. The standards may be adjusted to take account of courses slightly longer than the award distance, flow and portages (allow three minutes per portage).

# COACHING AND LEADING THE COMPETITION DISCIPLINES

## Developing your coaching and leadership skills through British Canoeing courses

There are various pathways enabling both paddlers (boat based) and non-paddlers (bank based) to become Competition Coaches. There are a range of direct entry awards available, which could be the first step for any aspirant coach or leader.

### **Paddlesport Instructor**

The Paddlesport Instructor (formally Level 1) is aimed at those delivering introductory Paddlesport events and taster sessions, providing fun and engaging experiences for all ages and any of the competitive paddlesport disciplines. The Paddlesport Instructor can plan, deliver and review short coaching sessions, normally with the support of a more qualified coach, so is a great first step for those new to coaching.

If you wish to enter the Coaching Scheme as a 'Boat Based Coach', then you will need the 2 Star Paddlesport Award or the Paddle Power Discover Award or higher, together with completion of a Foundation Safety and Rescue Training Course. The 2 Star is an award that has to be taken in Canoe and Kayak. The choice of boat that is used for each of these is entirely up to you! If you want to use your C1 or K1 for the canoe or kayak aspects of the course, you are entitled to do so.

If you wish to enter as a 'Bank-Based Coach', then you only need to complete a Foundation Safety and Rescue Training Course.

The Foundation Safety and Rescue Course may be included in Paddlesport Instructor course by adding an extra day, or it could be attended prior to the Paddlesport Instructor Training Course.

The Paddlesport Instructor is takes place over 4 days. The course may be modulated over weekends, evenings or during the week over a longer period of time. This offers flexibility to aspirant coaches.

Assessment takes place during the course, with a number of tasks being performed and continual feedback given by the course tutors. The course is generic in nature with opportunity to explore different methods of coaching in and to a variety of craft; canoes and kayaks; singles and crew boats, which offers a great opportunity to try out new boats! Again, you can use the craft you regularly paddle and coach from for the majority of the course.

### **Coach Award**

Launched in January 2018, the Coach Award creates discipline specific pathways across all disciplines, including the Racing Coach Award. The Coach Awards are designed for people whose core function is to coach paddlers who want to gain/improve paddlesport skills. This will include coaching beginners new to the sport, or paddlers looking to develop their skills in the given discipline/environment. The Racing Coach Award is open to boat-based and bank based paddlers.

The Racing Coach Award includes a 2 day of Core Coach Training and a 2 day Racing Coach training, which is concluded by a 1 day assessment. There are direct entry options available, a British Canoeing membership is the only prerequisite of the Core Coach Training. Where relevant, coaches who have already completed various British Canoeing qualifications can by-pass the Core Coach Training and/or Discipline Specific Training. Coaches who have completed the Sprint Discipline Support Module Part 2 (training and logbook) can choose to by-pass the respective Racing Coach Training if they feel confident with the content.

There is a supportive eLearning package available to aid learning.

# COACHING AND LEADING THE COMPETITION DISCIPLINES

## Performance Coach

Performance Coaches (formally Level 3) are discipline specific and is available in Sprint or Marathon. Performance Coaches are trained to oversee an annual programme for paddlers and coaches under their direction. It is the ideal qualification for those coaches who have a lead coaching role within a club.

Performance Coaches can be boat based or bank based. They would need appropriate qualifications or experience required to fulfil the conditions to become a boat based coach.

The Performance Coach Course consists of a 3-day (or equivalent) Generic Core, this is followed by 3 Intermediate Supporting Modules and then a 2 day Discipline Specific Course. Then various assessment tasks have to be fulfilled over a 12 month period. The assessment process involves two parts, one in the training environment and one at a competition environment with the coach's own long term athletes.

## Paddlesport Leader

The Paddlesport Leader Award is aimed at paddlers taking on formal leadership responsibilities in benign, sheltered water environments and aims to support Leaders to run safe, quality, enjoyable trips based on their group's needs and aspirations. For example, in a racing club, a Paddlesport Leader could provide a safety overview on a training session chaperoning other paddlers.

The Paddlesport Leader is a direct entry award and training is not compulsory. Leaders can opt for British Canoeing Paddlesport Leader Training courses, which are available to support you in your development of the required skills. These courses typically cover leadership skills, and the associated personal skills, safety and rescue skills. Alternatively, you may wish to opt for more bespoke training opportunities. For example, private tuition, in-house training at your club, working alongside/shadowing other Leaders, or conference/symposium workshops.

The only prerequisites for the 1 day assessment are Home Nation membership and a one day First Aid Award.

There are supportive resources available, including the [Paddlesport Leader eLearning](#), a Skills Checklist and Leading Experience record.

## Support Modules for Marathon or Sprint

Any level of Coach can attend a one-day DSM course. These are available in both Sprint and Marathon and focus on the basic aspects involved in coaching, particularly forward paddling technique in canoe and kayak. It is designed to give the Coach an initial understanding of Sprint and Marathon Coaching. Dates for the Modules can be found on the British Canoeing Coaching Pages here <http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#discipline-support-modules>

## Supporting Modules

To help a coach or leader with their personal development, there are a number of Foundation Modules and Intermediate Modules available as supporting units. Details of these can be found at <http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#foundation-modules> and [www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#intermediate-modules](http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#intermediate-modules)

This includes the Strength and Conditioning Foundation Module is available for clubs or groups of clubs to access. This course is aimed at the coach who wishes to commence Strength and Conditioning work at the club without having to rely on expensive equipment or hiring sports halls or gyms.

## Chairman's Foreword - 2018

2017 has seen positive change and greater BC involvement in Marathon. Our discipline has been going from strength to strength, not only in terms of numbers taking part in domestic competition, but also there has been a further improvement in our international success with some very notable high level results, medals and a World Champion!

Without doubt this last season has seen some of our best international results for a number of years. This is of course down to our athletes and competitors that support and learn their skills at the huge number of events across the country.

Our racing calendar, with its varying and challenging programme, is the envy of others. It is of course the MRC that oversee and regulate, but more importantly, it is the dedication and hard work of all our clubs and their many unpaid volunteers that put on the weekly events that should really be congratulated. Without their commitment, our sport would not be thriving as it is.

Our success in attracting competitors & perhaps increasing BC membership, is being recognised by BC with a significant increase in our central grant for the first time in over 10 years. This together with the increase in the racing levy will enable us to deliver further improvements, concentrating on domestic competition and its delivery. Our aim is to make our regular events more professional, more exciting and more competitive across all divisions. Working with BC we intend to improve the already successful National Championship weekend and Hasler final.

Following the proposal of development to Under 12 racing at the ACM in July 2017, rules have been drafted to include some of the very positive responses made at the meeting. In order to avoid confusion during the season 2017/18 which terminates at the end of August 2018, the rules published here do not include any alterations to Under 12 Racing. These will be available on the MRC Website in July and August ready for 1<sup>st</sup> September 2018. Details of the purpose of the changes will be made available before this.

Following discussion at the ACM it is decided that Club Colours are compulsory at all future Assessment Races. Any paddler who is not a member of a club with registered colours must wear a white top.

Your committee are pleased to hear from you regarding improvements you would like to see. We hope that 2018 and beyond will see us working more closely with the DW organising committee, the many schools competitors and see further developments to broaden the appeal of our discipline. One major draw of our competitions is the diversity of our courses, water conditions and venues. It is vital that race organisers continue to deliver challenging and stimulating courses, and do not succumb to the temptation to sterilise races in imitation of international formats, or in misplaced fear of Health & Safety legislation. BC fully support our approach of risk assessments and competitor disclaimers, so both competitors and organisers can be sure that there is a clear understanding of the assumed risks in our sport.

## PART A: RULES FOR COMPETITION

### General Rules Applying to All Races

#### 1) DEFINITION

A marathon race can be raced over any distance: usually between 3km and 200km. All competitors must race the correct course as determined by the race organiser, must go round all turn buoys and must exit and enter the water at a portage within the designated areas.

#### 2) BEHAVIOUR

- a) Canoeing is a non contact sport and competitors shall race in a fair manner.
- b) When a canoe or kayak is overtaking another canoe or kayak it is the duty of the overtaking craft to keep clear of other competitors at all times.
- c) When a canoe or kayak is racing in a group of competitors it is the duty of all the competitors in the group to keep clear of other competitors at all times. This rule applies to any manoeuvring within the group.
- d) All paddlers will wear appropriate clothing when racing. This is a minimum of singlet and shorts. These should preferably be in club racing colours.
- e) During the course of a competition any items discarded by a competitor anywhere other than in a proper bin, must be recovered by the athlete, their support crew or coach immediately. It is the athlete's responsibility to ensure that this has happened. An event official witnessing non-compliance with this rule shall report the infringement to the race organiser and the offending competitor will be disqualified. Any repeat infringements by the same competitor shall be subject to disciplinary proceedings by the Marathon Racing Committee.

#### 3) THE RACING STRUCTURE

- a) The marathon racing system has been designed to encourage all levels of competitor from the raw beginner to top class internationals. There are five categories of race: -
- b) **GROUP A** - These races will appear in the Racing Handbook calendar and/or the calendar published on the MRC website. For these races the race levy must be paid and competitors must be British Canoeing, Canoe England, WCA, SCA or CANI comprehensive members (see Rule 13).
  - i) Divisional races registered by the Marathon Committee. Promotions will be calculated by the HRM program for these races, with input from the Rankings Officer.
  - ii) Races and time trials registered by the Marathon Committee but not in the divisional system such as stage marathons, descents, Watersides, Frank Luzmore, Thameside etc.
  - iii) The National Championships.
  - iv) Promotions between divisions may take place based on the results of all group A races.
- c) **GROUP B**
  - i) Those races in the regions and at clubs that do not appear in the calendar. These will include handicap and fun marathons. No promotions will take place at these races. Clubs are encouraged to hold handicap races throughout the year as an introduction to competing in the divisional system. These should be over a 3-10km course with handicaps based on age, experience and type of boat.
- d) **GROUP C**
  - i) All Lightning and Junior K2 races forming part of the Geoff Sanders Trophy or held at Regional Hasler events, the National Marathon Championships or the Hasler Final registered by the Marathon Racing Committee – see rules 49-58. For these races:
    - (1) All competitors must be British Canoeing, Canoe England, WCA, SCA or CANI comprehensive members.
    - (2) No race levy will be payable.

#### 4) CLUB MEMBERSHIP

The racing year shall be from 1<sup>st</sup> September of any year to 31<sup>st</sup> August of the following year. When a competitor is a member of more than one club, he shall declare before 1<sup>st</sup> September to the Race Records Officer of the Marathon Committee the name of the club for whom he will race the following racing year. When a competitor changes his club in mid season, he is permitted to compete for his new club, instead of his old, provided that prior consent of the old club is obtained. This consent shall not be withheld unreasonably, particularly in the case of a change of residence from one area to another. Application should be made via RMAs. The agreed change must be advised to the Race Records Officer in writing before points can be allocated to the new club in club competitions.

# MARATHON RACING

## 5) SAFETY

### a) Competitor responsibility

- i) Competitors must render their boats sufficiently buoyant to remain afloat and to support the crew in the event of capsizing. Buoyancy must be fixed in the boat reasonably sufficiently to satisfy rule 27 of the ICF Marathon Rules which states that: 'Each boat must carry sufficient buoyancy, either in the construction of the boat or fixed subsequently, to keep the boat floating level when filled with water.' British Canoeing Marathon Committee rules interpretation of this is that inherent buoyancy provided by 'Vac-bag' or 'sandwich' construction is not alone sufficient and must be supplemented by adequate fixed additional flotation material or by the provision of sealed bulkheads.
- ii) Competitors must be able to swim adequately in the waters on which the race is being held. It is the responsibility of each competitor (or of a parent in the case of a junior) to inform their team leader of any medical condition that may affect this. If the competitor is entering an event where they have no team leader, it is their responsibility (or of a parent in the case of a junior) to take appropriate precautions and inform the organiser.
- iii) On open water adequate spray covers must be worn.
- iv) All paddlers are required to render assistance to other competitors in distress.
- v) The wearing of life jackets or buoyancy aids is compulsory for all paddlers ranked in divisions 7, 8 and 9 irrespective of the race they are entered in. This applies to singles and doubles races.
- vi) Life jackets must comply with either the European Standard 'EN393 or 395 or the International Standard 'ISO 12402'.

### b) Team Leader responsibility

- i) Team Leaders should decide if paddlers in the higher divisions should wear life jackets or buoyancy aids.
- ii) Should a member of your team (or a parent in the case of a junior) inform you of any medical condition that may affect their safety, you should ensure that they take appropriate precautions and that the organiser is informed.

### c) Race Organiser responsibility

- i) Race organisers may require life jackets or buoyancy aids and spray covers to be worn and will have the FINAL say as to who should wear them (except where this is covered by rule 5a(v)) depending on weather and water conditions. Such equipment must be provided by the competitors.
- ii) The penalty for infringing any safety rule is disqualification from the race.
- iii) Should a team leader, an individual paddler (or a parent in the case of a junior) with no team leader, inform you of any medical condition that may affect their safety, you should ensure that they have taken appropriate precautions and that these fall within the compass of your risk assessment before accepting the entry.

**Canoeing and Kayaking in all its forms is an 'Assumed Risk – Water Contact' sport.**

## 6) DISCIPLINE

Marathon racing is subject to British Canoeing Marathon Racing Committee Disciplinary Regulations and to British Canoeing Disciplinary Code. See [http://canoeracing.org.uk/marathon/index.php/disciplinary\\_matters/](http://canoeracing.org.uk/marathon/index.php/disciplinary_matters/).

These apply to all BC Marathon races.

For the avoidance of doubt, any complaint that an individual member of British Canoeing (competitor or non-competitor) has behaved in a manner described in clause 1.1 of the Disciplinary Regulations shall in the first instance, where possible, be lodged with the Race Protest Committee in the manner described in Marathon Racing Rule 18(g) (i) and (ii). The Protest Committee shall determine what action, if any, shall be taken. If the Protest Committee decides that the complaint should be referred to the Marathon Committee, the race organiser shall report the matter to the Secretary within three working days. The Marathon Committee will consider the matter in accordance with the Disciplinary Regulations.

Race Organisers should note the powers in clause 2.1 of the Procedures to apply immediate discipline where members or competitors have displayed violent or unreasonable behaviour.

## 7) ANTI-DOPING

Marathon racing is subject to the ICF and UK Anti-Doping Rules  
See <https://www.britishcanoeing.org.uk/competition/anti-doping-1/>

## 8) BROKEN PADDLES / BOAT

A competitor must not change boats during a race, but may change paddles in the case of breakage.

# MARATHON RACING

## 9) WASH HANGING

- a) Competitors must not hang on the washes of powered craft.
- b) **In an assessment race** wash hanging or interfering with any other boat or competitor who is not in your own class/race is not permitted. Anything that may be construed as interference, such as wash hanging or assisting another competitor/crew will result in disqualification of all involved, if proven. Furthermore, it is expected that when being caught by faster competitors from another class/race, paddlers will show good sporting behaviour by staying at least 3m clear, and giving up the racing line to avoid suggestion that any advantage was gained by either party.

## 10) ASSISTANCE TO COMPETITORS

A competitor may receive food and drink during a race. Competitors with a disability may receive assistance at portages, but no other assistance unless permitted before the race by the organiser.

## 11) BOAT DESIGNS

Any type of canoe or kayak can be used.

Kayaks shall be propelled solely by means of double bladed paddles.

Canoes shall be propelled solely by means of single bladed paddles.

The paddles must not be attached to the boat in any way, being supported only by the hands.

For GROUP A races boats must comply with the ICF regulations as detailed below:-

single kayak	max length 520cm (unless it is a recognised surf ski design)
double kayak	max length 650cm
single canoe	max length 520cm
double canoe	max length 650cm

Boats over 460cm in length must not have concave sections unless classified as Wild Water Racing boats and falling within the ICF regulations for such boats.

## 12) BRITISH CANOEING MEMBERSHIP

- a) All competitors in GROUP A and Group C races must be COMPREHENSIVE (from April 2018, this will become "ON THE WATER") British Canoeing, Canoe England, WCA, SCA or CANI members. Membership numbers must be quoted on entries and results and a valid membership card or photocopy **must** be produced at race check in. Juniors ranked in divisions 7, 8 & 9 and Lightning competitors who are members of clubs with registered junior sections, should produce their registered junior section card instead.
- b) At all Regional Hasler events:
  - i) All competitors in divisions 1 to 6 must produce a valid membership card or photocopy at race check in. A competitor who has not raced in the last 5 years may buy an Event Ticket, but only one Event Ticket per season.
  - ii) All competitors in divisions 7, 8 and 9 must produce a valid membership card or photocopy at race check in or, if junior, produce their registered junior section card. Any competitor unable to do so will be required to buy an Event Ticket but only one Event Ticket purchase is allowed per season.
  - iii) Race results may be checked for valid membership. Club points will be deducted and the race shall not be counted as a Hasler qualifying race where:
    - (1) Any competitor is found subsequently to have competed without a valid up-to-date membership, or
    - (2) A competitor in divisions 7, 8 and 9 is found to have bought more than one Event Ticket per season.
  - iv) An event ticket only provides temporary insurance cover to take part in a single event and is not a "day membership" or boat license for the use of waterways, as provided for most waters, with full British Canoeing membership.
- c) At National Championships all competitors in divisions 1 to 9 must produce a valid membership card or photocopy at race check in or when entries are made. A competitor who has not raced before may buy an Event Ticket, but only one Event Ticket per season. A competitor claiming to have membership but unable to provide evidence may also purchase an Event Ticket.
- d) Upon promotion to Division 6 there is a period of grace of 4 weeks during which a junior, racing with a registered junior section card, must become an individual comprehensive member of British Canoeing/Canoe England/WCA/SCA/CANI.

## 13) RACE LEVY SCHEME

At all GROUP A races, published in the Racing Handbook and/or the calendar published on the MRC website, there will be a race levy of £3.00 for each senior and veteran paddler by age, as recognized by their British Canoeing, Canoe England, WCA, SCA or CANI membership, and £2.00 for each junior paddler

# MARATHON RACING

by age, as recognized by their membership. The levy to be charged on all paddlers checked in irrespective of whether they start or finish the race. The race levy for all categories of races is to be remitted by the Race Organiser to the Treasurer **within 7 days of the race**. Cheques should be made payable to "BC Marathon Racing Committee" and sent to David Enoch, 102 Bingham Road, Radcliffe-on-Trent, Nottingham NG12 2GT.

Those clubs wishing to pay the levy by electronic transfer should remit to Barclays Bank Sort Code:20-63-25 Account No: 73066665  
Account name BC Marathon Racing Committee.

When making electronic transfers please also email David Enoch with the race name and amount of levy to david.enoch2@btopenworld.com

## 14) RACE REGISTRATION

The organiser of a GROUP A race must apply to the Calendar Organiser for that race to be registered. This must be done by the autumn of the year preceding the event. The event must be organised and run under the Marathon Racing Rules. Registered races may advertise through British Canoeing and may appeal through the Marathon Committee in cases of dispute or difficulty. Refer to British Canoeing Disciplinary Code at <http://canoeracing.org.uk/marathon/index.php/disciplinary-matters/>  
**The registration fee will be the race levy described in rule 13 and the organiser must comply with the requirements of rule 18.**

## 15) BOAT NUMBERING

At all GROUP A races competitors shall number their boat in the following manner. Paddlers racing in divisions 1-8 **must** display vertical number plates secured to the boat number holder with a pin or clip.

ALL numbering of vertical boards will be on both sides of the board and numbered in one of two acceptable formats:

- a) digital style format numbering, created from **black** insulating tape, no less than 12mm wide. The digits should be formed from small strips of tape in 50mm and 100mm lengths to make up the numbers. The number **must** be presented on an **OPAQUE WHITE** number board measuring **150mm** in height and **280mm** in length, with rounded top corners. Hand written crayon and felt tip pen numbering is not acceptable.
- b) **Alternatively** an **OPAQUE WHITE** number board measuring **150mm** in height and **200mm** in length, **PRE-PRINTED** and issued by the event organiser is also acceptable.

Race organisers will be able to refuse entry to a race where these rules are not complied with. Yellow number boards will **not** be acceptable.

Paddlers ranked in Division 9, Lightning, club and fun race paddlers may alternatively use 225mm diameter white discs which should be displayed on fore and aft decks or as directed by the organiser. **Any paddler not displaying a number plate at the start of any race, or whose number is not clearly legible, will not score club points.** If the number becomes detached from the boat, it is the paddler's responsibility to make sure the marshals and finish judges know their number to ensure inclusion in the results.

## 16) FINISHES

A competitor is deemed to have finished a race when the bow of the canoe or kayak has crossed the finishing line on the water with the competitor(s) in it.

## 17) ASSESSMENT RACES

The Marathon Committee will co-ordinate with race organisers to determine assessment race venues and the dates will be shown in the Racing Handbook. At these races, assessment classes may be separated from other race classes and may be run over the same or different courses. Club colours must be worn at assessment races. In the case of foreign nationals racing for selection at assessment races, the rules applying to this are specified in PART F at the end of this section.

## 18) ORGANISATION OF GROUP A RACES

- a) Clubs hosting races **must** be affiliated to British Canoeing.
- b) The race shall be open to canoeists who are members of an ICF affiliated federation.
- c) The race shall be properly advertised and the organisers shall issue adequate instructions on request, up to one month before the event, to prospective competitors or interested group leaders.

# MARATHON RACING

- d) In the event of circumstances which render it impossible or unsafe to run the race as planned, the Race Organiser shall take all reasonable steps to inform the competitors and supporters at the earliest possible moment.
- e) Race Organisers shall charge an entry fee for each competitor to include the levy cost. This fee may be reduced for juniors and augmented for late entries.
- f) Changes of class/division and late entries shall be permitted if the organiser so wishes. Information regarding late entries and class/division changes should be available to competitors at least 30 minutes before the start time of the class/division concerned.
- g) The Race Organiser shall provide a Protest Committee consisting of three officials or members of the organising body to hear and settle all protests by any competitor in that event. The following rules will be observed:-
  - i) The protests must be received within 30 minutes of completion of the relevant race and before the announcement of the final results. Failure to observe this will invalidate the protest.
  - ii) The protest must be in writing to the Race Organiser and must give full details of the alleged infringement of the rules.
  - iii) The Protest Committee must meet immediately to hear all the evidence and to consider the protest's validity in accordance with British Canoeing and Marathon Racing Rules.
- h) A protest against an organising body may only be dealt with by the Marathon Committee. Any such protest must be made within 3 working days in writing to the Secretary of the Marathon Committee and give full details of the alleged infringement of the rules. The person making the protest must also inform the secretary of the club or body concerned within 3 working days. Failure to comply with these conditions will invalidate the protest.
- i) Appeals against the decision of the Protest Committee are permitted and these will be heard by the Marathon Committee.
- j) Within 2 working days of the race the results are to be emailed to the Rankings Officer, the Race Records Officer, the Regional Marathon Advisor and to [marathonresults@canoeracing.org.uk](mailto:marathonresults@canoeracing.org.uk), so that promotions can be ratified and the results uploaded onto the marathon website. See Useful Addresses page F3.
- k) **Within 7 days of the race** the Race Organiser must remit the race levy together with the race results in accordance with rule 13.

## 19) ORGANISATION OF GROUP B RACES

- a) For these races competitors do not have to be British Canoeing, Canoe England, WCA, SCA or CANI members, there is no levy and no requirement to submit results to the race records officer. Race advertising, entry fees and classes are at the discretion of the organiser. The formal requirements to register club membership and for protest procedures are not necessary.
- b) Rules 1, 2, 5, 6, 7, 8, 9, 10, and 11 shall apply to all GROUP B races.

## Rules Applying to Regional Divisional Hasler Races

20) Regional divisional Hasler races are GROUP A races and all of rules 1 -18 above shall apply.

## 21) REGIONS

- a) The regions are determined by the Marathon Racing Committee for England plus Scotland East, Scotland West, and Wales. Each region will run its own league championships throughout the year and will decide how many results are to be counted by clubs. It is hoped that eventually there will be enough races in each region for clubs to count their best 8 or 9 results from the total number of races.
- b) Clubs wishing to be included in the regional league and score Hasler points must be affiliated to British Canoeing, have registered their club colours, have provided a contact email address and been assigned a unique 3 letter club abbreviation. **This process is done via the Regional Marathon Advisor.**

## 22) THE DIVISIONAL SYSTEM

- a) Entry into the divisional system should be based on the standards detailed in the "Standards for Racing" (page D1).
- b) Club coaches are responsible for ensuring the ranking status of their paddlers and where necessary to ensure they are re-ranked appropriately.
- c) The divisional system is arranged into nine separate singles divisions 1-9 and eight separate doubles divisions numbered 2, 3, 4, 5, 6, 7, 8 and 9. Race Organisers must offer the following races at all events except where varied as agreed with the Regional Marathon Adviser.

# MARATHON RACING

- i) Division 2 & 3 doubles race over 20 km.
  - ii) Singles races for each of divisions 1 to 9.
  - iii) Doubles races for each of divisions 4 to 9
- d) Each year a divisional list will be published in the Racing Handbook for singles divisions 1-8. These lists are checked and any paddler not having competed for two successive seasons is removed from the lists. Each autumn clubs are asked to submit a list of the paddlers who will not be active for the coming season and where appropriate, to amend a draft of the proposed divisional lists.

## 23) THE HASLER TROPHY

The Hasler Trophy is the National Team League Championships and is competed for throughout the season on a regional basis. The Hasler season is defined by the races designated 'H' in the Racing Calendar of this Handbook. Races relating to the following season are designated 'H2019'.

## 24) TYPES OF COURSE

Whilst there will be some variations due to local conditions and types of course available, the normal distances will be:-

Div.1, 2 & 3 Singles and 2 & 3 Doubles

Full senior course of about 20km with any degree of severity.

Div.4, 5 & 6 Singles and 4, 5 and 6 Doubles

Course of about 13km which may include portages and/or weir shoots.

Div.7, 8 & 9 Singles and Doubles

Course of about 6.5km with the minimum practical hazards.

## 25) COMPETITORS

- a) Each club will be allowed as many competitors as it wishes.
- b) A paddler can only compete in one race in a qualifying event.

## 26) SEPARATE STARTS

Each quorate race of six or more starters must be started separately. Two or more quorate races of less than six starters (i.e. with 3 or 4 or 5 starters) over the same distance may be started together, but for all other purposes are treated as separate races.

## 27) SYSTEM FOR AMALGAMATION DUE TO LOW ENTRIES

If there are fewer than three entries in a division then they will be started with a race of the same distance but will not be combined for the purposes of results or club points. *If no race of the same distance is available, they should be started (but not combined) with the nearest possible race below.*

*It will still be the case that some divisions will be inquorate particularly in smaller regions. The practice of clubs communicating with each other about entries, in advance of events, to avoid inquorate classes, particularly in the higher divisions, is to be commended.*

## 28) COMPETING IN A CREW BOAT

- a) When competing in doubles events the competition ranking shall normally be an average of the individual paddlers' rankings (all halves rounded down). Example: *division 4 paddler and division 5 paddler average 4 (ignoring the half), race in 4\_4 K2.*
- b) Paddlers ranked in division 1, 2 or 3 must race over the 20km course.
- c) There is no Division 1\_1 K2 at regional races (*which also means there is no K2 race for a Division 2 paddler racing with a Division 1 paddler. A Division 1 paddler may race with a Division 3 paddler in Division 2\_2 K2 and so on using the two principles above.*)
- d) All paddlers competing in crew boats must show their singles ranking on the entry form and these rankings must be shown on the results.

## 29) SPECIAL PRIZES

Race organisers are encouraged to give prizes for special groups of paddlers e.g. first under 16, first C1. In particular they are strongly recommended to give a prize for the first woman in each division and for the highest placed TC2. This kind of encouragement is particularly important in the divisional system.

## 30) POINTS

- a) In regional races only those clubs within the region will score points. Paddlers from other regions will not be taken into account when calculating points except that their time will be used for the 110% calculations if they are the fastest boats not promoted.
- b) To be included for points, clubs must be registered within their region as described at Rule 21b).

# MARATHON RACING

- c) All competitors in both singles and doubles **must** show their singles ranking at race check-in. Competitors not doing so will not score points in the regional competition and may not count the race as eligibility to compete in the final.
- d) **Only competitors racing in their club colours will score points.** In a crew boat, if one paddler wears club colours and one does not, only the paddler wearing the colours will receive points.
- e) The points system will be as follows.
  - i) Divisions 1-9 in singles and 2-9 doubles will count for points.
  - ii) Points will be awarded to each paddler in both singles and doubles - 20 for 1<sup>st</sup>, 19 for 2<sup>nd</sup>, 18 for 3<sup>rd</sup> and so on down to 2 points to all paddlers who finish within 110% of the time of the fastest boat not promoted in a singles race and within 110% of the winners' time in a doubles race. One point only will be awarded for paddlers who finish outside the 110% limit irrespective of their position. This to apply to all races except division 9 singles and doubles which will receive 20 for 1<sup>st</sup>, 19 for 2<sup>nd</sup>, 18 for 3<sup>rd</sup> and so on down to 2 points for all paddlers who finish.
  - iii) Transferred paddlers racing in a different division under the provisions of rule 27 will count for Hasler points but their times will not be used for the 110% calculations.
  - iv) Paddlers in a separate assessment race at a Regional Hasler event will not score Hasler points.
  - v) Each club will count its twelve best scoring paddlers from any divisions in any combination of K1/C1/K2 or C2. Doubles boats can be counted even if some of these boats contain just one paddler who is eligible for Hasler points for a particular club.
  - vi) At each event the club with the highest score will get 10 regional points in the regional competition, 9 for 2<sup>nd</sup> and so on.

## 31) RACE RESULTS

Race Organisers must report their results using the HRM computer program. Race Organisers are encouraged to use the HRM program at the race to complete entries and calculate results at the meeting. If this is not practicable, results must be recorded later onto the HRM for reporting to the MRC in compliance with rules 18 j) and k).

## 32) PROMOTIONS

- a) Promotions between the divisions throughout the season will be based on the table "Standards for Racing" ("the Table") [See page D1 of *Racing Handbook*]. Column HC of the Table assumes a World Champion takes 60 seconds to paddle a given course and ranks paddlers in singles divisions from 1 to 9 based on the number of additional seconds it would take for competitors to cover that same course. P/D Factor expresses these same times as factors. For example, a top ranking paddler in division 7 would be expected to take 90 seconds giving a P/D Factor of 1.5.

- b) Promotions will be calculated on the following principles on the basis of singles results subject to the other provisions of this rule 32;

### Divs.1, 2, 3 & 4

There are no automatic promotions to divisions 1, 2 & 3. Promotion times will be shown in the race file but promotions will not be indicated on any results printed on the day. The Rankings Officer in consultation with the Regional Marathon Adviser must ratify these for publishing with the official results on the Marathon Website.

### Divs 4 and 5

Promotions to divisions 4 and 5 will be calculated by taking the times at each race of the mid-placed paddler in divisions 4, 5 and 6 divided by the Mean Factor for each of these three divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 3, 4, and 5 to give the times for promotion to divisions 5 and above.

### Divs 6, 7 and 8

Promotions to divisions 6, 7, and 8 will be calculated by taking the times of the mid-placed paddler in divisions 7 and 8 divided by the Mean Factor for each of these two divisions. The average of these calculations will be multiplied by the Promotion Factor for divisions 6, 7 and 8 to give the times for promotion to divisions 8 and above.

[The above is an outline description of the promotion process. The detailed bases for calculations are available on [canoeracing.org.uk/marathon](http://canoeracing.org.uk/marathon)]

- c) Promotions may take place on either singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and promotions made under Rule 32(j) where considered appropriate.
- d) Status in canoe will not affect status in kayak and vice versa.
- e) No automatic promotions will be made under Rule 32 (b) where there are fewer than 5 starters in any race. However, the Ranking Officer in consultation with the Regional Marathon Adviser may amend or dispense with this limit if persistently low numbers in a division are clearly preventing the promotion system from operating as intended.

# MARATHON RACING

- f) Promotions are not limited to one division. For example, a division 9 paddler with a time faster than that required for promotion to division 7, would be promoted straight to division 7. However, it is the responsibility of the Team Leader, coach and/or the individual to try as accurately as possible to enter a new paddler into the correct division for his/her ability. Accordingly, those paddlers promoted more than one division will forfeit Hasler points from that race.
- g) Where the HRM computer results system is used at a race, automatic promotions will be shown on the race results and take immediate effect. The only exceptions are those for division 1, 2 & 3 which must first be ratified by the Rankings Officer. All promotions (automatic and others) will be confirmed on the race results posted on the marathon website. It is the responsibility of paddlers and coaches to check these and ensure they are implemented with immediate effect.
- h) Once promoted, paddlers **must** race in their correct division, or higher division, except under the provisions of rules 27 and 28. Any competitor found racing in a lower division, singles or doubles, except under the provisions of rules 27 and 28, may be disqualified from the event and be banned from the next three Hasler races in the competitor's region. The exception is for promotions awarded at races held at the beginning of a new racing season and before the Hasler Final held in that year. These promotions will not apply at the Hasler Final of the current season but will apply to all other races. (E.g. A div. 6 paddler promoted to div. 5 in September 2018 at a race designated as H2019 can still race in div. 6 at the 2018 Hasler Final but must race in div. 5 at all other races.)
- i) All paddlers, both from within the region and from other regions are eligible for promotions.
- j) The Marathon Committee has discretion to promote or to withhold promotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

## 33) DEMOTIONS

- a) Divs. 1, 2 and 3 Demotions from Divisions 1, 2 and 3 will be made by the Rankings Officer in consultation with the Regional Marathon Adviser.
- b) Divs. 4 to 9 Application for demotion from Divisions 4 to 8 may be made to the Regional Marathon Adviser **by the club coach/team leader**. The **Regional Marathon Adviser** shall confirm his decision in writing/email/message to the **club coach/team leader and to the Race Records Officer** after agreeing this with the Rankings Officer.
- c) Demotions will be limited to one division.
- d) Demotions may be based on singles or doubles performances. Performances in doubles divisions will be monitored by the Ranking Officer and demotions made under Rule 33h) where considered appropriate.
- e) Status in canoe will not affect status in kayak and vice versa.
- f) Once demoted paddlers may nonetheless choose to race in any higher division. Paddlers competing in the Hasler Final shall race in the division according to their ranking status at the close of the prior season (normally 31 August). Thus demotions awarded in the new racing season immediately prior to the Hasler Final will not apply at that Hasler Final.
- g) All paddlers, both from within the region and from other regions are eligible for demotions.
- h) The Marathon Committee has discretion to demote or to withhold demotion at any time it is found to be necessary. This discretion is delegated to the Ranking Officer.

## Rules Applying to the Hasler Final

- 34) The Hasler Final is a GROUP A Divisional race and all of rules 1-16 and rules 18, 24, 26, 31, 32 and 33 above shall apply.

## 35) CLUB ELIGIBILITY

## Rules applying to the 5K Series

### 59) THE SERIES

The Series was introduced in 2010 and the main objectives are:

- a) Mass starts to teach paddlers to get off the line quickly and get into an appropriate group as soon as possible, in a bumpy water environment.
- b) Larger groups to teach paddlers to race effectively in groups.
- c) Minimum administration.
- d) Minimum number of classes.

### 60) RACES

The Committee aims to have at least two races in each region and to hold a national Final in the summer. Details of races will be publicised in the marathon calendar and on the website.

### 61) RULES

- a) 5K racing will be governed by the rules of British Canoeing Marathon Committee as set out in the Flatwater Racing Handbook.
- b) These races fall under rule 3(b)ii) 'Races and time trials approved by the Marathon Committee but not in the divisional system'.

### 62) RACE LEVY/BC MEMBERSHIP

- a) The race levy must be paid. The levy will apply to the event, not the number of races a paddler competes in on that day.
- b) Entrants must be comprehensive members of British Canoeing or junior members of a club with a registered youth section.
- c) Membership must be confirmed with entry or at time of booking in.

### 63) THE COURSE

- a) The course will be as close as possible to 5 kilometres. A GPS should be used to measure the length of the course, to enable time comparisons to be made throughout the country.
- b) There will be a minimum of one and a maximum of two turning points that will be in an anti-clockwise direction. There should be three buoys marking the turn in an even arc. It is acceptable for one of the turning points to be used twice.
- c) The course can be on any kind of water, but bear in mind the basic objective of teaching paddlers to race in large groups. Therefore, wherever possible, there should be as large an expanse of water as possible.
- d) The recommended race day is Saturday, although this is not compulsory.

### 64) CATEGORIES

- a) There will be the following categories: senior men, senior women, junior men, junior women, veteran men and veteran women.
- b) All categories will be able to compete in the following craft: K1, K2, C1 and C2.
- c) There will be two sets of starts for singles and doubles, to allow all paddlers to enter both races should they so wish.
- d) To achieve mass starts four starts are recommended:  
In the first set of starts -
  1. Junior, senior and veteran men K1;
  2. Junior, senior and veteran women K1 plus C1;  
In the second set of starts -
  3. Junior, senior and veteran men K2;
  4. Junior, senior and veteran women K2 plus C2.

The Race Organiser has discretion either to split starts into smaller groups or to combine starts where it is considered the numbers of competitors or the nature of the course make this appropriate.

### 65) RANKINGS

- a) Results including times will be submitted to compile a rankings list on a time-elapsed basis, initially for K1.
- b) The ranking list will be updated and published on the marathon website as soon as possible after an event.
- c) The top ranking paddler in each category will receive a trophy provided by the MRC at the end of each season. The season will be the same as the Hasler season.

# MARATHON RACING

## PART B: THE STARTING OF ASSESSMENT RACES, NATIONAL CHAMPIONSHIPS RACES AND HASLER FINALS RACES

There is a necessity to maintain the standard of starting at assessment races and major championships. The following will apply to all assessment races, to all races at the National Championships and to all races at the Hasler Finals.

### 1) REQUIREMENTS

- a) The start line should be clearly defined on both banks.
- b) A clearly defined marshalling line must be established behind the start line.
- c) The race must be started by a person drawn from the approved starters list, who will have an experienced assistant.
- d) The marshalling line should be controlled by at least two experienced officials.
- e) The above should all be equipped with PA equipment or loud hailers that it is the responsibility of the race organiser to provide.

### 2) STARTING PROCEDURE

- a) The starter shall ensure all craft are lined up on the starting line as stationary as possible for the water conditions. When the starter is satisfied the line(s) is correctly positioned he/she shall give the signal to start by a shot, starting horn or the word 'go'.
- b) If a competitor commences paddling or attempts to start before any instruction to do so, he/she has made a false start.
- c) A competitor who crosses the line before the starter's start signal shall also be deemed to have made a false start.
- d) Refusing to obey the starter's instructions will also constitute an unfair start.
- e) A competitor who attempts a false or unfair start will be warned a maximum of two times. A third offence will result in the imposition of a two-minute penalty. A further offence by the same competitor will result in disqualification from the event. The disqualified paddler must leave the water immediately.

### 3) APPROVED STARTERS LIST

Brian Chapman	Ollie Harding	Paul Ralph	Paul Wells
Margaret Chapman	Roland Lawler	Andy Rawson	Stuart West
Kevin Dennis	Alan Laws	Jim Rossiter	Alan Williams
David Enoch	Dyson Pendle	Melvin Swallow	

### 4) STARTERS' ADVISORY NOTES

**In starting ANY race the following advisory notes should be applied by the race organiser and starter to achieve consistency.**

The start of any race is critical and **fairness and consistency** are our aim. It is therefore highly important that you carry out procedures and endeavour to ensure everybody has a fair start.

The rules that will apply for major competition are laid out below. They can and should equally apply to ANY race. Once competitors who push the line or jump the start realise that that will get a 2-minute penalty, or be disqualified and asked to leave the start line, they will start to comply with your instructions.

Our aim is to make these rules the standard to which **every race** organiser works.

Some important points come from these rules, which should be noted and applied, on all starts:

If you control the boats at a no more than 'walking pace' as they come up to the line, then it is more likely you will control them on the line.

Make sure that your 'marshalling line' is not too close to the actual start line.

Do not 'hold' paddlers on the start line for too long - this will merely result in them 'pushing' it. Bring them very slowly up to the line and start the race quickly when there.

If the majority of boats advance over the line - the only way to bring them back is to get them ALL to paddle round and start again.

Do not penalise those who comply with your instructions and are on the line by starting the race when others are clearly in front of the line. Bring the non-compliant paddlers back round. Be prepared to warn twice and then

# MARATHON RACING

penalise with a 2-minute penalty or disqualify.

Refer to boats by their numbers or by the club colours not by the paddlers name and be prepared to record – or have an assistant record – any penalties given by boat number.

If you issue a penalty it must apply – it cannot then be ignored or withdrawn. If you disqualify a paddler do not start the race until he/she has removed himself from the line and from the water. It is not permitted for the disqualified paddler to paddle round with the other racers.

Do not tell paddlers that there is '1 minute to go' and then start them before a full minute has elapsed. Be consistent, if you say you will not start them for 2 minutes make sure it is a full two minutes before you do start them.

Have a whistle ready to blow if there is a false start and you are recalling the whole race. Make sure that the paddlers know that is what a whistle means: STOP, there has been a total false start, come back to the line.

If you have paddlers 'hanging back' well behind the actual start line give them the opportunity **once** to come up to the line. If they are unwilling to do so after being asked, then concentrate on the front line to retain control and accept that those behind the line are more comfortable in the 'second line' position.

You are within your rights as the starter of an event to 'warn' coaches and spectators who are blatantly trying to encourage their paddlers to ignore your instructions and 'push' the start. Do not be afraid to do so.

**BY BEING CONSISTENT AT ALL RACES AND ACROSS ALL STARTS PADDLERS WILL LEARN WHAT IS EXPECTED OF THEM.**

## PART C: RECOMMENDATIONS

These recommendations are to help clubs run well-organised races. You should not attempt to run a race without having attended others first.

### 1) ADVANCE INFORMATION

Advance information should at least contain the following details.

- a) Name, date and status of the race.
- b) Name of the organising body.
- c) Closing date for entries and whether or not late entries will be accepted.
- d) Person to whom entries and enquiries should be sent, with address, phone number and email.
- e) Entry fees and to whom these should be payable.
- f) An entry form asking for full details of competitors, though entries using the HRM system should be encouraged.
- g) Locations of start and finish, and directions for getting to these places.
- h) Check-in, briefing and start times.
- i) Brief description of the course.
- j) Any special regulations that competitors should be aware of before they arrive.
- k) Any major changes since last year.

### 2) SAFETY

Safety measures are largely at the discretion of the organiser, since courses and conditions vary considerably. All paddlers ranked in Divisions 7, 8 and 9 or competing in Lightning and fun races must wear a buoyancy aid [Rules 5 (a)(v) and 56 (a)]. Make sure you have adequate safety cover for all Lightning races. On the open sea it is wise to insist on buoyancy aids for all. On open water, rescue boats are very important. Ensure that no one is stranded or lost halfway round the course; it is important to account for all competitors. On calm water it is usually sufficient to have a back marker paddling the course. Marshals at turns and portages should carry safety equipment including space blanket or similar, throw line and mobile phone.

**All Race organisers should prepare a Risk Assessment well ahead of their event and put in hand appropriate safety measures. Risk Assessments must be forwarded to the Regional Marathon Advisor before the event.**

### 3) BRIEFING AND CONTROL

- a) Deliver a briefing shortly before the race. Explain the starting procedure; starting order; describe any special features and hazards of the race course and emphasise any special regulations.

# MARATHON RACING

- b) Check that all boats are numbered clearly. It is the competitor's responsibility to number his boat, but it does make the finishers' job easier if number plates are legible. Provide large permanent marker pens at check-in.
- c) Use the starting order listed in Section 4.
- d) Make sure the course is clearly marked at all points where there could be doubt. Position marshals at turning points to check against a start list. Have clearly identifiable marshals at portages and shoots. The marshals should keep the passage clear for competitors, keep spectators and competitors off forbidden land and report any misdemeanours to race control. A marshal's directions should override any prior instructions.

## 4) STARTING ORDER

- a) The start order of the various classes or divisions can have a significant effect on the race results. The general principle is to start the fastest classes first and the slowest classes last. This minimises the chance of fast boats paddling through slower classes, picking up stragglers on the wash and dragging them back to the class leaders.
- b) The following is the recommended start order. Not all these classes will necessarily run at any one race.

Division 2 K2	Division 5 K2	Division 8 K2
Division 1 K1	Division 4 K1	Division 7 K1
Division 3 K2	Division 6 K2	Division 9 K2
Division 2 K1	Division 5 K1	Division 8 K1
Division 4 K2	Division 7 K2	Division 9 K1
Division 3 K1	Division 6 K1	

## 5) STARTING

- a) Ensure that the paddlers can hear your instructions clearly.
- b) Ensure your start position is such that you can see the boat numbers and if necessary have a helper as a spotter.
- c) You or your helper should have a pen/paper to write down any number warnings and penalties.
- d) If the paddlers do not obey instructions then the rule must be followed with appropriate penalties.
- e) In the event of a false start use a whistle to recall the paddlers. The use of the whistle should be included in pre-race briefing.
- f) Try to ensure the paddlers approach the line very slowly.
- g) An upstream start is preferable if possible.
- h) If you make a requirement or statement as to what you are going to do, do not back down or change it under paddler or time pressure.
- i) Record accurate start times for all races – these will be needed for the HRM program.

## 6) TURNS

- a) Clearly mark all turns. Use a buoy or buoys at each turn. Make sure these are clearly distinguishable. A clear description and location of the turn buoys must be given at the briefing.
- b) All turns should be properly marshalled. Each turn marshal should have a list of the race numbers that started and be responsible for checking that each boat properly completes the turn. A list of boats that did not complete the turn and a written report of the incidents at the turn must be provided promptly to the race control.

## 7) FINISHING & RESULTS

- a) Have a clearly marked finishing line. Signify a crossing of the line audibly by bell, whistle or hooter.
- b) Have a reliable, readable clock and a back-up in case of malfunction.
- c) Have a shelter in case it rains.
- d) **Recording the finishing times and positions is the most important job you will do.**
- e) **Prepare in advance with numbered sheets. Have spare pens/pencils.**
- f) Record the number and order of every boat as it passes the finishing line. Two tried and tested methods are:
  - (i) Have lined sheets, marked into two columns with one person writing the boat numbers and another the finish time. If possible have a third person calling out the finishing times. Number all finish pages to avoid confusion, OR
  - (ii) Have a team of three. Two work together, one calling boat numbers whilst the other records the number and time. The third person works independently recording the numbers in finishing order.**We do not recommend having the times written on one set of sheets and the numbers separately written on another set and then trying to match these together.**

# MARATHON RACING

- g) A further fail-safe is to have a tape recorder at the finish line. Give the recorder to one of the finish team and tell them to 'talk' every boat over the line, giving number and time.
  - h) At all Hasler events you must use the Hasler Race Management computer program (HRM) to produce your results. If possible use the HRM at the race. This will automatically calculate the elapsed time and finishing order of all boats, all singles promotions and the Hasler points. The results will be produced in the format required by the Race Records Officer. The HRM is designed for Hasler races and can be downloaded from the Marathon Canoeing website. If you want any help with the HRM please contact your Regional Adviser.
  - i) Whether using the HRM or a manual system, have someone indoors to produce the results. Arrange a system for displaying the results as soon as you know them. Errors can be queried before prize giving. Hold the prize giving as soon as possible.
- 8) AFTER THE EVENT**
- a) After the event is over the final result sheet needs to be produced. Keep all manual start and finish sheets as back-up.
  - b) If you have run a Hasler event you must return your results using the HRM. This automatically produces the results in the correct format.
  - c) Send results by email to the Rankings Officer, the Regional Marathon Advisor, the Race Records Officer and to [marathonresults@canoeracing.org.uk](mailto:marathonresults@canoeracing.org.uk) within 2 working days so that promotions can be ratified and the results can be uploaded onto the marathon website. For all addresses, see page F3.
  - d) The race levy should be sent to the Marathon Racing Committee treasurer. See rule 13. Levy to be remitted within 7 days.
  - e) Send Event Ticket money to British Canoeing HQ, Nottingham together with the name, post code etc. of those who have paid for an event ticket, on the form provided by British Canoeing.

## PART D: VENUE AND ORGANISATIONAL CRITERIA FOR THE NATIONAL CHAMPIONSHIPS AND THE HASLER FINALS

The Marathon Committee will look to the following ideal criteria when considering applications for the hosting of the National Championships and the Hasler Finals. Any club wishing to host the National Championships or the Hasler Finals will be expected to make a short presentation to the Annual Consultative Meeting or to the Marathon Committee outlining their proposals for the course and organisation to meet these criteria.

### 1) THE COURSE

- a) The course should be wide enough at the start to provide a fair start for all paddlers. It should also be wide enough throughout its length for competitors to overtake and pass each other in opposite directions.
- b) The course should be capable of being paddled in an understern rudder boat.
- c) Portages should allow a minimum of 12 metres at the 'get out' and 'get in' points. Portages should not be of excessive number or length.
- d) Access to portage areas for spectators should be good with adequate parking, or pool transport should be provided.
- e) The course should be reasonably accessible for spectator viewing.
- f) There should not be too many other conflicting water users.

### 2) ORGANISATION

- a) The organising club(s) should have a proven track record in organising normal Divisional marathons.
- b) The venue should have good access by road and not be too far for the majority of paddlers to travel.
- c) There should be adequate camping facilities nearby, particularly for the two day National Championships.
- d) There should be adequate parking at the start and finish.
- e) There should be adequate covered checking-in and refreshment areas at the start and finish and a results display area.
- f) There should be adequate toilet facilities at the start and finish areas.
- g) There should be an adequate PA system at the start, briefing and prize giving areas.
- h) There should be adequate First Aid cover in appropriate areas.
- i) The starting of all races is to be as the procedure set out in PART C.
- j) There should be a computerised results facility capable of showing class results and team scores immediately after the races.
- k) Prizes at the National Championships will be the official BC National Marathon Championship medals and Divisional medals.

# MARATHON RACING

- l) Prizes at the Hasler Finals will be the official BC Hasler Finals medals.

## PART E: BRITISH CANOEING MEMBERSHIP AND EVENT TICKETS

All seniors and veterans must be full members of British Canoeing if they wish to race in a Marathon event that has been advertised in the Calendar. (From April 2018 this will be ON THE WATER membership category.) Juniors who are ranked in division 6 or above must also hold individual comprehensive (From April 2018 this will be ON THE WATER membership category.) British Canoeing youth membership.

A junior club member need not be a full member of British Canoeing in order to race in the lower divisions (7,8 & 9) of the Marathon racing system or in the other 2 categories of marathon races. He / she must, however, be a member of a club with a registered junior section and the number used for his or her identification will be the club's affiliation number followed by the paddler's own individual club number. However, the club abbreviation followed by the paddler's club number is easier and preferred by the Records Officer, both for identification and ease of recording. i.e. LIN/005, CHE/017. Note that event tickets are also required for Lightning paddlers who are neither British Canoeing members nor a member of a club with a registered junior section but the Event Ticket is issued to Lightning paddlers without charge. Any junior promoted into a higher division (6 & upwards) must then become a full member of British Canoeing.

Race Organisers MUST still check that a competitor's membership is current either by photocopy of the membership card with the entry or by seeing the card on the day of the race.

If the card is unavailable or forgotten the paddler must purchase an "Event Ticket" as a "stop gap" but only once per season. The records officer carries out a check on event ticket issue for all race results and those paddlers abusing this system will be penalised.

The system is as follows:

1. The tickets are for use by non-members at the entry level only of National Competitions requiring membership e.g. Divisional Racing.
2. For use at a British Canoeing event when the organiser believes a participant may be a member but the member cannot provide proof by way of a membership card.
3. Event organisers charge the current rate set by British Canoeing, which will be sent to British Canoeing HQ, Nottingham within 7 working days of the event.
4. Event Ticket fees are not refundable.
5. The overall consideration is to encourage, in the best possible way, membership of the Country's Governing Body for Canoe sport.

## PART F: ELECTION OF REGIONAL MARATHON ADVISER

1. Under the current Marathon Racing Rules, the Regional Marathon Advisor is an elected post.
2. The election will take place each year between the Hasler Final and the end of November so that details can be included in the Racing Handbook. The election will be called by the RMA. If for any reason it is not appropriate to hold an election at this time, the MRC must be kept informed of the circumstances via the RMA Coordinator.
3. All clubs in the region registered as participating in marathon racing, must be invited to be involved in the process of election, with each club nominating one voting representative.
4. The process will vary between regions according to local circumstances and may take place by email or at a meeting.
5. The process must involve the proposal of candidates and voting. Independent tellers may be used if necessary. The RMA may offer themselves for re-election. All candidates must have seen the document – Regional Marathon Advisors Role. In some regions it may be appropriate to split the role and elect joint RMAs or for the elected RMA to nominate an assistant.
6. The RMA must inform the MRC of the outcome, with any changes to contact details, once the election has taken place.

# MARATHON RACING – THE HASLER TROPHY

## The story behind the Hasler Trophy

One of the most daring raids of World War Two took place on the night of 11<sup>th</sup> December 1942 in the enemy-occupied port of Bordeaux in France. Operation Frankton involved 12 men in six canoes being taken by submarine to a position 10 miles south of the Gironde estuary on 7<sup>th</sup> December. One of the canoes was ripped passing through the hatch of the submarine, but the other five then had an 85 mile paddle ahead of them. Two boats were lost in the tidal race and the remaining three carried on for three days, paddling in darkness and lying up during the day. One more boat hit a submerged rock and sank and the final two boats went on to Bordeaux harbour, where they attached their limpet mines and, assisted by the ebb tide, paddled silently back down the river. The mines detonated and severely damaged four vessels and sunk one. The four remaining men beached before reaching the sea, scuttled their canoes and travelled overland to try to reach safety. Two were captured, but Major 'Blondie' Hasler and Marine Bill Sparks made their way to Spain – the only two of the original ten who survived. Hasler was awarded the DSO and Sparks the DSM.

After the war, Hasler went on to found the Single Handed Transatlantic Yacht race after a bet with his friend Francis Chichester. The Hasler Trophy was presented by Lloyds Underwriters to commemorate the raid of the so-called 'Cockleshell Heroes' and has been competed for since 1957. Major Hasler died in 1987 and Bill Sparks died on 30<sup>th</sup> November 2002, only ten days short of the sixtieth anniversary of the raid. In 2003 the Marathon Committee decided to inaugurate a new trophy named in honour of Bill Sparks, which goes to the highest placed veteran K2 in the highest division at the Hasler Final.

## INTERNATIONAL MARATHONS

Prior to 1982 major international competition comprised the Grand Prix series of two or three races per year. In 1982 World Cups were introduced every year as the premier international event in addition to one or two Grand Prix.

From 1988 World Championships were introduced in alternate (even) years with World Cups remaining in alternate (odd) years. One or two Grand Prix races continued every year.

From 1995 European Championships were introduced in alternate (odd) years.

From 1998 World Championships were held every year, the old World Cups (in alternate odd years) ceased and the Grand Prix races were renamed as World Cups.

In 2001 Junior World Championships were introduced every year.

From 2014 European Championships were held every year.

## SELECTION POLICY FOR GREAT BRITAIN REPRESENTATIVE TEAMS

### Objectives

- 1 To win medals at World, European Championships and World Cup events.
- 2 To maintain a position as a top nation in international competition.
- 3 To ensure the long-term athlete development required for international success.

This policy may be amended or supplemented by the British Canoeing Marathon Racing Committee at its discretion in order to achieve the above objectives to cover exceptional circumstances. Every effort will be made to ensure as much notice as possible is given to all persons affected by any change.

### Process of Selection

- 1) Each year, the ICF publish an International Calendar from which a programme of International Events to be attended is selected. Due regard is given to the Objectives and to budgets. Some events may be designated "Development". The programme is specified in the Racing Handbook.
- 2) The basic team composition for each event will be detailed in the Racing Handbook. Changes may be necessary to suit all the factors affecting team size and budgets.
- 3) The selection of Great Britain teams for **all** main internationals will be made on a **continuous assessment, open-to-all basis**. The composition of the team for each event will depend entirely on paddlers being, and proving that they are, of sufficiently high standard.

(The system of **continuous assessment** as opposed to one of 'first past the post' at a nominated selection event has been in operation for several years and has operated very well. It allows the selectors to consider an athlete who has underperformed in any one race. This could be due to illness or equipment failure. It also means that consideration can be given to improving athletes who may not be winning but show potential for the future.)

Teams will be selected from the results of assessment races and current season internationals, as detailed in the Racing Handbook, on the basis of their ability to fulfil the Objectives above. All assessment race and international race results from the current season, up to the date of selection for a given international event, will be taken into account by the selectors in making their decisions.

In exceptional circumstances, the Selection Committee may consider international results from previous seasons even where the athlete has no assessment race or international results from the current season.

- 4) All athletes seeking selection should race in the Assessment class corresponding to the category for which they are seeking international selection unless otherwise instructed by the Selection Committee. The Selection Committee reserve the right to disregard results gained by athletes racing in the wrong class.

## INTERNATIONAL MARATHONS

- 5) Athletes wishing to be considered for International Events must comply with the following conditions:
- a) They must be Comprehensive (from 2018, "On The Water") British Canoeing members throughout the year.
  - b) They must meet age and nationality criteria for international competition as defined by the Eligibility Policy.
  - c) Having due regard to their availability for selection and their preferred programme, they should apply by completing the Availability Form and returning it by the dates specified in the Racing Handbook.
  - d) They should be prepared to meet all assembly costs and pay a contribution towards subsistence costs, as detailed in the Racing Handbook.
  - e) They should be prepared to travel and be accommodated in the best interest of the team.
  - f) They must be prepared to accept the Team Manager's and Team Coach's direction with regard to training and racing while abroad.
  - g) They must be prepared to dress and conduct themselves in a manner befitting a British Team representative, and promote the good name of British canoeing both at home and abroad.
  - h) They should be prepared to give support to UK Sport, Sport England and the Lottery in promotional aspects, in return for the Grant Aid received.
  - i) They should wear the GB tracksuit and team clothing provided, on all suitable occasions and as directed by the Team Manager
  - j) They should compete in the appropriate Assessment events.
  - k) They must sign, and abide by, the British Canoeing Code of Conduct
- 6) British Canoeing Marathon Racing Selection Committee shall consist of the following:
- a) The Chairman of Selectors, appointed by British Canoeing Marathon Racing Committee, who will Chair all selection meetings.
  - b) Up to 5 other members nominated by British Canoeing MRC, of which at least three must be present to form a quorum.
  - c) The Marathon Team Manager(s) for the event(s) is invited to attend the selection meetings as a voting member.

Selectors are required to make every effort to attend all Domestic Assessment events, to ensure that a true and accurate assessment of current abilities can be made.

- 7) Selection Meetings will happen on the dates specified on page G24, usually immediately following any assessment races taking place on that date. The announcement of teams for international events will take place within five days of the corresponding selection meeting, via the MRC website at [canoeracing.org.uk/marathon](http://canoeracing.org.uk/marathon). The Selection Committee reserves the right to announce the team immediately following the corresponding meeting, or to defer for up to five days to clarify organisational details.
- 8) British Canoeing reserve the right to withdraw the selection of any athlete found guilty of a disciplinary offence under BC/ICF rules.

## APPEALS

If there is dissatisfaction with a decision of the Selection Committee (this process applies to all British Canoeing selections) this two stage process will apply:

### 1. REVIEW

- 1.1 A written request for a formal review is submitted in the first instance to the Chair of the Selection Panel who will carry out a review with the Selection Panel.
- 1.2 This must be done within 48 hours of the selection being announced-
- 1.3 Within 24 hours the Chair of the Selection Panel will advise in writing the outcome of the review and the Selection Panel decision.

### 2. APPEAL

- 2.1 If, following the review, the athlete wishes to formally appeal the decision then a written notice of appeal must be submitted to British Canoeing Head of Governance within 48 hours of receiving the outcome of the review.

### 3. NOTICE OF APPEAL

- 3.1 The Notice of Appeal will set out the ground of the appeal and will include full details of the basis of the appeal including the precise manner in which the appellant alleges the selection criteria have not been followed. The Notice of Appeal should be as full as possible as it will form the basis of the remainder of this procedure.

### 4. GROUND OF APPEAL

- 4.1 The sole grounds of appeal against the decision of any selection panel will be that there has been a failure to follow the applicable selection criteria or that the selection panel reached a decision on the basis of an error of fact. This Appeals process is provided on these limited grounds only and must not be seen as an opportunity to dispute the opinion of the selection panel where they have followed the proper procedure.
- 4.2 There are no appeals allowed against the content of the published selection criteria and therefore against the actions of the selection panel, provided they follow the selection criteria.

### 5. APPEAL PANEL

- 5.1 The Head of Governance and Compliance will convene a three-person Panel to determine the appeal.
- 5.2 The Appeal Panel shall contact the Chairman of the Selection Panel to inform him of the Appeal, provide him with a copy of the Notice of Appeal and request that the Chairman provides any response which he wishes to make on behalf of the Selection Panel within 24 hours of receiving the notification.
- 5.3 The Appeal Panel will determine based on the written submissions of the athlete and the Selection Panel/Committee without a hearing or the calling of witnesses or the giving of oral evidence. It will seek to reach its conclusion within 5 working days of receipt of the Notice, and will inform all interested parties in writing.
- 5.4 The Appeal Panel will be entitled to rescind the decision of the Selection Panel and confirm the selection of the Athlete only in clear cases where the Selection Policy has not been followed and it is plain that had it been followed the Athlete would have been selected.

## INTERNATIONAL MARATHONS

- 5.5 The Appeal Panel shall be entitled to confirm the decision of the Selection panel and reject the Appeal.
- 5.6 The Appeal Panel may also quash the selection decision and remit the matter back to the Selection Panel identifying the errors they have identified in the conduct of the Selection process and requesting that a new decision is made within one week.
- 5.7 At its discretion the Appeal Panel may also make an award for appeal costs up to a maximum of £200

### 6. FINAL AND BINDING

- 6.1 This is intended to be an accelerated process to enable any challenge to be resolved as quickly as is reasonably possible. Due to the nature of selection for events, decisions often need to be taken shortly before the events to which the selection relates. Furthermore, there is a considerable potential for 'knock on' to athlete preparation related to the outcome of the appeal.
- 6.2 The aim of this process is to return a decision on appeal in a timely manner. If the athlete fails to adhere to the time limits set out in this process he or she will have lost their right of appeal under this procedure, save in wholly exceptional circumstances which will be judged by the CEO of British Canoeing in their absolute discretion.
- 6.3 Further this process is intended to be conclusive and therefore any athlete who enters into this appeal process accepts that the decision will be final and binding.

### 2018 INTERNATIONAL PROGRAMME

**The Committee will provide as full a programme as possible in 2018, but this is subject to the funding we receive. The intended programme for the year is set out below, but it must be understood that the events supported and the sizes of the teams may change depending upon funding.**

The main events for the year, for both Seniors and Juniors, are :-

European Championships	Metkovic, Croatia	5-8 July
World Championships	Prado Vila Verde, Portugal	6-9 September

In addition to the 2 main events, we plan to send Development teams to the German National Championships, and to the World Cup in Viano do Castelo, Portugal.

Additionally a team may be sent to the Spanish International K4 Series depending on the assistance we receive from the Organisers.

A junior Development team will also be sent to the French National Championships.

We will also support other events, where the Organisers provide total finance.

### Marathon Committee Support

The Marathon Committee will assist all potential team members in seeking personal sponsorship or grants, by providing letters of support.

## PRIVATE ENTRIES COMPETING ABROAD

Any competitor wishing to compete abroad outside the British team **must** notify the Governing Body, British Canoeing (**ICF ruling**). No athlete is permitted to present themselves as a Great Britain team member for an international event of any sort, without the consent of the Selection Committee.

The exception to this rule is for Masters events at championships organised by the ICF, where the current practice by race organisers is to accredit entries by individuals and clubs under international colours. This practice does not constitute acknowledgement of Great Britain team status, or any responsibility or liability whatsoever by British Canoeing.

For practical purposes these notifications must be emailed to [gemma.wiggs@britishcanoeing.org.uk](mailto:gemma.wiggs@britishcanoeing.org.uk), copying [marathon.secretary@britishcanoeing.org.uk](mailto:marathon.secretary@britishcanoeing.org.uk) no later than **four weeks** before the event. Receipt of such a notification does not constitute formal support by British Canoeing for the race entry, or acknowledgement of the athlete's competence to take part in the event in question.

The applicant will be liable for any costs incurred, e.g. entry fees (even if he / she does not subsequently compete). It is regretted that the Marathon Committee can make no private travel or accommodation arrangements.
