Weils Disease (*Leptospirosis*)

All water users should be aware of this potentially fatal infection. This is a bacterial infection normally believed to be spread by rat urine, it can also be transmitted by cat, fox and rabbit urine. Transmission is usually through an open wound or abrasion but can also be caused by ingestion of contaminated water.

SYMPTOMS

Lethargy, diarrhoea, headaches, vomiting and muscle pain; sometimes referred to as flu like symptoms. If left untreated this can be fatal.

PREVENTION

Prevention measures against water borne infections are to:

- ❖ Cover all cuts and abrasions with waterproof plasters
- ❖ Always wear footwear to avoid cutting the feet
- ❖ Avoid capsizing or rolling practice in suspected waters
- ❖ Where possible, shower soon after the activity
- ❖ As a minimum always wash your hands after paddling and before eating or drinking

If you feel ill after paddling you should tell your Doctor as soon as possible and let them know where and when you have been on the water.

The NHS publish the following guidance

PADDLE-ABILITY

Paddle-Ability is the term used by British Canoeing to describe all Paddlesport activity for disabled people. The term focuses on a person's ability to take part in Paddlesport rather than their disability. British Canoeing encourages and supports anyone with any disability or impairment to participate in competition in specific Paddle-Ability events and mainstream competition. Specific Paddle-Ability events are held at National Regattas in Nottingham from April to September. Racing is based on ability (in time bands).

Entries must be submitted, in advance, with other club entries via the Club Team Leaders. If your club does not already have an appointed team leader please contact

paddle-ability@britishcanoeing.org.uk

Entrants may have an escort boat to provide support to the starting posts; limited support is also permitted during races. Escort paddlers will be expected to wear yellow escort bibs.

The current Paddle-Ability events available are:

- K1: 200m, 500m
- K2: 200m, 500m
- V1: 200m, 500m

PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

British Canoeing is committed to ensuring that everyone can enjoy Paddlesport in a safe environment in which they are protected from any form of poor practice or abuse. We continue to work towards and maintain the standards set for sport and to implement the requirements set within government guidelines and legislation.

Everyone in Paddlesport has a responsibility to help safeguard and protect those involved in the sport. Sometimes this can be a daunting prospect. To support those involved in our sport British Canoeing and the home nations have developed a range of policies, procedures and guidance. These can be found on www.britishcanoeing.org.uk and each home nation website. We ask that club Secretaries/Welfare Officers know where to find the information and make sure it is shared and discussed at club executive and general meetings.

The procedures stem from the following principles:

- The child's welfare is paramount.
- Anyone under the age of 18 is classed as a child.
- All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
- Coaches, clubs and centres need to be provided with advice to raise awareness of best practice, guidance and support should they become involved in an abuse situation.

Safeguarding Support Officer - While the welfare of young people is the first consideration, British Canoeing recognise that coaches, volunteers and helpers may also require support if an allegation is made against them. In these cases individuals should contact the British Canoeing Safeguarding Support Officer whose role is to listen, support, help and provide advice (contact details below). They will not be involved in the case and will be completely independent of the investigation.

Event Management - Event organisers should take note that there is a requirement to provide a Welfare Officer at all events where children are participating. For further details refer to the guidance sheets on the website – Paddlesafe Events.

Good Practice Guidelines

By following these guidelines you will help to protect both the children/adult at risk in our sport and our coaches/helpers from wrongful allegations.

- Avoid situations where you are alone with one child/adult at risk. British Canoeing acknowledges that occasionally there may be no alternative, for example, where a child/adult at risk falls ill and has to be taken home. We would stress, however, that one to one contact must not be allowed to occur on a regular basis.
- If any form of physical support is required ask the paddler's permission, explain what you are doing and why to both the child/adult at risk and their parents/carers.
- Where possible ask parents/carers to be responsible for children/adults at risk in changing rooms. Always ensure that whoever supervises young people work in pairs.
- Where there are mixed teams/groups away from home, they should always be accompanied by an adult male and female coach/helper.
- Don't allow physically rough or sexually provocative games, or inappropriate talking or touching.
- If it's necessary to do things of a personal nature for children/adult at risk, make sure you have another adult accompanying you. Get the consent of the parent/carer and if possible the child/adult at risk. Let them know what you are doing and why.

PADDLESAFE – SAFEGUARDING AND PROTECTING CHILDREN

- Ensure that any claims of abuse by a child/adult at risk are taken seriously and that it is dealt with by people who know what to do.
- Ensure that the nature and intensity of training does not exceed the capacity of a child's/adult at risk's ability and stage of development.
- Follow the British Canoeing guidelines for photography and video use (see Guidelines for use of Photographic and Filming Equipment)

Ensure your club adheres to British Canoeing best practice guidelines and requirements with particular reference to:

- British Canoeing Safeguarding Children Policy and Safeguarding Adult Policy.
- British Canoeing Code of Ethics.
- Safe recruitment and vetting practices including appropriate Disclosure checks, where eligible, in accordance with home nation and government guidelines.
- Safeguarding training.
- Club Welfare Officers attend specific training to support their role- Safeguarding and Protecting Children and Time to Listen workshop.
- Publicise your Club/Event Welfare Officer contact details.
- Publicise the NSPCC Child Protection Helpline.

SPRINT CHAIRMAN'S FOREWORD

This coming year there will be more changes in the 2019 summer season carrying on from last year's experience and the responses we have received from clubs.

We changed the ACM format and timing, taking it away from the September Regatta and introduced keynote speakers to add to the interest and potential for the gathering. The annual trophies were also presented then. The intention was that this would give the recipients a greater sense of their achievement, at an occasion when we can also celebrate their success.

The 2019 ACM will carry on this format and the date and place will no doubt have been announced by the time this handbook reaches you.

The Marathon Committee has decided to split with tradition and create a separate handbook in e form only, whilst the SRC will continue with a printed and e form publication. We will be taking views as to what clubs and paddlers want for 2020.

Mentioning success, I should pay tribute to our 2018 medal winners.

World Champions Lizzie Broughton and Charlotte Henshaw and our Paracanoe medal winners Emma Wiggs, David Phillipson, Jeanette Chippington and Jack Eyers

As I did last year, I would like to pay special tribute to the members of the SRC. They do much more than is visible from the bank.

I would also include in my thanks the members of Regatta Committee and all of the volunteers who make regattas around the country possible. It's not always easy being a volunteer.

However, the rewards of seeing athletes compete in well organised events and being part of the sport always more than compensates for the efforts of the work.

Whilst saying thank you, again I would like to include all the club coaches and helpers who do so much to prepare the athletes for their competitions.

2019 is massively important for the Olympic aspirants as it is Olympic qualification year. I am sure we will give the potential paddlers, Paul Ratcliffe as Performance Director and all the coaches and staff our support at this time.

As I wrote in my ACM report for 2018 this will be the last time I will write this foreword, as I will be standing down in October 2019.

I look forward to a new season of of excellent regattas and hope to see you there.

Notes to the British Canoeing Sprint Racing Competition Rules

Races Exceeding 1,000 Metres at the National Water Sports Centre Nottingham, Rules 21.4 and 21.5

Because of limitations at the National Water Sports Centre - mainly the start pontoon being fixed for the Start of 5000 metre or 2500 metre events - it is not possible to comply with the Rule and provide the three courses required. The 2nd leg under the Rule is 47.75 metres too long. The requirements given in the Rule are those of the ICF, which the BC must shadow in its own Rules.

Long Distance Courses at the National Water Sports Centre, approved by the SRC

To provide flexibility there are three turning points with the start and finish of the turns as follows:

- 1. 10 metres beyond the finish line
- 2. 450 metres from the finish line
- 3. 1123 metres from the finish line

BRITISH CANOEING SPRINT RACING COMPETITION RULES

The standard domestic long distance race will consist of, 1 long lap to the turn at 1123metres mark from the finish line, plus 2 short laps turning at the 450 metres turn from the finish line and then finishing on the Finish Line in front of the Control Tower.

The British Canoeing – Sprint Racing Section Disciplinary Regulation & Code of Ethics, are available on the SRC website via this link http://canoeracing.org.uk/sprint/wp-content/uploads/2017/05/disciplinary_regulations_2017.pdf

The Sprint Racing Committee's K4 boats used at the National Regattas are available for short term loan by clubs and coaches for training or local sprint event.

Terms and conditions do apply as does availability.

Guidelines for entry to National Regattas.

See page D1 in the Handbook for the 'Standards for Racing' chart for entry level times to race at National Regattas. All the ability classes shown together in a band have the same fastest and slowest standard times and/or HCs. The times between indicate how the times might change depending on the Handicap applied to allow for the weather conditions.

National Regatta Minimum Time Standards are monitored; **Penalty Points can be awarded** for not achieving the minimum national regatta standard times. Applicable only to the slowest classes for each group; i.e. when paddlers can't be demoted (allowance will be made for the prevailing weather conditions).

Club Registration Information to register/amend their Team Leaders, make online entries, can be found via <http://canoeracing.org.uk/sprint/national-regattas/>

The Sprint Registration Scheme is a unique database for sprint clubs and paddler. Team Leaders require a secure login to access the registration database, for login information email RegattaVicechair@Britishcanoeing.org.uk

A Club Sprint Coach or Sprint Team Leader can register paddlers on-line via
<http://canoesprint.britishcanoeing.org.uk>

Team Leaders when **first registering their paddlers** must confirm that paddlers have achieved the BC 2 Star or Paddle Explore qualification or have **paddling competency** equivalent to these awards.

Only Registered Paddlers can enter a British Canoeing National Sprint Racing Regatta. Paddler Registrations closes approx. 1 week before the regatta entry deadline.

All Competitors **must be current members of a National Federation. (i.e. British Canoeing, or WCA SCA, CANI)**. The only exceptions are Mini Sprint, U12s or Junior D paddlers who are members of BC affiliated club with a registered junior section. The number used to register these juniors will be the club's affiliation number followed by their own club paddler number. When juniors are promoted, to division 'C' or above, they must become a member of the British Canoeing. **Team Leaders will need to update the on-line Paddler Registration database with the juniors new BC number.**

NATIONAL SPRINT REGATTAS 2019

Ranking List: Not all the registered paddlers in the Paddler Database are shown in the Ranking List. The Ranking List (Section D) is intended as a 'working' list and includes registered paddlers who have entered a National Regatta during the last two or three years or those considered likely to race in the current season.

Paddler Database: The Regatta Committee holds paddler information in a secure database for the purpose of organising and running regattas. This information includes names, gender, DOB, club and/or squad, ability and age classes. The system also holds data on entries and will in time hold results. Secure access to this database is provided to team or squad leaders who can only see the paddler records for their club or squad, and regatta administrators for the purpose of organising these regattas. Data is exported from this database for the annual handbook, for the timing system at the national regattas, and very occasionally for analysis to support the development of sprint racing. Timing data from the timing system is also used within the live results and live draws system during regattas.

We are guided by the 7 principles of GDPR, <https://ico.org.uk/for-organisations/guide-to-the-general-data-protection-regulation-gdpr/principles/>.

We do not pass on any personal data to 3rd parties.

b) Masters; the first year a paddler can compete in a Masters' event is the year of their thirty fifth birthday (35th) providing they are **not** already ranked in Men's 'A' or Women's 'A.' who, irrespective of their age cannot compete in Masters events.

c) Canoe paddlers are divided into Men & Women. These two subdivisions being further divided into two age groups Junior & Senior. They are then divided into ability groups as shown in the Standards for Sprint Racing (page D1).

N.B: - All Canoe races, except when there are sufficient numbers of entries for National Championship events, will be in combined mixed classes, (i.e. include male, female, senior & junior). f) The chart 'Standards for Sprint Racing' on page D1 demonstrates the way in which the subdivision bands are made according to speed. The ability classes shown together in a band have the same fastest and slowest standard times. The intermediate times shown indicate how the times might change depending on the Handicap applied to allow for the weather conditions. Penalty Points may be awarded if the minimum standards for National Regattas are not achieved in classes where paddlers can't be demoted.

g) Combined Events - To facilitate programming, the Organising Committee reserves the right to combine classes in any distance at any regatta.

INTER-CLUB NATIONAL COMPETITION

The MacGregor Paddle Challenge

John MacGregor M.A., Trinity College, Cambridge; (1825-1892) Barrister-at-Law, Captain of the Royal Canoe Club, through his extremely popular books and magazine articles from 1865 to 1892, practically invented the sport of canoeing (or kayaking).

The beginning of recreational canoeing can be traced directly to an Englishman, called John MacGregor, in the middle of the nineteenth century. He was a man with a penchant for boat design and exploration, who developed his craft based on the Eskimo Kayak, which he named *Rob Roy*. He took the boat on long journeys along the rivers and across the lakes of Europe, lecturing and writing about his travels as he went. His tales attracted quite a following and soon there were many kayaks in Great Britain based on his kayak design that is still referred to as a *Rob Roy*.

Canoes are the larger category under which kayaks fall: while all kayaks are canoes, not all canoes are kayaks. Paddlers in kayaks sit with their legs stretched out in front of them and canoeists generally paddle from a kneeling position. Most canoes are open hulled; while kayaks have covered decks. Canoe paddles are typically single bladed, while kayak paddles are double ended.

Some might say these differences occur because of the type of water available, but a look at the evolution of British canoeing culture during the past one hundred and twenty years would suggest that the major changes are due to those who have written and taught, coupled with the availability of canoes or kayaks.

The first period from 1865 evolved from the founder of British canoeing, John MacGregor. His book, *A Thousand Miles in the Rob Roy Canoe*, fired the imagination of the Victorians. The '*Rob Roy*' was a stable kayak, went in a straight line and had a large cockpit. Made of wood, it was easy to handle and a boat in which any beginner would have felt safe. In this period, wooden canoes were imported and were used for family outings and touring, the limitation to the growth was the cost of the wooden craft.

The second period from the 1930s to the 1950s is identified with the wooden frame and canvas kayaks and the start of the BCU Coaching Scheme. Percy Blandford wrote books and produced a host of designs for the Scout movement, which brought canoeing to a much wider number of people. The low cost, make-it-yourself PBK (Percy Blandford Kayak) designs, were, like the '*Rob Roy*', stable, went in a straight line, and had large cockpits. The British Canoeing Coaching Scheme was started in the 1950s by John Dudderidge. The original proficiency tests were designed around the use of the open cockpit straight-line kayak.

The third period, which had a massive impact on both the expansion and the change in direction of British canoeing culture started around the early 1960s, when in 1962, the BCU appointed its first Director of Coaching, Oliver Cock, giving added drive to what was to become a very powerful teaching scheme. For various reasons, the Coaching Scheme became more and more interested in rough water canoeing. At the same time, glass reinforced plastic became available. Moulds were produced for the home builder and the designs reflected the interest in rough water. Thousands of kayaks were produced with rockered hulls and small cockpits. By 1980, the Coaching Scheme had 3,000 members almost all teaching in the close fitting cockpit kayak. So powerful had that culture become that, if the word 'canoeing' is mentioned to almost anyone in Britain, their immediate image would be that of a young man or woman strapped into a kayak, wearing a crash helmet and wetsuit, performing turns and rolls on rapidly moving rivers. This was a great image for the adventurous teenager but daunting for many others who might wish to paddle. Indeed, a far, far cry from the canoeing of MacGregor.

MacGregor spent part of his youth in Halifax, Nova Scotia, where his father was stationed in the 1830s in a fort. He may have picked up some canoeing experience there.

INTER-CLUB NATIONAL COMPETITION

Reading his books, one notices he carried in his canoe a number of religious tracts (in a movement called "Muscular Christianity") written in the local language and was always ready to hand them out. He did not travel on Sundays, but did lecture on his travels and gave much of the profits to charities, especially to boys in the inner cities.

He published accounts of several other canoe cruises, including one to Scandinavia and another to Jordan and Egypt. The appendix to that book gives some construction details for his canoe designs.

His wooden split paddles were presented to Royal Canoe Club in 1959. Subsequently these were used as the trophy at the BCU National Inter-Club Sprint Racing Regatta, being first presented in 1977 to the winning club Fladbury and still fought over annually. A full list of winners can be found on page C13.

Note: A trial was run in 2018 to include points awarded to Regatta Officials to count as part of the MacGregor Inter-Club Competition. After consideration and listening to feedback from the clubs, this will not continue in 2019. Instead a new MacGregor Inter-club volunteer award will be introduced, this will be separate from the National Inter-Club MacGregor Paddle Challenge competition.

MacGregor National Inter-Club Regatta Officials' Competition.

All Regatta Officials will be awarded points which can go towards the new inter-club competition. This will be presented to the club who has gained the most points from its members who are Regatta Officials. 1 point will be awarded to each Regatta Official for each half day they worked. The points will become transferable to the club once a minimum of 12 points (6 days) has been accumulated since the previous MacGregor regatta. Points will also be awarded to those attending Officials' workshops.

The MacGregor Paddle Challenge is a National Inter Club Sprint Racing competition for competitors registered in a national sprint 'standards for racing' ability class.

Scoring for the MacGregor Paddle Challenge.

NATIONAL SPRINT REGATTAS

Disciplinary Procedures

Offences Incurring Penalty Points

The Chief Official will be solely responsible for all disciplinary matters of a minor nature, under the operation of a penalty points system, referred to in Rule 31 of the British Canoeing Sprint Racing Competition Rules. At his / her discretion, he / she may authorise the issuing of penalty points to each paddler involved in each of the following offences. These offences are considered to be detrimental to the efficient operation of regattas and / or potentially hazardous.

Code Infringement

- C Racing in incorrect colours
- N Racing with incorrect or missing number
- Z Failure to observe water zoning procedures
- S Unauthorised substitution for another paddler
- F Failure to report, having qualified, for a final
- D Conduct during racing likely to cause injury or damage to equipment
- L Use of offensive language
- U Underweight boat (see note 1)
- R Failure to report for boat weighing immediately (see note 2)
- B Insufficient buoyancy (see note 3)
- T Race times below minimum Sprint Standards of Racing for National Regattas (see note 4)

Notes

1. Weights must be properly fixed to the boat or seat. Stones in bags or any other temporary system will not be accepted.
2. Boats required for weighing will be notified shortly after the finish of the race. The required boat's lane numbers will be displayed on the notice board sited on the pontoon by the Finish Line and the lane numbers will be announced by Commentary.
3. Boats buoyancy will be checked. Penalty points will be applied or competitor(s) can be disqualified from a race if Officials find a boat has been on the course without visible additional buoyancy (or fixed bulkheads).
4. Applicable only to the slowest classes for each group, i.e. when paddlers can't be demoted, (Men's D, Masters D, Women's D, Women Masters B, Boys D & Girls D)

Accumulation of Penalty Points and Penalty Fines

1. When a paddler accumulates a total of 4 or more penalty points, he / she is liable for a fine of £10 per point in excess of 3 points.
2. Fines are to be paid at the Regatta Secretary's Desk
3. **A paddler liable for a fine cannot race until the fine has been paid.**
4. Penalty points are accumulated over 4 consecutive regattas and are not restricted to a single year. Thus, for example, penalty points incurred in the last regatta of the year will remain active until the start of the 4th regatta of the following year.

Notification

Team leaders may be notified when a penalty point has been issued to a paddler from his / her team. A record of all the active penalty points is listed at the end of the official results for each regatta.

Disciplinary Matters of a More Serious Nature.

In respect to all other disciplinary matters the Chief Official, Competition Committee and the Competition Jury must act as described in the Sprint Racing Competition Rules which include penalties in accordance with British Canoeing Rules or the Sprint Racing Section Disciplinary Regulations.

N.B. A reported incidence of dissent / abuse towards a Regatta Official, another competitor or their equipment, or a spectator must be treated as conduct prejudicial to the interests of the sport and dealt with under the Section Disciplinary Regulations.

THE MINI SPRINT SERIES 2019

The Mini Sprint Series is run alongside the National Sprint Regattas held at Holme Pierrepont in Nottingham during the 2nd, 3rd, 4th and 5th Regattas.

The Mini Sprint series has been specifically developed to suit the needs of young people who have chosen this discipline at this time. It is part of the Paddlesport foundation which helps them progress into whichever discipline they may eventually choose. The programme has taken into account that full sized K1s, K2s and K4s are too large for young people. Together, Canoe England's Paddlesport Participation Programme and British Canoeing Sprint Racing Committee have formed the Mini Sprint Series. This has evolved from the Lightning series that was originally only a K1 event. Now as a weekend event it is giving racing experience on the National course so that the paddlers have a smooth transition into the Class D events.

The aim of the series is:

- To introduce young paddlers to the venue.
- To develop experience of sprint competition at a national event.
- To develop teamwork.
- To have the opportunity to develop competitive paddling skills.
- To become motivated to progress through the main classes.
- To meet and make friends with paddlers from other clubs.
- **To enjoy, have fun and become confident sprint paddlers.**

Team leaders notes on entries and kayaks

- The paddlers will compete over 500 metres in Lightning K1, Hody-style K2s and Rocket K4, with heats and finals run and timed on the main regatta course.
- The cost per seat is exactly as other junior paddling categories.
- **Please ensure you enter your paddlers in the correct category, which is based on time, not age. Only Lightning kayaks are to be paddled in the K1 events.**
- Clubs should bring their own Hody-style K2. If using a make other than Hody please inform the Chief Official before the event. Regatta.ChiefOfficial@britishcanoeing.org.uk
- Rocket K4s only will be used and can be supplied by the SRC. Clubs may bring and use their own Rockets.

When booking a K4

Team Leaders will book a whole K4, as with classes C and D. When combining with paddlers from other clubs it is the responsibility of the Team Leaders involved to arrange who pays for the entry and to collect payments. It is not the organisers or the volunteer official's remit to sort out your payments. Any changes to your entry must be made at the main Team Leader's meeting. Further changes for entered crews may be made at the Secretary's desk providing all paddlers and team leaders know of the changes.

Mini Sprint Cup Series

This series is a whole season event and the **Marsport Trophy** will be awarded at the 5th regatta to the club with the most points. Individual paddler points will be awarded for each event during the 2nd, 3rd, 4th and 5th Regattas, with double points being awarded at The MacGregor Inter Club Regatta.

THE MINI SPRINT SERIES 2019

Mini Sprint Cup Rules 2019

- Points are accumulated at each event leading to a final at the 5th Regatta.
- **Mini Sprint points do not count towards The MacGregor Inter Club points.**
- At the MacGregor Regatta the Mini Sprints receive double points for their paddling and these go towards the Mini Sprint Cup competition which runs separately from the main Inter Club Competition.
- The Mini Sprint Cup includes overall prizes for both male and females in each category and an overall club prize. Details are as follows:

Entry Conditions

To enter the Mini Sprint Series the young people must be under 12 on 1st January 2019 and have achieved at least Paddle Explore standard and must be able to paddle a K1 Lightning over 500m in less than 4 minutes.

Categories

- A: (LTA) for those who can complete 500m in under 3 minutes 30 seconds
- B: (LTB) for those who complete 500m between 3 minutes 30 seconds and 4 minutes

Entries

- All entry fees are per seat and will be entered with your club's main regatta entries.
- **Please read notes on entering Rocket K4**

Events

2nd, 3rd and 4th Regattas with the finals at the 5th Regatta 2019.

Points Scoring

All National Mini Sprint winners (individual) are awarded on the same system. Their 2 best regatta scores added to their Mini Sprint Inter Clubs score.

All points scored will count only towards The Mini Sprint Team and individual events.

At the National Regattas in K1, K2 and K4.

- 1st place scores 10 points, 2nd place scores 9 points etc. down to 10th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results at each regatta. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 10 points **for each paddler**.

At the Inter Clubs Regatta in K1, K2 and K4

- 1st place scores 20 points, 2nd place scores 19 points etc. down to 20th place where everyone after that scores 1 point, the total number of points scored across K1, K2 and K4 will be added together to determine the results. For the K2/K4 races the same points scoring system will be used i.e. the winning crew will receive 20 points **for each paddler**.

Team Event

The points scoring system is based on each club's best 2 regatta results scores added to their Mini Sprint Inter Clubs points score.

THE MINI SPRINT SERIES 2019

Promotions

- Promotion from Mini Sprint Category B to A will be based on K1 500m times.
- Promotions from group B to A will automatically be done in the 2nd and 3rd regattas. The best set of existing regatta points will be carried through and added to the paddler's 4th and 5th regatta points gained in A.
- Promotion into Boys D and Girls D is based on normal regatta entry guidelines. This is only done after a discussion with the team leader.
- When a paddler is too old to participate in the Mini Sprint Series **they do not automatically move to junior D classes.** They must reach the required standard. See the Standards Chart on page D1. **They would be allowed to paddle only in D Class crew boats, with an established D Class paddler.**

Prizes:

- Tiddly Winks will be awarded for 1st, 2nd & 3rd places **in the K1 Final One only** of each category and for the three fastest K2/4 crews in each category within the Mini Sprint series.
- Medals will be awarded to the overall series winners - 1st, 2nd, 3rd male and female. The Marsport Trophy will be awarded to the Club that has accrued the most combined category points.

NATIONAL REGATTA OFFICIALS

Anyone interested in finding out more about assisting at National Regattas is invited to come and sit alongside experienced officials to find out what is involved. Officials are the most important people in the running of our National Regattas and supported learning during the events and at 'out of season' workshop days assist in developing skills and knowledge without unnecessary pressure.

No experience is required but working with a team and a sense of humour is important. Just helping half a day, whether morning or afternoon, would be greatly appreciated.

Officials who have gained experience in key areas and show commitment go on to take the International Canoe Federation Technical Officials Examination. This enables them to officiate at ICF or ECA International Regattas. These officials must have worked a minimum of 6 days during the current year to apply to be nominated for an International appointment. Regatta Officials interested in knowing more about what this entails please contact the Chief Official.

Several officials are working in Pre-Regatta groups such as updating club colours, registration of paddlers and putting together the printed programme. We also have an IT team who are continuing to develop a program that will not only reduce the workload for entering and paying but also an online results service.

We are continually looking for assistance with First Aid throughout the regattas. This is headed by a fulltime paramedic who takes overall responsibility for reporting accidents. All clubs have qualified first aiders who could help with this important and legally required service.

Last year as a trial we introduced a system that awarded officials points that went towards the MacGregor Trophy. After consideration this will not continue; however, for 2019, all Regatta Officials will continue to earn points which will go towards a New Award. This will be presented to the club who has gained the most points from members who are Regatta Officials. 1 point will be awarded for each half day worked. The points become transferable to the club once a minimum of 12 points (6 days) has been accumulated. Points will also be awarded to those who attend workshops. A total of 20+ points is achievable by each official. Officials who are not members of a club may donate their points to a club of their choice.

If you would like to know more about helping at a National Regatta please contact Ann Hoile at volunteercoordinator@canoeracing.org.uk or at the Secretaries Desk during regatta weekend.

BRITISH CANOEING PERFORMANCE & TALENT PROGRAMMES

Paul Ratcliffe is the British Canoeing Performance Director with the overall responsibility for all the British Canoeing Performance and Talent Programmes.

Head Office: British Canoeing, National Water Sports Centre, Adbolton Lane, Holme Pierrepont, Nottingham, NG12 2LU. Telephone: 01159 822094

Tokyo 2020 Strategy and Funding:

British Canoeing is in the fortunate position as a sport to receive a significant level of funding from the National Lottery which is allocated through UK Sport. The ultimate purpose of the funding for the World Class Performance Programmes is to win Olympic and Paralympic medals. Our process in achieving this starts by focusing on individuality by putting athletes right at the heart of everything we do to create an athlete centred culture.

British Canoeing's Performance Programme funding is dedicated to supporting the most talented athletes in the Olympic disciplines of Canoe Slalom and Canoe Sprint Racing and the Paralympic discipline Paracanoe to win medals at the highest level. Having consistently won Olympic medals since 2000, the sport gained its first ever Olympic Champion, Tim Brabants, in the K1-1000 in Beijing in 2008. At the London 2012 Olympics, Ed McKeever followed this success, winning Gold on home soil in K1-200. We had our best ever Olympic results at the Rio 2016 Olympic Games, with Liam Heath winning Gold in the K1-200 and Liam Heath & Jon Schofield winning a Silver medal in the Men's K2-200 event. We also had great success in our Paralympic debut, winning three Gold medals (Jeanette Chippington, Anne Dickens & Emma Wiggs) and two Bronze medals (Nick Bighton and Ian Marsden) at the Rio 2016 Paralympic Games.

Our overall aim is to improve on our Rio 2016 performance at the 2020 Tokyo Olympic and Paralympic Games. For the Tokyo cycle the British Canoeing Olympic and Paralympic programme will be based at two High Performance Centres. The Canoe Sprint and Paracanoe programmes will be primarily based at Holme Pierrepont in Nottingham and the Canoe Slalom programme will be primarily based at the Lee Valley Whitewater Centre in Hertfordshire.

In 2018, the 2nd year of the Tokyo cycle, athletes in each discipline achieved some outstanding World and European Championship successes. The significant and positive changes within the World Class and Talent programmes in 2018 has also demonstrated cultural improvements in the programme through our Culture Health Check and review processes.

British Canoeing receives funding from Sport England to support its Talent Programmes. Our vision is to create a world-leading Talent Programme which discovers, nurtures and delivers an oversupply of talented athletes with the characteristics required for senior international success for our World Class Programmes. The vision is also to create an environment committed to the pursuit of excellence and to supporting every athlete to be the best they can be.

Overview of the 2019 Selection Process

The 2019 selection policy is available on the British Canoeing website and can be accessed by the following link www.britishcanoeing.org.uk/olympic-paralympic/policies/

The Purpose of the Selection Policy is to outline the processes which will lead to the selection of athletes to represent Great Britain at the identified senior international canoe sprint competitions in 2019. The Selection Policy is designed to allow athletes to maximise preparations and performances at the 2019 World Championships through a clear selection process.

The first round of Global qualification for the Tokyo Olympic Games will take place at the 2019 World Championships and this policy focuses on aligning performance delivery with the Olympic Qualification System at this event. This will mean selecting athletes capable of achieving A finals in order to qualify boat quota places for Great Britain at the 2020 Olympics.

NEW PERSONAL PERFORMANCE AWARDS

The NEW Personal Performance Awards are designed for paddlers wanting to gain recognition of their learning and development, in the craft and environment they choose. The process of completing the awards is based on learning and, as such, the ethos of 'supporting the paddler' is the main focus of all the awards, encouraging individuals in their development.

Discipline Specific Pathway Awards

- **All of the awards are direct entry.** Paddlers can choose which award they would like to work towards, developing their skills and decision making.
- There are **no direct links to Coaching and Leadership qualifications** as prerequisites. The awards do provide appropriate milestones and acknowledgement of personal skills, setting up the paddler appropriately for British Canoeing Coaching and Leadership qualifications.
- There are **no age restrictions** for any of the awards. Providers should check paddlers' suitability, as well as having appropriate mechanisms for anyone under 18.
- All of the awards have been created and written with the **paddler at the heart** of the content and creates empowerment and ownership.

Becoming a Provider

Every Instructor, Coach and Leader will be able to deliver some of the Personal Performance Awards, depending on the existing qualifications and roles held, which will provide greater access for the paddling community. All Providers will need to complete an online eLearning package which support Providers with the delivery of the awards. For full details, please see <https://www.britishcanoeingawarding.org.uk/new-personal-performance-awards/>

If Coaches don't hold British Canoeing qualifications, they can submit an APL application in order to deliver the awards. <https://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/accredited-prior-learning>

Personal Performance Awards

The Racing Awards are designed for paddlers looking to develop and progress their Racing skills. So whether you're looking to start your journey into racing or looking to improve your racing skills, there's something for everyone!

COACHING AND LEADING THE COMPETITION DISCIPLINES

Developing your coaching and leadership skills through British Canoeing courses

There are various pathways enabling both paddlers (boat based) and non-paddlers (bank based) to become Competition Coaches. There are a range of direct entry awards available, which could be the first or next step for any aspirant coach or leader.

Coach Award

Launched in January 2018, the Coach Award creates discipline specific pathways across all disciplines, which includes the Racing Coach Award. The Racing Coach Award is designed for people whose core function is to coach paddlers who want to gain/improve their Racing paddlesport skills. This will include coaching beginners new to the sport, or paddlers looking to develop their skills in the given discipline/environment. The Racing Coach Award is open to boat-based and bank based paddlers.

The Racing Coach Award includes a 2 day of Core Coach Training and a 2 day Racing Coach training, which is concluded by a 1 day assessment. There are direct entry options available, a British Canoeing membership is the only prerequisite of the Core Coach Training. Where relevant, coaches who have already completed various British Canoeing qualifications can by-pass the Core Coach Training and/or Discipline Specific Training. Coaches who have completed the Sprint Discipline Support Module Part 2 (training and logbook) can choose to by-pass the respective Racing Coach Training if they feel confident with the content.

There is a supportive eLearning package available to aid learning.

Performance Coach

Performance Coaches (formerly Level 3) are discipline specific and are available in Sprint or Marathon. Performance Coaches are trained to oversee an annual programme for paddlers and coaches under their direction. It is the ideal qualification for those coaches who have a lead coaching role within a club.

Performance Coaches can be boat based or bank based. They would need appropriate qualifications or experience required to fulfil the conditions to become a boat based coach.

The Performance Coach Course consists of a 3-day (or equivalent) Generic Core, this is followed by 3 Intermediate Supporting Modules and then a 2 day Discipline Specific Course. Then various assessment tasks have to be fulfilled over a 12 month period. The assessment process involves two parts, one in the training environment and one at a competition environment with the coach's own long term athletes.

Paddlesport Leader

The Paddlesport Leader Award is aimed at paddlers taking on formal leadership responsibilities in benign, sheltered water environments and aims to support Leaders to run safe, quality, enjoyable trips based on their group's needs and aspirations. For example, in a racing club, a Paddlesport Leader could provide a safety overview on a training session chaperoning other paddlers.

The Paddlesport Leader is a direct entry award and training is **not** compulsory. Leaders can opt for British Canoeing Paddlesport Leader Training courses, which are available to support you in your development of the required skills. These courses typically cover leadership skills, and the associated personal skills, safety and rescue skills. Alternatively, you may wish to opt for more bespoke training opportunities. For example, in-house training at your club, working alongside/shadowing other Leaders, or conference/symposium workshops.

The only prerequisites for the 1 day assessment are Home Nation membership and a one day First Aid Award.

COACHING AND LEADING THE COMPETITION DISCIPLINES

There are supportive resources available, including the [Leadership eLearning](#), a Skills Checklist and Leading Experience record.

Support Modules for Marathon or Sprint

Any level of Coach can attend a one-day DSM course. These are available in both Sprint and Marathon and focus on the basic aspects involved in coaching, particularly forward paddling technique in canoe and kayak. It is designed to give the Coach an initial understanding of Sprint and Marathon Coaching. Dates for the Modules can be found on the British Canoeing Coaching Pages here <http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#discipline-support-modules>

Supporting Modules

To help a coach or leader with their personal development, there are a number of Foundation Modules and Intermediate Modules available as supporting units. Details of these can be found at <http://www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#foundation-modules> and www.britishcanoeing.org.uk/coaching-leadership/courses-for-coaches#intermediate-modules

This includes the Strength and Conditioning Foundation Module available for clubs or groups of clubs to access. This course is aimed at the coach who wishes to commence Strength and Conditioning work at the club without having to rely on expensive equipment or hiring sports halls or gyms.

APL

In some instances aspirant coaches may have prior experience that may enable them to enter the Coaching Awards programme at a higher level.

If you feel you have experience that can be accredited as prior experience, then refer to the Accredited Prior Learning (APL) Policy: <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/accredited-prior-learning>

CPD (Continuous Professional Development) for coaches is available to club coaches to further their existing knowledge, ideas and understanding.

Information on coaching opportunities and supporting modules can be found on coaching pages of the British Canoeing website <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/coach-update-scheme>

First Aid Requirements

The requirements relating to First Aid qualifications and the different coaching levels held can be found at: <http://www.britishcanoeing.org.uk/coaching-leadership/support-recognition/coach-update-scheme>

RegattaLive App

Sam Willis has developed an app called RegattaLive that takes the provisional results published on www.regattareresults.org.uk and puts them in a format that you can search. This new version works with the updated results system.

It's a free download for iPad and iPhone users from the Apple App Store - <https://itunes.apple.com/us/app/regatta-live/id930113294>

And an Android version is also available from Google Play - <https://play.google.com/store/apps/details?id=org.britishcanoeing.regattalive>

Remember that it will only work during the weekend, as and when the unofficial results are made available. After the regatta, the official results will be published on the website: www.canoeracing.org.uk/sprint
